## Faithful Navigator Reflections & Directions

Fellow Sir Knights:

Thank you again for the confidence you have bestowed on me and my elected Assembly Officers for this new fiscal year. Be assured that we are up to the task and are proactive.

It is my intent to attend at least one of each Council's General Meetings during this quarter.

I am reaching out to you to encourage our Fellow Third Degree Brothers to join the ranks of the Fourth Degree. There is an Exemplification scheduled at St Gabriel in Pompano Beach on Saturday July 27. See page 2 for more details. There maybe another in August in the Naples-Ft Myers area

I am also encouraging you to become more active in the Assembly. Our Honor Guard is charged with attending quite a few events (Council Installations, Confirmations, wakes and funerals, and other numerous Catholic events). Although, there are a dozen or so active Honor Guard members, personal schedule conflicts often limit attendance. We, just like the military, are always looking for a few more good men to step forward and join the Honor Guard Ranks.

A reminder that there is an all Council Officers meeting on July 13 at Our Lady of Lourdes. See page

2 for more details. At a minimum: Grand Knights, Deputy Grand Knights, Financial Secretaries, Membership and Program Directors are encouraged to attend.

Please review page 7 for important info on Florida's proposed Pro-Abortion Amendment.

Major events on the Assembly Calendar for the rest of this year include our annual Veterans Day Dinner and Dance on Saturday November 9, 2024 followed by our "pre Thanksgiving Turkey give-away to our vets" in attendance.

The Feast of the Assumption of the Blessed Virgin Mary, August 15, is a Holy day of Obligation in the USA. Pope Pius XII defined the Assumption as a divinely revealed dogma in 1950 stating that the Immaculate Mother of God, Mary, after completing her earthly life, was "assumed body and soul into heavenly glory.'

Finally, I would like to wish you and your families a Happy 4th of July. Stay safe, let the professionals light the fireworks, don't eat or drink too much, but most importantly, remember to have a good time.

Vivat Jesus:

*Joe*

## FLORIDA'S PRO-ABORTION AMENDMENT EXPLAINED

### Why Floridians Should Vote NO on Amendment 4

Titled "Amendment to Limit Government Interference with Abortion," Amendment 4 would enshrine **UNREGULATED ABORTION** in our state constitution, making Florida one of the **MOST PRO-ABORTION** states in the nation. The amendment language is **MISLEADING**, and its proposed outcomes are **DANGEROUS**.

#### WHAT IT SAYS

##### **BALLOT SUMMARY**

No law shall prohibit, penalize, delay, or restrict abortion

before viability

or when necessary to protect the patient's health,

as determined by the patient's healthcare provider.

This amendment does not change the Legislature's constitutional authority to require notification to a parent or guardian before a minor has an abortion.

#### WHAT IT DOES

##### **PUTS WOMEN AT RISK**

Amendment 4 would jeopardize existing laws and prohibit new ones that voters on both sides of the abortion issue support, including health and safety laws that protect women.

##### **ALLOWS SECOND AND THIRD TRIMESTER ABORTIONS**

Though not defined in the amendment, "viability" is defined in Florida law as the stage of development when the life of a fetus is sustainable outside the womb (Ch. 390.011(15)), generally accepted to be 22-24 weeks of pregnancy, or about 6 months.

##### **CREATES A BROAD "HEALTH" LOOPHOLE**

"Patient's health" is not defined in the amendment, allowing post-viability, extremely late-term abortions for treatable, temporary health concerns. Emotional health would justify an abortion when a child could survive outside the womb.

##### **WEAKENS MEDICAL DOCTOR REQUIREMENT**

"Healthcare providers" – not just physicians – could determine if an abortion is "necessary" to protect the mother's "health." Even some employees of abortion clinics, such as nurses and counselors, could approve late-term abortions.

##### **ELIMINATES PARENTAL CONSENT**

While preserving parental *notification* in our state constitution (Article X, Section 22), the amendment would invalidate the current law that requires parental *consent* for a minor to have an abortion (Ch. 390.011(4)(5)), making abortion the only medical decision for which parents have no say.
