Faithful Navigator Reflections & Directions

Fellow Sir Knights:

As we approach the close of the “dog days of Summer” it is still hot and humid here in South East Florida. The kids will soon be returning to school and we are approaching the height of the Hurricane Season.

Now is time to get out those Emergency Preparedness Lists and begin to “stock-up”, if we have not already done so. In addition to our physical health and material needs, let’s not forget to tend to our spiritual needs and wellbeing. In addition to Sunday Mass devotion, we have the Feast of Assumption of the Most Blessed Virgin Mary, the Mother of God on August 15th, a Holy Day of Obligation.

Coincidentally, the Silver Rose will be visiting St Joan of Arc on August 15th. See page 2 for important details on the visit.

Less we forget, we have an important State wide vote this Fall—**Amendment 4..** I urge each of you to review page 7 of the “Bugle” and commit to **vote “NO” on Florida’s Pro-Abortion Amendment.** This holds whether you’re voting early or on November 5th. This is too important to ignore! **Life begins at conception** and abortion in addition to being irreversible is the **taking of a life.**

We have had a few recent installations. St Jude hosted our Assembly on July 6th and their Council on the 13th. St John the Evangelist conducted their installation on the 28th. Upcoming installations are Our Lady of Lourdes on August 17th and St Joan of Arc on September 14th. The Ascension date is pending.. See pages 9 & 10 for new officers.

We are still looking for a few Good Sir Knights to join our Honor Guard.

We are also looking for 3rd Degree Council Brothers to step up and join the ranks of “the few, the proud, and the brave”. 4th Degree Exemplifications are in the works. Tentatively there is one more this year scheduled on August 25th at San Juan Del Rio Church, St Johns (Switzerland), FL

Closer to home, SK Terry Kollman, our newest Sir Knight and new Assembly Pilot is “spear-heading” the Assembly and Council efforts to support “Suitcases for Ukraine. See page 8 for information. The people of Ukraine need our help. If not you, then who?

Finally, I encourage each Council to send at least one representative to the Assembly General Meetings (typically the 3rd Monday of the month).

Vivat Jesus:

Joe

Silver Rose visits St Joan of Arc August 15

Silver Rose will visit parishes
in the Palm Beach Diocese.

Please notify the Diocese of Palm Beach Knights on Bikes chairman or District Deputy if your council desires a Silver Rose visit.

Each year, from early March through mid-December, Silver Roses are stewarded by Knights of Columbus councils along routes from Canada to Mexico. The Silver Rose will be in Florida August 4th through September 14th. Every stop the Silver Rose makes throughout the pilgrimage is a rosary-centered occasion for Knights, parishioners and community members to **pray for respect for life, for the spiritual renewal of each nation, and for the advancement of the message of Our Lady of Guadalupe.**

"Through [the Silver Rose Program] we honor not only Our Lady of Guadalupe and express the unity of the [the Knights of Columbus], but **we also reaffirm [our] dedication to the sanctity of human life.** It is to the Blessed Mother that we turn in prayer as **we work to end the Culture of Death that grips our society.** As we think in terms of 'One Life, One Rose,' it is most appropriate that we turn to Our Lady of Guadalupe who made known her will through Juan Diego and the miracle of the roses." – Past Supreme Knight Carl A. Anderson

Prayer for Protection from Hurricanes

God our Father, Creator of the Universe and Lord over all creation, we humbly stand before you as your children, in thanksgiving for your loving care and protection. We ask that you keep us safe from all hurricanes which may threaten us in the coming seasons. Protect us from all fear and anxiety of storms and give us an ardent trust and hope in Your love and mercy. You alone have the power to command the sea, the wind and the rain. You alone bring peace, calm, and safety. Father, we thank you in advance, for you are our only Refuge. We ask this through Christ, Your Son, Who lives and reigns with you and the Holy Spirit, one God, forever and ever. Amen. Mary, Queen of the Apostles, and Patroness of our Diocese, pray for us.

FLORIDA CONFERENCE OF CATHOLIC BISHOPS

Florida Bishops Oppose Extreme Abortion Amendment **Vote No on Amendment 4**

Florida Amendment 4, which will appear on Florida's November 2024 ballot, is an extreme proposal that legalizes full-term abortion with no protections for the preborn child, including when the child is capable of feeling pain. This proposed amendment to our state constitution would prohibit all restrictions on abortion before viability and create a broad exception that any healthcare provider could exploit to allow abortion up to birth.

Furthermore, the amendment would effectively overturn or seriously jeopardize common-sense state laws that have regulated abortion for years. These include basic health and safety requirements for clinics where abortions are performed, requiring a physician to perform abortions, informed consent requirements, laws limiting public funding of abortion, and parental consent requirements before a minor's abortion.¹ These risks demonstrate the extreme nature of the amendment.

We urge all Floridians of goodwill to stand against the legalization of late-term abortion and oppose the abortion amendment. In doing so, we will not only protect the weakest, most innocent, and defenseless of human life among us but also countless women throughout the state from the harms of abortion.

Human life is sacred. The dignity of the human person is the foundation of a moral vision of society. Direct attacks on innocent persons are never morally acceptable, at any stage or in any condition. In our state, human life is repeatedly being destroyed by abortion. Over 84,000 vulnerable and voiceless children were aborted in Florida in 2023.

This matter concerning the respect for human dignity and the fundamental value of human life is of grave importance to both our Church and our state. The threat of abortion remains our pre-eminent public policy priority. Therefore, we support a coordinated campaign to mobilize against the proposed amendment. To this end, we offer this prayer to defeat Amendment 4:

Ever-living God, you give life and desire a future for all your children. Take hold of our nation, state and community and awaken in every heart awe for the gift of life. Send your Spirit to strengthen us with wisdom and fortitude as we defend mothers and children in Florida from laws that disregard their health and safety.

Mary and Joseph trusted in you and welcomed Jesus into our broken world. God Almighty, we ask their intercession to protect the preborn and their mothers, and to guide all parents in raising their children. May they help us build a civilization of love by upholding the sacredness of life and accompanying pregnant women in need.

We ask this through Christ, our Lord. Amen.

¹ Florida law distinguishes between parental *consent* prior to a minor's abortion (Ch. 390.01114(5) which would be invalidated by Amendment 4 and parental *notice* of a minor's abortion (Ch. 390.01114(4)), which would be retained.
