Grand Knight's Message

Worthy Knights,

It's August already and what a July it has been!

We started the Fraternal Year with the Fourth of July Parade and great Picnic sponsored by the Fourth Degree Assembly. Both were well attended and all had a great time.

This was followed by the Installation Officers. Thanks you to those who attended to show support for your new officers. Please come to the meetings as we move forward with our mission and activities.

Last week we performed an in person Exemplification of the First, Second and Third Degrees. Congratulations to our new Knights Ed Henry and Tony Tungol as well as First Degree Ron Vallaire who completed his Second and Third Degrees.

We have four more approved candidates we are working on completing their degrees in August. We will be working a Membership Drive once we get approval. Think of who you may know who may be a good candidate to be a Knight.

We are forming Sunday Coffee and Doughnuts Teams that have been requested by the parish. This is a perfect venue for visibility and to speak to prospective candidates about the Knights. A number of you have expressed interest in doing this. If you are please see me. We will get a tally at our next business meeting.

Congratulations to Joe Giesler, Knight of the Month and to James Krempasky and Shirley Hollink Family of the Month. Thank you for your dedication and efforts in continuing to keep our council successful.

We are also setting up a calendar meeting with the parish to coordinate activities this year.

On a personal note, I am very excited on becoming a part of the Fourth Degree Color Guard and have my uniform. See Faithful Navigator Terry Galvin or Ron Hoenig Color Guard Commander if interested.

Finally, we must continue to pray and support each other in fraternity as Knights, especially those and their family members are in need as they are experiencing pain, suffering and loss of loved ones as well as the loneliness experienced during these times.

Vivat Jesus, Mike Deschaine

Navigator's Log

Sir Knights, Worthy Brothers and Sisters,

Gather Family and friends and pray for God's blessings for a fun-filled summer ending with our Fall Family Picnic at Paradise Beach in Indialantic on Sunday, October 17 from 10:30 am to 5:00pm under the large pavilion. There will be plenty to do for the whole family Fish, Swim, Eat, Relax and Listen to Music. More to be announced. Please attend our next planning meeting Scheduled for 6:45pm at the Hall Thursday, August 5th prior to the 4th Degree meeting and lend a hand. SK Tom Tremblay is the Committee Chairman. We need volunteers to assemble prizes for all of these upcoming events.

Please see the attached flyer for our Annual Country Western Dinner and Dance at the Hall Saturday, September 18th doors open. Entertainment by Steve Cowden and Southern Thunder.

Get your tickets for the Saturday August 14th Hawaiian Pig Roast Dinner and Dance. Some of the funds from all of these fun-filled events will go towards the much-needed parking lot resurfacing.

The 4th Degree is the Patriotic Degree. Patriotism is defined as love for one's Country. True Patriotism, I believe, is "an ordered love" for one's Country; in this order: Love of God, Love of Country and Love of Family; for a family's freedoms, health and prosperity is best suited in a free Country and, you cannot have a free Country without the acknowledgement of God from Whom all rights and blessings flow. Catholic Patriotism is truly American Patriotism where only Christ is and must be proclaimed King! Without Christ's Divine Kingship the foundation of Freedom is nothing but a hollow shell built upon the whim of Man to be taken away by another's whim. The bottom line: to Love God is to fight for the Freedoms of the Individual person made in the image of God for the good of the family of God.

Sir Knights, let us put on a show of our unity and patriotism and charitable love of our brothers in Christ. Become a member of our Color Corps and ask our brother Knights to Join the 4th Degree. If you are interested in becoming a member of the Color Corps, please contact your Assembly's Color Corps Commander, SK Ron Hoenig – Ron.Hoenig@gmail.com or text him at (618) 604-8664. You can order your 4th Degree regalia from <https://www.kofcuniform.com/uniform-packages>. And call them at 833-562-4327. Be sure you go to the website and click on the measuring page to get your measurements or go to a local seamstress or tailor.

Deputy Grand Knight's Message

Brothers,

We are on our way to a new year of Charity, Unity, and Fraternity. I must say we are starting off pretty good with three new members. Charity does start at home and without members to help us achieve our charitable goals we will not achieve those goals. We are all brothers and need to work together in our endeavors to be better Christians and Catholic Gentlemen. We will show our community our good works by being a strong presence in our catholic community at church, and out in the public. We will continue to help others as we always have done and work with our Pastor where needed. They will know we are Christians by our Love and our good works. I am convinced that we will meet our membership goals this fraternal year and I am looking forward to welcoming New Brothers to our ranks for we have many tasks to accomplish. The more hands we have to help will lighten the load for all of us. We need to invite others to come to our fundraisers, Friday dinners, and Bingo night because that is how we keep our house open so please be positive out there and keep the Faith. I want to remind all of our Brothers that we need to take care of our building for without our house we cannot do what we do, our hall is a blessing but if we do not support it we will lose it.

District Deputy Message

“Reach for the Stars”

Wow!! Where to begin? Worthy brothers all, it is with great pride that I have been selected to become the new District Deputy for District 30. I am looking forward to working with each of the Grand Knights, officers and council members in our District. At the Florida State Council Organizational Meeting July 16 & 17, all 82 District Deputies spent two long grueling days listening to presentations and learning what it takes to be a successful District Deputy. Friday we began at 1 PM and with 1 short break and time for dinner ending the day at 9 PM. The following morning began at 7:45 AM with Mass, and a continental breakfast followed by the opening session at 9 AM. We continued throughout the day with a short break and time for lunch. Presentations continued until 5 PM. At 5:30 PM we met for Mass and the swearing-in of the new District Deputies and received our District Deputy jewels. About 7 PM we packed our bags and headed home full of excitement and anticipation of the year to come. If you want to experience some of the presentations go to Floridakofc.org, then in the blue horizontal field click on Org. meeting presentation.

As far as the goal I have set for myself and the District this coming year, 1st and foremost I hope to continue the 5 yr. streak of Star District that my predecessors have combined to accomplish. I will strive to see that each council attains Star Council and the District is awarded All Star District with all 5 councils reaching Star Council status. I know with current Grand Knights at your councils and the hard work, cooperation and talent of your council members this should happen. There are so many changes coming in the future and I will make sure your councils are made aware of these as I am informed.

Recruit, Recruit, Recruit...that is the watch word. Start now, it is never too soon.

Thank you for having me as your District Deputy and I look forward to assisting you in “**Reaching for the Stars.**”

Vivat Jesus,
Larry Davis

Pro-Life Corner

Gov. Ron DeSantis was one of a dozen governors on July 29th who filed an amicus brief urging the U.S. Supreme Court to overturn *Roe v. Wade*.

DeSantis and 11 other Republican governors wrote to support a Mississippi law before the Supreme Court that would ban abortions on unborn babies after 15 weeks of pregnancy. At issue in the case is the question of “whether all pre-viability prohibitions on elective abortion are unconstitutional.”

In the brief, the governors urged the justices to give “this issue back to the people” and allow states to protect unborn babies from abortions again. *

Please pray that God gives the Supreme Court the wisdom to see the errors of their past decisions and finally overturn the most destructive case ever, Roe vs Wade.

Ladies Auxiliary News

Dear Ladies and Knights,

The Ladies are taking a well-deserved R and R for the month of July and will begin meeting again at the regular Social Meeting on August 26th at 7:30 pm. We look forward to seeing some of the Ladies who haven't been coming out since the pandemic began.

I'd like to take a moment to pray for Bob and Wilda Karl whose 15-year-old granddaughter Maddie Karl had a massive health issue while at a camp in Washington State this past week. Things do not look good for that precious girl. Maddie will probably not be able to recover from this. Keep them all in your prayers please. This is beyond belief and there are no words...

Spiritual Notes - Deacon Frank

Have you ever thought of what we are going through these days? Really thought deeply about the way a few people are trying to change our way of life, starting with destroying our statues of our history? our faith. defacing our churches and busting up our Holy Statues! Cutting our way we pray at church by limiting our attendance! Making all this a law! Being I lived in the days of the Hitler attempt to take over the word, as the master race. The killing of innocent little children from womb to tomb. Next step in their agenda Is get rid of all seniors on Medicare and save billions all for their own self greed. The desire of power and money is the direct route the devil wants us to take. More so with the people that have been elected into office. How trough

cheating, stealing, and all for themselves. I know this article will hit a sore spot on some that voted in the group that feel it is their obligation to ruin this great nation of ours. If one would look at all the cemeteries in Europe where people from our country tried to protect others from what is happening here in our own country, socialism, communism, and the rise of a regime that will change our laws so they will never be able to be voted out of office. Look what happed to the Countries in South America? you would not want to visit there because the rich get richer and the poor get poorer and need to revert to stealing and killing to survive.

We have fought gallantly from the Alamo where they fought with guns and now they fight our freedom with people and children. Wake up and don't think just because you belong to a political party you need to vote their way or the way they want you to vote. Think for your elf. Vote as if you life depends on it, that your country, your family, the grandchildren and on! Once they get in and change things there is no getting them out! Look at Cuba, they came here on tubes over the open ocean 90 miles of open shark infested waters to be free, and now you want our great country to be like that? Stand up for freedom. It's in our 4th Degree as Knights ritual. From Bunker Hill to the Alamo to Gettysburg to the war in the Pacific to the war in the Atlantic to the Desert's and Jungles our troops have died for freedom. Don't let someone take this away with a stroke of a pen. Pray as you have never prayed before what could the future bring, the trains full of Jewish people going to the prison camps and then to the Gas chambers, HISTORY CAN REPEAT IT SELF IF YOU DON'T LEARN FROM IT. Weed the troublemakers out of the military, defund the police, take away your guns. A person with a gun is a free person, a person with no gun is a slave. How do you stand? The Marine Corps Motto is Semper Fi. (ALWAYS FAITHFUL) I stood at the base of Mt. Surabachi on Iwo Jima 1955 and looked in prayers and tears standing where so many have died fighting for freedom. The old tanks and landing craft rusting away after near 10 YEARS just laying in the sand on the beach. FREEDOM IS NOT CHEAP!

God's Love and Blessings,

Sr. Deacon Frank, Life Member 4th Degree, Chaplain.

Goals & Retirement

Here it is August already...and the summer is more than halfway over. I hope that you are enjoying some rest and relaxation!

I can't seem to pick up anything to read, whether it's a newspaper, some type of news feed on my computer, or a periodical, without finding articles about retirement. With so many baby boomers getting to that age I guess I should expect it. Articles tell me how to boost my retirement, how to save for retirement, how to use certain plans to have a successful retirement. Some of these articles talk about maximizing the money that I've saved, some talk about maximizing my government benefits, some talk about how I can lower my taxes in retirement. Some articles talk about retirement without even retiring, they say keep on working or take on a new job in the gig economy. Frankly, that doesn't seem like much of a retirement to me.

When I retire I want to do some of those things I've put off over my working years: spend more time with family, travel, get immersed in my hobbies...those kinds of things. I've begun a bucket list to keep track of all the things I'd like to do when I retire.

Here are a few of my thoughts about retirement:

1. I want to retire "to" something, not "from" something. Many believe that the rocking chair on the front porch kills retirees. Retirement means having something different to engage in, not simply sitting around and doing nothing.
2. "Begin with the end in sight." One of the seven habits of successful people as espoused by Stephen Covey. What do you want your retirement to look like? What do you want to do, where do you want to go, how do you want to continue to contribute to your church, your council, and your community?
3. Have goals and have a plan. If you begin with the end in sight, now you have to make a plan on how you want to get there. Write it down, make it happen, the book by Henriette Klauser might be helpful. A goal without a plan to get there is just a dream.

I've talked to a number of members and their spouses lately and retirement always comes up as a topic of conversation when we review their current situation. It doesn't seem to matter their age. I've had members as young as 35 and as old as 70 over the past couple of months want to talk about retirement and making sure that they're set at some point in the future. Let's face it, the 35 year old has a lot more time to plan. Time is an ally for him. As changes occur in the economy, he has time to make course corrections. He has time to contribute more to meet the family's income goals, he'll probably earn more as he progresses in his career. For the older member, time is no friend. Less time to earn income, less time to cope with the

vagaries of the economy, and topped out in earning power. The closer one gets to the planned retirement age, the more important that a strategy be in place.

That's where I can help. Our new financial needs analysis tool allows me to plug in your personal information and let you see where you stand. Are you accumulating enough funds to meet your retirement income goal? Are there ways to make sure you'll never run out of money in retirement? Is your money safe and secure, not following the whims of the market?

Let's get together and make sure you have a strategy to put you in the winner's circle.

Vivat Jesus!

Disaster relief

Consider your need for a power generator.

FPL Outage & Restoration / Safety & Electricity

FPL doesn't restore power based on when customers report an outage, where customers live or the status of accounts. Rather, they begin in multiple locations and follow an overall plan that calls for restoring power to the largest number of customers safely and as quickly as possible:

- Starting with repairing any damage to our power plants and the power lines that carry electricity from our plants to the local substations.
- Prioritizing restoring power to critical facilities, such as hospitals, police and fire stations, communication facilities, water treatment plants and transportation providers.
- Working to return service to the largest number of customers in the shortest amount of time – including service to major thoroughfares that host supermarkets, pharmacies, gas stations, and other needed community services.
- Repairing the infrastructure serving smaller groups and neighborhoods, converging on the hardest-hit areas until every customer's power is restored.
- FPL realizes how disruptive power disturbances can be to your life. If you experience an outage or repeated power problem, visit www.FPL.com/outage or call FPL at 1-800-4OUTAGE (1-800-468-8243) to report the problem.

Be cautious of downed power lines following a storm. Debris or standing water may be hiding lines that could be energized and dangerous. Stay away from flooding caused by severe weather events.
