A Message from Ivan

July 2025 Council Message

July 2025 Council Message _ Condensed

This month is the start of our new Fraternal Year together as Knights – a big congratulations to all new council leadership! This is always a time of new beginnings, when councils can start fresh and reassess where they stand in relation to their goals.

Now is the perfect time to meet with your agent to review the existing insurance plan you have in place or to help you take the initial steps to create one. As your brother Knight, it's my privilege to carry out Father McGivney's mission by serving your family and helping you gain a clear picture of your financial protection needs, no matter your current situation. I think this is one of the most underappreciated benefits of membership in the Knights of Columbus, and if you've never taken advantage of getting a complimentary financial needs review, I encourage you to make this the year!

With a personalized review using top-tier financial software, I can give you a transparent illustration of your finances with insights on how your current situation aligns to your future objectives. Together, we'll review your current coverage and identify potential protection gaps, ensuring your plan aligns with your goals.

Knights of Columbus, your premier partner for financial services, is for brother Knights, by brother Knights. I'm here to partner with you. Please see me and we'll set up time to work together to financially safeguard your family.

Thank you!
