Words of Wisdom from our Grand Knight

REPETITION

Brothers of Council 15821, Greetings and Blessings to Each of You,

I have had quite a few Brothers stop and comment about my remarks which I made at our last Council Membership Meeting. Surprisingly, it has all been positive. So, since repetition is definitely an aid to positive reinforcement, let me state a few things again.

First, and most importantly, I am very proud of what we do for the size of the Council which we are. None of us should take a back seat to our two larger brother Councils in the Venice area. We currently have 107 members and they provide an inordinate amount of assistance to our parish. Our goal for growth this year is six (6) new members. We have met that goal with a couple to spare. We will continue with our final Church recruiting weekends in April 5-6. As an old United States Marine commercial stated, we “are looking for a few good men”.

Typically, most of our new members, new Brothers, are recruited by current members. I trust the judgment of our members in bringing their friends and acquaintances to become Knights. In addition to the friends of our members, we need to recruit from men who attend weekend Mass. That is a very strong trait to use in searching for new members. I think that we have the ability to find a few good men yet this year and a few more next year.

Our main purpose in recruiting new members is to share the benefits of belonging to the Knights of Columbus and Council 15821, and for fraternity. As I stated earlier, our Council does a lot of good work for Father Anthony and for our OLMC Parish. During our last Exemplification, many of our new Brothers told me that one of the reasons that they joined was how helpful we are to the parish. I think that is a great reason; that being charity of time. The “We” in the former sentence, I guess, is also defined as unity.

While we typically have more help that we need at events involving food, there are other times that we never have enough help ... specifically selling tickets to all of these events involving food. And, there are a few other things where we need a bit more help from time to time. That is specifically why I asked each of you who is not already very, very busy, to consider doing one more thing to help our Council and parish with your time. Again, this is a request for TIME; not money.

I do want to thank you for what you do to help. If you are doing all that you can, I accept that, and thank you. If you can help with one more thing at some time during the year, please consider volunteering. The adage that many hands make for light work certainly applies to us.

Vivat Jesus!

The Ultimate Test

One night, four college students stayed up late partying, even though they knew they had a test the next day. The next morning, they came up with a plan to get out of having to take their test.

Each student rolled around in dirt and then went to the teacher's office.

They told the teacher that they had gotten a flat tire the night before, and they spent the *entire night* pushing their car back to campus.

The teacher listened, and to the students' delight, he offered a retest three days later.

On the day of the test, the students went to their teacher's office. The teacher put all four of the students in separate rooms to take the test. The students were okay with that because they had been given a chance to study.

The test had 2 questions:

- 1) Your Name _____ (1 Points)
- 2) Which tire was flat? _____ (99 Points)

Front Right Front Left Back Right Back Left

The Moral:

Aside from making wise decisions, **you always need to**
take responsibility for your actions.

This means not blaming other people for your mistakes, not complaining about the reality of the present moment, and not giving in to other people's pressure.

The Holy Shroud

My first exposure to the Holy Shroud came from one of my grade school teacher/nuns when she gave me a copy of "A Doctor at Calvary" written by Dr. Pierre Barbet in 1950. His research proposed that Jesus Christ was nailed to the Cross through his wrists and not his hands.

My second encounter came in 2015 with the meeting of J. Wayne Phillips, M.D., a practicing allergist in Clearwater, Florida. He is a member of several scientific organizations. He is a nationally certified speaker and has given many presentations on the Holy Shroud. You may enjoy his multiple videos on You tube or you may google him at "shroud-Phillips." His presentations noted below will leave you with about 99% validity on the Holy Shroud.

As we enter our Lenten season, may these Shroud resources provide you with opportunities and occasions to meditate on the Passion of Jesus Christ as depicted on the Holy Shroud. Everything found on the Holy Shroud is further verified in the Gospels. Modern science is unable to duplicate the images on the Holy Shroud.

Silver Rose Program

Join thousands of Catholics across North America in asking for Our Lady of Guadalupe's intercession through the Silver Rose program.

Friday Feb 28th , 2025

Friday, February 28th, Council 15821 and OLMC were honored to host the Silver Rose Ceremony commemorating the running of roses by the Columbian Squires to the Basilica of Our Lady of Guadalupe honoring the Patroness of the Americas, which began in 1960. We had 23 Knights along with 20 parishioners who offered prayers to Our Lady asking her to assist us in creating "A Culture of Life" from conception to natural death. The motto of "One Life, One Rose", represented by the beautiful Silver Rose Icon, helped us focus our Prayers on the culture of life. The production of this event was truly a team effort. SK Ron Balaze and Br Darwin Reeck lead us in the Rosary, while SK Lou Nagy and Sk Tony Hopfinger conducted the Act of Consecration portion of the ceremony. Most importantly, Father Anthony gave a beautiful sermon during the Liturgy of the Word. The Knights on Bikes were kind enough to transport the Silver Rose Icon to and from Our Lady of Mount Carmel. We would also like to thank Susan Leary for providing the music that enhanced our ceremony, and SK Rob Wucki who photographed the event. Immediately following the ceremony, Council 15821 had a coffee and donut Fellowship event in Café Carmel hosted by SK Dennis Pavlock and Grand Knight Chuck Donelson. Hopefully we will be able to conduct this ceremony in future years as the Silver Rose makes its annual pilgrimage across the United States.

Congratulations & Thank You

On Sat Feb 22nd Assembly #1818 honored our own

Terry & Susan Leary for their service to our Country in the US Navy.

A Family Prayer

Heavenly Father, thank you for the gift of our family. Enlighten our hearts and minds that we may live more fully this vocation to love.

In our daily life and work,
May we reflect the self-giving love which you,
O Father, eternally show with your Son
and the Holy Spirit.

Let your love be evident in the peace that reigns in our home and in the faith, we profess and live. May our family always be a place of generosity, understanding, forgiveness and joy.

Kindly give us the wisdom and courage to be witnesses to your eternal design for the family; and grant that the Holy Family of Nazareth may always guide our path to holiness as a family.

We ask this through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, one God for ever and ever.

Amen.

IMMOKALEE REPORT

David C. Strout

March and the Lenten Season is upon us, and I am again pleased to report that our Knights delivered 3300 pounds of food to Our Lady of Guadalupe in Immokalee. At \$2.50 per pound, this food has a monetary value of \$8250.

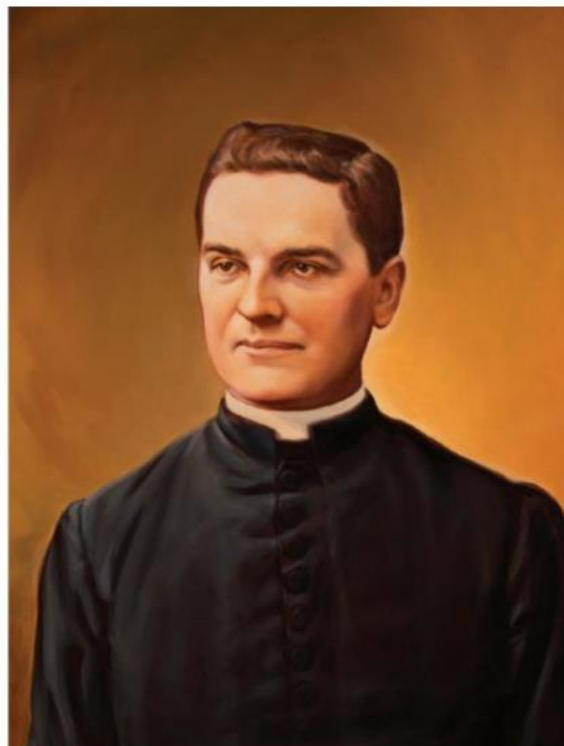

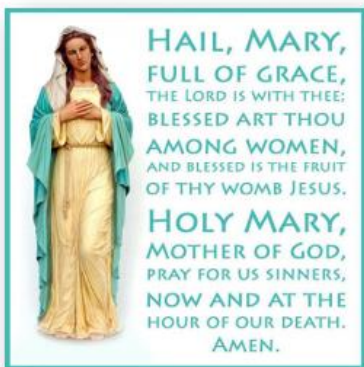

In addition, the Knights received \$1413 in monetary donations for a combined value of \$9660. These figures are a testament to our unfailing parishioners and their selfless generosity. Our annual donations were just shy of \$90,000 worth of food, toys and monetary donations.

I have done extensive research on this issue. There are donation facilities that donate food, toys or money; but not all three! According to my findings, I can state with assurance that not only are the Knights of OLMC the leading donator of **all three of these items** in the State of Florida, but *(until I am proven wrong)* we are the leading donator of these three items in the United States.

The Knights of Columbus Council 15821 thank you all for your continued support and generosity... THANK YOU.!

Prayer for the Canonization of Blessed Michael McGivney

Founder of the Knights of Columbus

God, our Father, protector of the poor and defender of the widow and orphan, you called your priest, Blessed Michael McGivney, to be an apostle of Christian family life and to lead the young to the generous service of their neighbor. Through the example of his life and virtue, may we follow your Son, Jesus Christ, more closely, fulfilling his commandment of charity and building up his Body which is the Church. Let the inspiration of your servant prompt us to greater confidence in your love so that we may continue his work of caring for the needy and the outcast. We humbly ask that you glorify Blessed Michael McGivney on earth according to the design of your holy will. Through his intercession, grant the favor I now present *(here make your request)*. Through Christ our Lord. Amen.

His Mission

As we approach Founder's Day (March 29), we may consider Father Michael McGivney's unique qualities of character. Of all the priests of his day, why was he the one to found the Knights of Columbus?

He was a man of both prayer and action, as practical as he was spiritual. A priest who knew him wrote that he possessed an "indomitable will" as well as a tender concern for others.

Mix these factors together, and you get a man on a mission, a priest who saw a need among his people, prayed deeply for God's guidance, thought and planned out a solution, and moved forward with confidence to accomplish the goal.

March 29 marks the 143rd anniversary of the Knights of Columbus. It started with a handful of men in New Haven, Connecticut, with the simple goal of keeping men and their families close to the Church amid anti-Catholic bigotry, and to provide a death benefit for widows and orphans when a wage earner passed away. Today, more than 2 million members throughout the world are still fulfilling the mission set out by Blessed Michael McGivney, who continues to care for his Knights.
