Urgent Messages

**MEMBERSHIP CARD PRINTING**

The process of generating Membership Cards changed recently, and we are working to resolve this matter. In the meantime, if the generate file opens in the browser, download and save to your computer. Once saved, open that file and the 'Actual size' option under 'Page Sizing & Handling' section of the 'Print Window' will appear. Using this option should aligned the cards on the paper.

**UPDATE – Safe Environment Member Status Report**

The Safe Environment Member Status Report is once again available in Officers Online. Thank you for your patience as we are nearing the completion of the Order's migration to the new Praesidium Academy. We are working to have this report published daily (except weekends), which should be fully in place by Monday, December 11. Each day's report publishes the previous day's data. Should you become aware of any discrepancies in the report, please email the Office of Youth Protection at [YouthLeader@KofC.org](mailto:YouthLeader@KofC.org).

**MEMBERSHIP CARD PRINTING**  
 The process of generating Membership Cards changed recently, and we are working to resolve this matter. In the meantime, if the generate file opens in the browser, download and save to your computer. Once saved, open that file and the 'Actual size' option under 'Page Sizing & Handling' section of the 'Print Window' will appear. Using this option should aligned the cards on the paper.

**UPDATE – Safe Environment Member Status Report**  
 The Safe Environment Member Status Report is once again available in Officers Online. Thank you for your patience as we are nearing the completion of the Order's migration to the new Praesidium Academy. We are working to have this report published daily (except weekends), which should be fully in place by Monday, December 11. Each day's report publishes the previous day's data. Should you become aware of any discrepancies in the report, please email the Office of Youth Protection at [YouthLeader@KofC.org](mailto:YouthLeader@KofC.org).

### Operations Training

Operations training provides valuable information to support council leadership in managing their time, organizing council functions, and handling financial responsibilities. A council secures its place in the parish and the community through the activity of its members, and a smoothly running council can focus more time on charitable output.

Click the buttons below to find training that focuses on three of the important aspects of leading a council: the administration of council duties; council finances; and guidance on finding and completing the forms that are necessary for reporting contact information, fraternal activity, and more.
