Grand Knight's Report

James Gaus

Brother Knights,

I'd like to take a moment to warmly welcome the newest members of our council family. At our May 14th meeting, we had the pleasure of voting in Jack McCarthy as a new member. Jack will officially join *Knights on Bikes* once he completes his exemplification, and we look forward to him riding alongside many members of our council who are members of this important part of the Knights of Columbus.

We also extend a sincere welcome to Dr. Nicolo Amaral, who has transferred to our council from Rhode Island. It's always a blessing to have experienced brothers join our ranks, and we're grateful he's chosen to continue his journey with us here.

As I reflect on the month of May, I'm struck by just how active and productive our council has been. On May 4th, we hosted a Financial Benefit Seminar led by Brother Ivan Delabruere. The turnout was excellent, and the information presented, especially regarding final expense planning, was both timely and valuable. It's events like these that truly demonstrate the practical benefits of our Order and the importance of looking out for one another and our families.

We also had the opportunity to lend a helping hand to the Ladies Auxiliary with the setting up of their Wacky Bingo event. As always, it's great to work together with other organizations in our community and support one another's efforts.

Of course, one of the highlights of the month was our Mother's Day Breakfast. It was a wonderful success, filled with great food, fellowship, and appreciation for the mothers and families who do so much for all of us. Events like this remind us that what we do as Knights extends far beyond meetings—it's about building community and strengthening family life.

Deputy Grand Knight Mike Hamel and I also had the privilege of attending the 2026 Annual Florida Knights of Columbus Convention. It was an engaging and inspiring experience, filled with meaningful discussions, new ideas, and a renewed sense of purpose for the work we do. We were joined by our outgoing

GK James Gause, CH Michael Gause, Mrs Brittany & DGK Michael Hamel, Mrs Nina & DD George Elliott

Chancellor Michael Gaus, who attended as a guest and came away with valuable insight and perspective. It's always encouraging to see our council represented at the state level.

Looking ahead, we have an important meeting coming up on June 9th. During this membership meeting, we will be electing council officers for the upcoming fraternal year, which begins on July 1st. Every position is open, and I strongly encourage all members to attend and take part in this important process.

GK James Gause & CH Michael Gause

A slate of potential officers has been put together, but we strongly encourage additional nominations from the floor, so everyone has an opportunity to get involved. This is your council, and your participation helps shape its future. Details regarding the officer installation ceremony—time and location—will be announced at the meeting, so please make every effort to attend.

As my term as your Grand Knight begins to come to a close, I want to take a moment to personally thank each and every one of you—our officers and all of my Brother Knights—for your support, encouragement, and dedication throughout the year. It has truly been an honor to serve in this role. The success of this council is not the result of one person, but of the collective effort, generosity, and faith of all its members.

With summer just around the corner, many of us will be traveling and spending more time with family and friends. As you make your plans, I encourage you to travel safely and to begin each journey with a prayer—asking the Lord for protection for you and all travelers, and for a safe and happy arrival at your destination.

Vivat Jesus!

Brothers,

Father’s Day is June 21. When you think of the qualities of a good father, what comes to mind?

You might picture someone who leads by example, works hard, makes sacrifices, and loves unconditionally.

I think one of the most important ways a father shows his love is when he protects his family in this world that can be so uncertain.

For example, we can’t always control what influence the world might have on our family’s lives. That’s why a father knows it’s crucial to guard his family spiritually, leading by example in faith.

Similarly, we can’t always predict how life circumstances might impact our ability to provide for our families financially. Will our employment remain secure? Will we experience a long-term disability? And, as much as we don’t like to think about it, will the Lord call us home at a time we don’t expect?

There are many unknowns, but there are things you can do to protect your family and build security. For example, you can guard your loved ones through life insurance, long-

term care insurance and disability income insurance.

Before I close, I’d like to share a story about our Founder, Blessed Michael McGivney.

When he was 20 years old and in seminary, his father, Patrick, passed away. This left young Michael uncertain whether he would need to leave seminary and work in a factory to support his siblings and widowed mother. Thankfully, his bishop intervened and provided financial support to allow him to continue his studies for the priesthood.

As a result of this experience, Father McGivney knew firsthand how the death of a loved one could bring about uncertainty for the family.

In founding the Knights of Columbus, he started an Order that allows Catholic men like you to be the protectors their families need — even during life’s hardest moments.

I invite you to meet with me to review your current coverage or to partner in finding you the coverage to match your family’s needs. I would also be glad to share some of the other services offered by our affiliates, including Knights of Columbus Asset Advisors and Knights of Columbus Charitable Fund.

Thank you!

From the Deacon's Bench

By Deacon Jeff Massey

Brothers, Greetings as we end May and begin June.

Yes, May closes out with a Blue Moon, and we will not see a full one until 29 June, being the first Full Moon of summer:

This moon has traditionally been called the **Strawberry Moon**.

(29 June is also the Solemnity of Saints Peter and Paul, Apostles.)

"Strawberry Moon" was named by the Native American Algonquian tribes that live in the northeastern United States; as well as the Ojibwe, Dakota, and Lakota peoples. It marks the ripening of "June-bearing" signaling the start of strawberry season, where strawberries are ready to be gathered.

We recall the reference from last month to the Mohawk/Algonquin Saint Kateri Tekakwitha, the Lilly of the Mohawks. Her actual feast is 14 July. She was Beatified on 22 June 1980, by Pope John Paul II, in Vatican City.

Working backwards from the Strawberry Moon, and The Solemnity of Saints Peter and Paul, Apostles, on 29 June, we will celebrate the Solemnity of the Nativity of Saint John the Baptist on 24 June, Solemnity of the Most Sacred Heart of Jesus on 12 June, Feast of Saint Barnabas, Apostle, on 11 June, and Solemnity of the Most Holy Body and Blood of Christ on 7 June, opening the month.

The First Feast in June should help us not look up but inward, as we pause and focus on the Feast commonly known as **Corpus Christi**.

This feast is significant in the Catholic Church, as it celebrates the **real presence of Christ in the Eucharist**, a core belief of our Catholic Faith.

Always observed after Trinity Sunday, sometimes on the Thursday after Trinity Sunday, but more often on the Sunday following (in regions where it is not a holy day of obligation).

The feast was proposed by Thomas Aquinas to Pope Urban IV in the 13th century. Now in 1263, while celebrating Mass at the tomb of St. Christina, a German priest named Peter of Prague experienced a moment of doubt regarding the Real Presence of Christ in the Eucharist. During the consecration, blood began to seep from the consecrated host onto his hands and the corporal, thus affirming the belief in

Transubstantiation. This event was reported to Pope Urban IV, who commissioned an Investigation; which ultimately confirmed the miraculous nature of the event, the Eucharistic Miracle of Bolsena. The blood-stained corporal was enshrined in a golden reliquary in the Cathedral of Orvieto, constructed specifically to house this sacred relic.

Pope Urban IV officially established the Feast in 1264. The Corpus Christi procession was introduced by Pope John XXII in 1316.

And we know that Saint Carlo Acutis, who was skilled in programming and web design, created a website documenting Eucharistic miracles, including this one, the Miracle of Bolsena. Saint Carlo's work has been recognized as an important tool for religious education.

I mention all of this to help use that time after we receive the Body, Blood, Soul and Divinity of Christ, the source and Summit of our faith, in a humble, reflective, awe-filled way. Giving thanks to God for this great gift, which not only cleanses, and fortifies against struggles, but also helps us recognize the Love of God, the Father, Son, and Holy Spirit, as well as the importance of Charity to our Neighbor.

Trinity Village

The Diocese of Pensacola-Tallahassee opened Trinity Village on May 1, 2026. Trinity Village is a community of nine tiny homes for low-income senior citizens experiencing housing insecurity. "With God's grace this vision has now become a reality," said Deacon Ray Aguado, Executive Director for Trinity House, who has spearheaded the effort, galvanizing dozens of individuals to pursue a common goal, including the proceeds from a monthly breakfast at St. Rose.

BABY BOTTLES, BABY BOTTLES!

Now that I have your attention, please if you haven't yet, pick up a Baby bottle and give a generous amount. Return it to the church. If you want to give to Pro-life, this is one way.

Also, for many years, the Knights of Columbus has had councils throughout the order to do an annual Tootsie roll drive. The money collected goes to the mentally challenged organizations like ARC and MorningStar schools. We are in the process of finding a date for our event.

We also are in the process of raising funds for an Ultrasound machine. A committee has been formed, and we will

be holding a strategic meeting soon to gather ideas and plans to collect the funds needed to purchase the machine. If you have not already been called on and would like to participate in the meeting, please text Dan Arndt at 850-207-8779.

A time ago, our Council wrote and voted on a resolution for the Knights of Columbus to have the motto "We are Knights, and we are Pro-Life ". It went to Supreme and agreed that it could be used in correspondence between the members. So, we use it in our newsletter frequently. We use it because it is TRUE!

2026 Council 7027 Awards Scholarships!

This year Council 7027 Awards two college scholarships to deserving high school seniors who are members of St. Rose of Lima Parish. This is an ongoing awards program, funded and budgeted by the council and awarded through a selection committee of brother Knights.

Meeting as a committee examining their applications, the three required references as part of each application are graded individually by each of the committee members. And applicants are required to submit a 200–250-word essay answering this question. “Why I should be considered for one of the Knights of Columbus Scholarships”. And the scholarship winners are determined by averaging the scores awarded by each committee member for each part of the application packet.

The two scholarship winners for 2026 were recognized and were presented with a \$1,500 check each on Sunday, 3rd May at the 4:00 pm Senior Mass. And they were...

Kali Marsh from Pensacola Catholic High School was awarded \$1,500. She will be attending Mississippi State University and majoring in Biochemistry (Pre-Med).

Aleczander Groesche from Pace High School was awarded \$1,500. He will be attending Tennessee Tech University and majoring in Mechanical Engineering.

These are two outstanding young members of our parish and are most deserving of these scholarships. Congratulations!

Msgr. Reed's 69th Birthday Party Celebration

On a beautiful evening on Tuesday, May 26, 2026, we had 180 attendees (parishioners, friends, family) gathered at the Parish Hall to celebrate Msgr. Reed's 69th Birthday Party. There were 21 tables that were set up and were filled with people. This evening was filled with heartfelt speeches, joy, love and profound connection.

That day is not just a celebration of getting older, but it is also an occasion to pay thankfulness to God for the beautiful life and it's about spending time with people who matter most. Everyone's presence truly makes Msgr. Reed's Day extra special and memorable.

There was delicious food, fun activities, music and of course a birthday cake waiting for it to be cut. He was presented with a wine glass with ice cream that sparkled and a large cake that he cut to serve to everyone. This party was for everyone to relax, enjoy themselves and to make the most of this celebration.

We had called Debra Stafford as her birthday was that day and sang her the happy birthday song as a chocolate cake with a candle was given to her.

Msgr. Reed did the closing prayer, and he was very touched and appreciative of the many people that came to celebrate his birthday. And at the end, everyone was invited to stay if they wanted to dance to the music. Everyone commented that it was truly a successful and special event that they enjoyed.

Thank you to Analyn Mascardo and Carol Johnson that organized and coordinated it. And it was my pleasure to be the Event Host. Thank you to the volunteers - Ladies Auxiliary - Debra, Jean, Diana and Mike Stafford's two grandsons, Ivan and Kenneth, for helping to set up the parish hall. Knights of Columbus - Arturo was the bartender

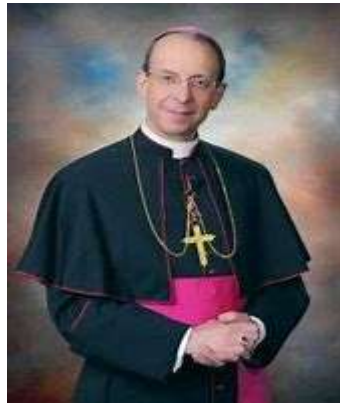

and David Lambert was the photographer. Thank you to the other Ladies Auxiliary ladies that helped in the kitchen and set the buffet line. Thank you attendees for taking time to be there and bringing that special food to share with one another. And thank you everybody that stayed to clean up.

Cesar Mascardo PGK/DD1/RA1/FN, Event Host

Supreme Chaplain's Challenge

by Archbishop William E. Lori

"[W]hoever does not take up his cross and follow after me is not worthy of me." (Gospel for June 28, Mt 10:38)

Our fallen human condition involves a measure of suffering and trials. Our commitment as disciples of Jesus, Scripture tells us, necessarily means taking up our own crosses willingly. God will grant us the strength to endure all trials if we remain faithful, and our suffering can prove redemptive if we accept it and unite it to the passion of Christ. This doesn't mean we can't take steps to alleviate our suffering, but we are called to courageously bear our crosses, even when faced with persecution, and to thereby participate in the saving work of Christ.

Challenge by Supreme Chaplain Archbishop William E. Lori:

This month, I challenge you to pray the Divine Mercy Chaplet each day with the intention of uniting your daily sufferings with Christ's passion and in solidarity with all persecuted Christians around the world.

Questions for Reflection:

Do you carry your cross willingly, or do you feel it is forced upon you? Where do you turn when you need help with the weight of your cross? To prayer and the sacraments? To your family, friends and brother Knights?
