Words of Wisdom from our Grand Knight

Getting to YES

When I was leading sales with Sysco in Miami, we developed a Sales Training Program which gave our new sales associates the tools they needed to be successful. Our training program was so successful, that our Corporate Office took about 80% of it to call their own. A few years later, when I received a promotion to lead an Operating Company with Sysco, one of the things which I took from Miami to the Shenandoah Valley of Virginia, was the Sales Training Program.

This training program taught three very important things: 1) know your Company, 2) know your Market and 3) know Yourself. Like with most major corporations, we started with the basics. We taught them that there are five types of customers:

- Suspects
- Prospects
- Customers
- Clients
- Advocates

The suspect phase is simple and was accomplished by simply driving up and down the streets or by looking in phone books which we had back then. The prospect phase was a bit more difficult and each suspect had to be qualified. Once a prospect responded with a yes and became a customer with their first order; the rest followed. Repeat customers are considered clients and if our sales person and our company did a great job for that client over the long term, the client became an advocate. He would recommend us or our sales person repeatedly.

We can use the same approach for recruiting new Knights. But before we get to the membership process, the first and most important step is to have a great recruiting leader. In our case, our Membership Chair is John Canevari. He is eminently qualified to hold this position and to recruit a Membership Team to pursue new potential members. When you talk with John, you will find out that his time with IBM was such that he identified, interviewed, hired and trained successful sales people. Step One accomplished.

Step Two is almost as easy as his “helpers” are YOU. In moving from Prospects to Customer, you have to satisfy a need for that potential customer or prospect. It typically takes five to seven sales calls to find the best avenue on how to close the sale. What most people fail to realize is that each prospect has a different hot button and a different reason to say yes. Our recruiting process is no different. This is why it is important that we band together and help each other recruit. We know already that each of us joined for a different reason, a reason very specific to us personally. Our prospects are no different.

By working together in groups, we have the ability to identify our prospects “why” for convincing him to join, and for the best qualified Team Member to step in and close the sale. For some people this is “getting to yes”, I suggest that it is when we get to answering their “why”. Once we identify their “why”, we can move to explain the various ways that would support our prospect’s “why”.

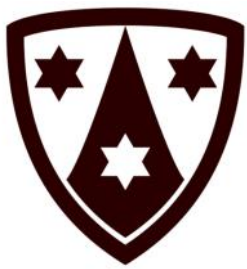

As I said earlier, YOU are the clients and the advocates. Your personal experience is the most important tool in being able to fully satisfy any potential member’s “why”. “Why should I join?” By using Teams of Knights, we really are portraying our culture. You have already made the decision to join and this typically is one of the questions that prospects ask when comparing their “why” to our offerings, or your “why” from years ago. This is what is important to our prospect and his “why”. It is important to him, just as it was important to you years ago.

As we continue John’s annual plan, we must search for those men who would add to our culture, add to our membership and add to our success. In closing, let me challenge each of you by strongly urging that each Knight help recruit one new member this year; and again next year, ...

Vivat Jesus!

Chaplin's Reflection

Sir Knight Fr. Anthony Armstrong

As the KofC website rightly points out, "Members of the Knights of Columbus, be they Americans, Canadians, Mexicans, Cubans, Filipinos, Poles, or Dominicans, are patriotic citizens. We are proud of our devotion to God and country, and believe in standing up for both. Whether it's in public or private, the Knights remind the world that Catholics support their nations and are amongst the greatest citizens."

An important part of the founding of the 4th degree was to counter the false charge that Catholics were not patriotic, even to the extent that they were out to undermine the USA. The belief was that you couldn't be patriotic and a Catholic. Even before John F Kennedy was elected the first Catholic president there was a lot of anti-Catholic bigotry going around about how he would be at the pope's beck and call, and things like that.

As I shared last month, patriotism is something that, as with everything else, is good when it is in a healthy balance. It is right and just to be patriotic about our country, or the country of our birth, but not to be nationalistic. As Pope St. John Paul II said in his last book, *Memory and Identity*, "Whereas nationalism involves recognizing and pursuing the good of one's own nation alone, without regard for the rights of others," he wrote, "patriotism ... is a love for one's native land that accords rights to all other nations equal to those claimed for one's own." "Patriotism is a love for everything to do with our native land: its history, its traditions, its language, its natural features. It is a love which extends also to the works of our compatriots and the fruits of their genius." So, patriotism is a good and healthy thing to have!

Whilst each country where the Knights have a presence has its own version of the 4th Degree Exemplification Service, each exemplification service focuses on the history of the Knights and of the Catholic Church in that particular country. But, although the exemplification service is different the goal in every 4th degree is the same: to be an active, patriotic citizen who is proud of his Church and proud of his country and who stands up for both.

I still remember, all those many years ago, when I made my own 4th Degree, being struck by the blessings of living in this country, of the natural beauty of the land, of the rich history of our nation, of the growth and progress that has been made in so many ways, and of the way that Catholics have been at the forefront of that change and growth. It continues to be both an inspiration and a challenge to me to grow in true and healthy patriotism, to continue to build up the country we love as our predecessors have done. They have done much, let us continue the job they have started.

Prayer for the Canonization of Blessed Michael McGivney

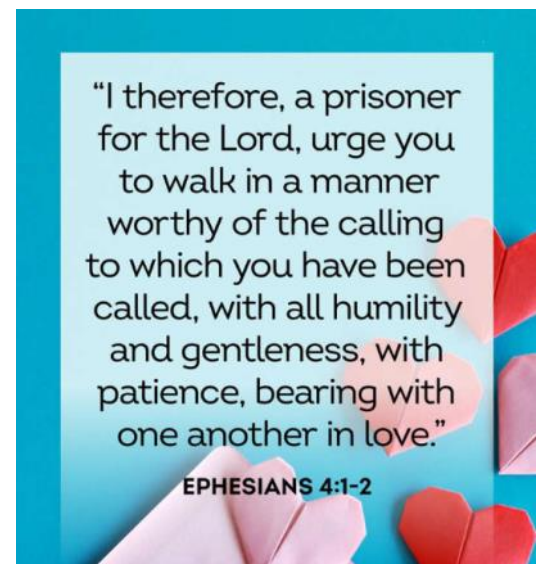

Founder of the Knights of Columbus

God, our Father, protector of the poor and defender of the widow and orphan, you called your priest, Blessed Michael McGivney, to be an apostle of Christian family life and to lead the young to the generous service of their neighbor. Through the example of his life and virtue, may we follow your Son, Jesus Christ, more closely, fulfilling his commandment of charity and building up his Body which is the Church. Let the inspiration of your servant prompt us to greater confidence in your love so that we may continue his work of caring for the needy and the outcast. We humbly ask that you glorify Blessed Michael McGivney on earth according to the design of your holy will. Through his intercession, grant the favor I now present (*here make your request*). Through Christ our Lord. Amen.

Florida Bishops Oppose Extreme Abortion Amendment **Vote No on Amendment 4**

Florida Amendment 4, which will appear on Florida's November 2024 ballot, is an extreme proposal that legalizes full-term abortion with no protections for the preborn child, including when the child is capable of feeling pain. This proposed amendment to our state constitution would prohibit all restrictions on abortion before viability and create a broad exception that any healthcare provider could exploit to allow abortion up to birth.

Furthermore, the amendment would effectively overturn or seriously jeopardize common-sense state laws that have regulated abortion for years. These include basic health and safety requirements for clinics where abortions are performed, requiring a physician to perform abortions, informed consent requirements, laws limiting public funding of abortion, and parental consent requirements before a minor's abortion.¹ These risks demonstrate the extreme nature of the amendment.

We urge all Floridians of goodwill to stand against the legalization of late-term abortion and oppose the abortion amendment. In doing so, we will not only protect the weakest, most innocent, and defenseless of human life among us but also countless women throughout the state from the harms of abortion.

Human life is sacred. The dignity of the human person is the foundation of a moral vision of society. Direct attacks on innocent persons are never morally acceptable, at any stage or in any condition. In our state, human life is repeatedly being destroyed by abortion. Over 84,000 vulnerable and voiceless children were aborted in Florida in 2023.

This matter concerning the respect for human dignity and the fundamental value of human life is of grave importance to both our Church and our state. The threat of abortion remains our pre-eminent public policy priority. Therefore, we support a coordinated campaign to mobilize against the proposed amendment. To this end, we offer this prayer to defeat Amendment 4:

Ever-living God, you give life and desire a future for all your children. Take hold of our nation, state and community and awaken in every heart awe for the gift of life. Send your Spirit to strengthen us with wisdom and fortitude as we defend mothers and children in Florida from laws that disregard their health and safety.

Mary and Joseph trusted in you and welcomed Jesus into our broken world. God Almighty, we ask their intercession to protect the preborn and their mothers, and to guide all parents in raising their children. May they help us build a civilization of love by upholding the sacredness of life and accompanying pregnant women in need.

We ask this through Christ, our Lord. Amen.

Our Lady, Mother of the Family, pray for us! St. Joseph, Protector of the Unborn, pray for us!

¹ Florida law distinguishes between parental *consent* prior to a minor's abortion (Ch. 390.01114(5) which would be invalidated by Amendment 4 and parental *notice* of a minor's abortion (Ch. 390.01114(4)), which would be retained.

The Virtue of Hope

October is the month of the Rosary. The three Divine Virtues are: Faith, Hope, and Charity. I will focus on the virtue of hope in this writing.

The older or archaic definition of hope is, “a feeling of trust”. Certainly, when we think of hope as a feeling of trust, we would want to pray for an increase in hope. Increasing our trust in God can only have good consequences. But it is hard to trust in God. And it is easy to say that we trust in God, it is another thing to put that trust into action.

You have all experienced at some point in time in your life a moment when you had to place your trust in another human being. Maybe it was the pilot of the aircraft you flew on recently, or it was the driver of the car passing you on the road, or a cashier at the grocery store giving you change. You are providing trust in these people to do their tasks without there being an unsatisfactory result for you.

Now let's consider that classic trust exercise that people do for team building – where you have a participant turn their back to their colleagues and fall backwards waiting to be caught. This act of trust puts all of us into an uncomfortable space. When you are facing away from the crowd, doubt starts to seep in with thoughts of you weighing too much or they aren't ready for you when you fall or that they will even let you fall on purpose. It is scary to trust. It is hard. It is not in our nature to freely give our trust. But God trusts us! He gave us free will. What an act of trust! He chose to let you decide if you want Him in your life. And we could all say “NO”.

Abraham didn't say “No”. He took Isaac up on the mountain and was prepared to sacrifice him. Knife in hand, he was stayed by God's angel. Wow, that is trust! I see why he is the father of faith.

God wants us to trust in Him. The more we trust in God, the closer we will be to the path that He has chosen for us. It is not easy to trust God, but it is rewarding. So, the next time that you are praying the rosary, when you come to the first three beads for an increase in Faith, Hope, and Charity, remember that the increase in hope is not just an increase in a wish, but rather an increase in trust that God will deliver on all His promises.

The Giving Tree Ministry supports Catholic Charities at Our Lady of Guadalupe Social Services in Immokalee. The ministry was an outflow of food donations started when our parish was established in 2001. The ministry provides **OLMC** parishioners an opportunity to share their blessings with the needs of those in need and migrant families at Christmas time.

Originally the ministry was under the direction of parishioner Jo Kilgallon. Jo passed it on to late Sir Knight Bob Kelly, a charter Council member, and his spouse, Sue. In 2018, the Kelly's passed the torch to PGK Tony and Diana Hopfinger. Since the formation of our Council in 2013, the council has been involved with this effort. The Giving Tree ministry begins the Saturday after Thanksgiving. The tree is set up in the narthex and is decorated with over 500 tags that read "boy" or "girl" plus a range of ages. Parishioners are asked to take a tag and return it with a toy or gift card for that child.

Last Christmas our parishioners donated over 877 items including 62 bikes, 57 Pack 'n Plays, and 25 leaf bags containing toys and clothing. Over four thousand dollars' worth of gift cards were donated.

Each year a group of our Council members load these donations into a U-Haul truck. Father Anthony accompanies Tony as they deliver the donations to Immokalee. Delivery of the gifts is timed to support Our Lady of Guadalupe's parish Christmas party.

This year the truck will be loaded on **Tuesday, December 17th following the 8:00 am Mass**. Knights bodies are needed. Please consider volunteering for this worthwhile ministry.

Prayer to Our Lady of Mt. Carmel

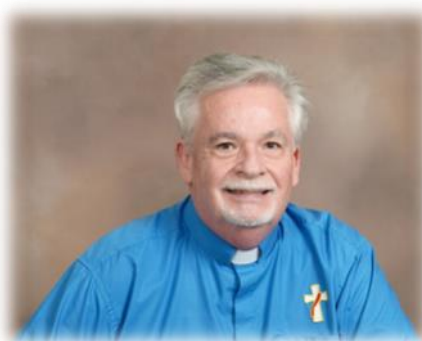

O Most beautiful flower of Mount Carmel, beautiful vine, splendor of heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in this my necessity.

O Star of the Sea, help me and show me herein you are my mother.

O Holy Mary, Mother of God, Queen of heaven and earth, I humbly beseech you from the bottom of my heart, to succor me in this my necessity; there are none that can withstand your power.

O show me herein you are my Mother. O Mary, conceived without sin, pray for us who have recourse. Sweet Mother, I place this cause in your hands.

Amen.

Meet Kathy

I know most of you know me as the quiet, shy, President of the Ladies Auxiliary. Okay, stop laughing! From elementary school through my junior year in high school, I always, unless assigned, sat in the middle of the classroom, hopefully to blend in, and I NEVER raised my hand. Well, all that changed when as a senior I had as my social studies teacher Sister Gonzalez, AKA Sister Godzilla. She decided to shake things up and move students around (believe it or not this happened the day after a Parent/Teacher meeting!). Sister moved me first row right in front of her desk. Every day she called on me at some point to stand and discuss a home assignment or add to a classroom discussion. God, I thought I would never live through that year, but I did, and I came out a much better person. I am still nervous before every Auxiliary meeting, but once I am up front, I love it. Of course, it is easy when you are in front of the best group of ladies who have supported and encouraged you over the past year.

I love being involved in our church. I co-chair on the Funeral committee. I am a Eucharistic Minister. I was very involved with inputting and scheduling of pictures for the Church Directory. I am on the Event Committee; I usually help at every event the church and the Knights sponsor, and I help with the wine and cheese every month after Saturday vigil mass (I was one of the first to volunteer to help with this project, I think it had something to do with the wine!) . Recently, I joined the Ministry of Arimathean. But I am not all church and no play, I love playing Chinese Mahjong in my neighborhood, and I teach it as well. I belong to a ladies Bible study group. I am a member of the Out & About Social Club, and like most women, I love going shopping and having lunches out with my girlfriends!

Stewart, my wonderful husband of 55 years, and I enjoy traveling. In our travels I have flown in helicopters, rode a camel, traveled inside a pyramid, and walked on a glacier, just to name a few things we have done. We just came home from Japan October 6! I have two beautiful daughters, two outstanding son in-laws, and three of the best grandchildren any grandmom could ever ask for, and my little girl, Izzy, our two-year old Maltese. We moved to Florida 10 years ago, and I love it here. I was born and raised in Baltimore and I don't miss any of those cold wintery days. We have made great friends here and I love entertaining in our home.

I hope in conclusion, that I have opened up myself to you, and you know me just a little bit better.

WHAT IT MEANS TO BE A KNIGHT

We are Catholic men who lead, serve, protect and defend. We share a desire to be better husbands, fathers, sons, neighbors and role models and to put charity and community first.

Are you a practicing Catholic Man and over the age of 18? Are you new to the parish or a part-time resident and want to meet other men who share your values and interests? If you answered **YES** to these questions, we invite you to :
