Grand Knight's Message

My Brother Knights,

A new Fraternal Year is upon us! I Again, I am honored to serve as your Grand Knight for another year. Thank you new officers for serving this upcoming year. This coming year my message is brief.

Let us continue the good work that we have done move forward into the next year and build upon our bonds of Fraternity. Let us come together in Unity and spirit together in each others presence and joy.

One of the main missions of the Knights is to be of assistance and a right arm to the parish. This year let us build on the good work and visibility we have done this past year.

Let us also continue with all the the other good works and projects that we have built on.

Again, we need Knights to step up to make this happen. This year think of possible teams. Who can you connect with to successfully complete an event or project with....even if just one!

Congratulations to:

June Knight of the Month: Deacon Greg Kapral.

Brother Deacon Greg congratulations on your Permanent Ordination.

June Family of the Month: Ron and Judy Hoenig

Knight of the Year: Frank Altro

Navigator's Log

"Comply and America Dies" - Clay Clark

Galatians 5:1, 19-22

¹ Christ set us free, so that we should remain free. Stand firm, then, and do not let yourselves be fastened again to the yoke of slavery.

Governor Cuomo actually spoke the truth when he said, "Everything we're doing is basically voluntary ... State government, federal government, local government doesn't have the power to enforce stay-at-home orders. If 19 million people said I'm going out today, they would go out."

Newsflash -June 17, 2022 - Life Site News - Archbishop Vigano, Vatican Pro-Nuncio to the United States (Ret.) "They are trying to destroy Catholic Nations!" "We are being governed by members of a global lobby of criminal conspirators who tell us directly their plan is to eliminate us, and the whole time we are wondering why we have to wear masks on buses and not in restaurants." "Only by turning to Christ can the wicked project of the New World Order be defeated and the Holy Church be purified of traitors and renegades." <https://www.lifesitenews.com/opinion/vigano-considerations-on-the-great-reset-and-the-new-world-order/>

From News with views: *We haven't seen the end results of this panic. There's going to be a profound impact on medical care, the food supply, education, businesses, every sector of society. The economic and psychic costs will be far-reaching and many people will never recover from the impact.*

Yes, shutting down an economy as large as America's has devastating consequences

"A healthy economy requires freedom. Locking up healthy people is insanity. Covid-19 is a trial, a drill, a simulation of what the elitists want to do to America. This is part of the plan for global governance, and few people recognize the massive deception. Too many Americans have given up their freedoms, and their logic to untrustworthy and deceptive authorities." – Kelleigh Nelsen

According to the Vaccine Adverse Effects Reporting System (VAERS) there have been more adverse effects and deaths caused by the experimental mRNA Gene Therapy in the first one and a half years of injections than all of the "vaccines" combined from 1990 to 2020.

<https://vaersanalysis.info/2022/05/27/vaers-summary-for-covid-19-vaccines-through-5-20-2022/> and

<https://wonder.cdc.gov/controller/datarequest/D8?sessionId=871FCF70720B6835BB2300463F14>

We must stand up and say NO! CDC and FDA are suggesting that infants and small children from 6 months to 5 years be given 3 doses of this experimental gene therapy. Save the children!

We must stand together and ask our State Governor, Ron DeSantis, to appoint a special prosecutor to investigate these crimes. Go to <https://prosecutenow.io/state/10/Florida> for copies of demand

letters that you can use, asking our State Representatives to act on our behalf and on behalf of all of humanity.

Deputy Grand Knight's Message

Hello worthy Brothers,

I want to thank you all for the support and nominations for putting all the New Year Officers in position. We are all here to work together to grow and continue the improvement of our Great Council 7408!

I look forward to the new collaborations and work to come into this New Year. I know we are looking forward to growing our volunteer support participants for continued successes.

District Deputy Message

Worthy Sirs,

Well we are coming to the end of another fraternal year. I want to thank all of you for the hard work and efforts you put forth to make this very successful year not only for your councils but the District as well. To date, 3 councils, Msg. Martin B. Power, Bishop Verot, and St. Joseph's have reached a minimum of 100 % of their membership goal qualifying them for Star Council. On Tuesday, June 28, Fr. Gabriel council will exemplify 4 new members which will give them 100 % of their goal. With the addition of these new members the District will achieve 160 % of its goal. Coats for Kids and Food for Families were very successful. Youth programs, Soccer Challenge and Free Throw competition as well as Catholic Citizenship Essay competitions were very successful as well.

It is now time for each council to assess its past achievements, what worked and what needs to be revamped, and plan for the upcoming year.

I am looking forward to the upcoming fraternal year and working with all the councils and assisting the new Grand Knights at Msg. Power and Our Lady of Grace.

Let's make 2022-2023 another banner year.

Pro-Life Corner

Praise the Lord! The Supreme Court overturned Roe vs Wade!! After 50 years and the death of 66 Million Babies. I leapt for joy and fell to my knees in prayer upon hearing the official word.

Please Lord forgive this nation for the 50 years of Evil that we allowed to take place. Only you Lord could have set in motion all the events that allowed the Supreme Court to overturn such an Evil precedence on July 24th.

Think about it. To get all the right pieces into place, this is what needed to happen.

- Donald J. Trump had to run for President
- Hillary Clinton had to run one of the worst campaigns in history & LOSE
- Once in office, President Trump had to appoint 3 Pro-Life Justices
- Ruth "Buzzi" Ginsberg needed to stay on the bench until after Obama was out of office
- Then Ruth "Buzzi" Ginsberg had to past away
- Mississippi had to pass a Pro-Life law that would make it's way to the Supreme Court
- The lawyers for the Pro-Abortion side had to really stink at the Supreme Court
- The Pro-Life justices had to stick together even after a massive leak to force them to change their minds

Yes Lord you are the Master of 4d Chess. Only YOU could Masterfully put everything into motion at the proper time. We are witnesses to a Miracle.

How many of us back in 2016 thought by 2022, Roe vs Wade would be in the Ash Heap of History? I'm guessing NOBODY.

June 24th should become a national religious holiday. June 24th – PRO-LIFE DAY....the END of Roe v Wade

Spiritual Notes - Deacon Frank

There is not much to say today! *It has been a fantastic day. The Supreme Court overturned Roe Vs. Wade after near a half a century and near 66 million little babies murdered in the womb.*

Thanks to our former President in selecting a few great supreme justices who carried the vote. Thank you God for such a man. Thank you for saving more lives. It was getting to a point where they were trying to pass legislation in a few states where they could kill babies at 27 days after birth. That's not abortion that's murder! And the far left feels its ok to kill the defenseless. Our prayers for tonight and for a long time should be for the justices that passed this law.

For I am sure they will be greatly harassed and threatened by the mob that wants to rule! These justices are what our country has been made of and by these hundreds of years.

"LIFE LIBERTY AND THE PURSUIT OF HAPPINESS"

There just may be a new day coming when we will have all this back again! Pray the Rosary for these great people. These are the men and woman that made our country so great. As they are for the people and not for themselves. It's strange, well maybe not, where a person can get voted in to a 4-year job getting paid \$150,000 or so and in those 4 years become a millionaire? Thank God it seems we are on the right track making our way back to reality and keeping our great country Free and not becoming a third world country. If I said to much and out of the way, then that reader that feels that way is part of the problem were in and needs to think out of the box there in and look at the BIG picture.

MAY GOD'S LOVE AND BLESSINGS BE YOURS AND YOUR FAMILY.

Sr. Deacon Frank Falotico, life member 4th degree, Chaplain and lover of our great organization.
