Navigator's Log

Ladies, Brothers and Patriotic Sir Knights,

Fr. Raymond in his homily during the 5th Sunday of Lent showed us that it is our sacred mission to carry out our Faith and our state-in-life responsibilities through action. God let's us do what we can do, and God, does that which we cannot do.

Deputy Grand Knight's Message

Dear Brothers,

“Easter changes us. It calls us forth from darkness, from our past faults and failings, and it breathes life anew into our spirits. Lent is not easy, but is it not moments of great difficulty that can call forth a more profound trust in God and in His plan for us?

How did Lent change you? How now does the joy of Easter change you? How does your heart grow stronger in Christ as you recognize where you were before Lent and where you are today? How do we trust more in the joys of the Easter season as we reflect on the challenges of Lent? Most importantly, how do we continue to let our hearts be transformed by Christ throughout this Easter season?

May we always come to Christ patiently holding his hand, running wildly with excitement or twirling about in amazement of His Love.

Happy Easter.”

District Deputy Message

Worthy Brother Knights,

March was pretty busy. Started the month with Brevard Laps for Life at MCC track. March 15 was the semi-monthly District Deputy/Grand Knight meeting. We culminated the Free Throw competition with the State Free Throw competition on Saturday March 18. The icing on the cake was the culmination of the installation and dedication of two ultrasound machines at the Pregnancy Resource Center on W. Hibiscus Blvd in Melbourne. This was the work of the District 30 council's raising funds over several years.

The Laps of Life was held at MCC and was a success. We dedicated not one but **TWO** Ultrasound Machines to Pregnancy Resources. We pray that these Machines save as many unborn babies as possible.

The State of Florida possibly will be passing a bill that bans all abortions after 6 Weeks (Senate Bill 300). We are getting closer to an outright Ban on ALL Abortions. Patty and I hope everyone has a Blessed Holy Week.

Ladies Auxiliary News

Dear Ladies and Knights,

We've sadly said goodbye to another beautiful lady, Marietta Janutolo in March. She was a long-time member of the Ladies Auxiliary and always willing to help, even when her health became so bad. She will be greatly missed.

We're looking forward to our Basket Luncheon this month which is always a lot of fun.

Letters have been sent for our Annual Bakeless Cake sale so please remember to send a check. We're looking for \$500 to help an Eighth-Grade student from St. Joseph School who will be attending MCC in the Fall. You have always been so generous and we really appreciate you!!

Our Nominating Committee is formed and ready to find some great Ladies to step in if interested in a position on our board. Just let us know if you'd like to try. Our only requirement is that you must be able to attend all meetings with very few excused absences please. Our election will take place at our May Social meeting.

Spiritual Notes - Deacon Frank

Easter and the Lenten vows of what you will give up and did not make it! Well, this is not really about what you did or didn't do! It's about what God wants us to do! To open our eyes to others and what they may need to survive! To make it through the dark days of life. Let me tell you a story that came about a few weeks ago. But before that I was in the Hospital for a few days with a bad bout of not breathing well! But this story is about the "Beatitudes". But don't let me get ahead of myself on this. Somehow I get a thing on my computer called neighborhood. I guess it goes to thousands in our area. A woman who said, she was 47 and homeless and lives in the woods and has not eaten in two days. I felt that no one should starve in our country.

While millions are being cared for high on the hog just for sneaking across our boarder and demanding all sorts of things? So as a deacon of 43 years the beatitudes came to mind! When I was hungry you fed me! When I was naked you clothed me! When I was homeless you helped me! Well, that's not one but it helps. So, I collected and got all the canned goods I could and brought it down to her. She said someone stole her clothes and cut up her tent and now she's sleeping on the ground under the stars. I bought her some new clothes at BJ'S I ordered her a new tent on Amazon.com a sleeping bag and a foam mattress for in the tent. Sterno and a small Sterno stove to cook on instant coffee milk cups and sugar! Then she was on her own I did not want anyone to become dependent on me! She sent pictures of the tent up and it looks great. I asked her just what your going to ask me. Where do you charge a cell phone? Well, she lives behind an apartment complex that has some outside receptacles and she goes there at night to charge her phone. Why did I do all this plus give her some money? Because if Mary came to my door in rags and said I'm hungry! Would I say sorry no food, no room at the Inn! And where is this person reside in Palm Bay? In the woods? As close to the Knights Hall as you can get! Is there ever leftover food, is there ever any clothes that these people can use there is a few more people living there. Why are they in this situation? How did they get there? I don't know but they are there! Could it happen to us, I would think there could have been a chance! Jesus gave us one more addition to the beatitudes, and that is LOVE YOUR NEIGHBOR AS YOU LOVE YOURSELF! Not easy at times but God gave us what we have and some folks have maybe mental problems and can't get out from under the strain. If you feel a bit of compassion for others then instead of saving the leftovers and giving them to each other after meetings drop the off for the hungry! The ones that stay in the woods that you don't see! "If you don't see it won't bother you!" Sort of like Abortion, wouldn't you say? Their entrance is where the sidewalk starts by the Garden supply place on Babcock St. Heading North after you cross I-95 on the right! And so, I ask you as God will one day "What did you do for the least of mine?" What will you say?

Easter Blessings

As we roll through the first full month of spring, we celebrate Easter with thoughts of gratitude for the gift of new life. The Resurrection and thoughts of our Savior's sacrifice and triumph over death are fresh in our minds and hearts. The dreariness of winter and Lent fade away with April rains that seem to have their own scent. All nature seems in bloom. Trees barren not long ago are now budding and flowers begin to poke through the warming soil. For many, it's their favorite season of the year.

Along with everything else going on in April, it is also Autism Awareness month. The Autism Speaks website (www.autismspeaks.org) contains much more information that I can give you here. Autism has been more widely discussed and better understood in recent years. Although the TV show "The Good Doctor" portrays a doctor who has autism, those with Autism Spectrum Disorder exhibit a broad range of characteristics. Many have much less functionality than the doctor portrayed on the show. I mention this because many of us know of someone who is on this autism spectrum. If diagnosed early in childhood and intervention begun, those with autism may still live a relatively normal life. However, many with autism struggle and have other complicating medical or psychological issues and need much support during their lives.

That's where the Knights of Columbus Family Fraternal Benefits may be able to help. The Family Fraternal Benefits cover a number of situations. One benefit addresses the child who is older than 60 days and younger than 18 and is uninsurable according to our ordinary underwriting practices. Many children with autism as a primary or secondary diagnosis fall into this category...uninsurable. For those children, the Order has a special family fraternal benefit that allows the issuing of an ordinary permanent life insurance policy on this uninsurable child. Some members may be unaware of this benefit, but it's great news for any parent with a child who does not qualify for life insurance. There are some other qualifiers for the parents and any other children in the family, including that the father must be a member in good standing in his council. I won't go into the others here, but this is a very worthwhile benefit, not only for those children with autism, but for any child who may be uninsurable.

If you know of a Catholic family that may have a child with autism or any family with a child who is uninsurable, please reach out to me. They may be unaware of this benefit. I will be happy to contact them explain this valuable protection that is available. If you prefer, give my name, and contact information to that parent so they can contact me at their convenience. As always, there is never any requirement to purchase any product, but a consultation about this benefit may bring them some small comfort.

As always, thank you for the opportunity to serve you, my members. Enjoy your spring!

Vivat Jesus!

St. Patrick's Day dinner dance March 11th – Pat Farrelly

We opened the doors of the hall at 5 pm for our St. Patrick's Dinner dance. And there was a lot of celebrating from Knights of Columbus council 7408. We had a great time feasting on Corned Beef and Cabbage, chicken carrots potatoes and salad. The hall was decked out in Green. Of course, Pat Farrelly and his crew put in copious hours of work to make the event happen. DJ Mark, and Pat helped to MC the event. We had a performance by the extraordinary talented Space Coast Highlanders Bagpipe band in between dancing, drawing for prizes, and our 50/50 raffle. As you would expect, we had a large group of volunteers to make the St. Patrick's Day dinner dance a success. Everyone chipped in at some point.

The Knights of Columbus State Free Throw Challenge was held at the MCC on March the 18th

The competition was fierce for the state championship title. All of the age groups were well represented. Contestants traveled from as far away as Key West to compete at the state championship. A couple of our local student athletes competed but came up short. We are very proud of all the athletes who competed, and grateful that their parents made a herculean effort to get them to the completion.
