### Grand Knight's Message

Worthy Knights,

There is much to reflect on as our fraternal year comes to an end.

We have experienced pain and sadness with the loss of fellow Knights and family members who have passed and pray for them and for their families for peace and comfort, knowing they are in God's presence. We pray for comfort and speedy recovery for those who are sick.

Amidst this, we have come together to support each other and support the mission of the Knights. For this I am thankful!

I want to thank all who diligently serve as officers and directors. Also, those who were chairmen and organized events, those who were dedicated to weekly Bingo and Friday Family Feast and all who volunteered to make our events successful and able to support the charities we are so dedicated to.

Thanks to the Knights at St. Lukes and those who participate in the St. Lukes Parish Roundtable and the mission they serve.

Thanks to the Columbus Club for the work they do to maintain the nice hall that we have and enjoy.

Thanks to Chaplain Fr. Frankline and Deacon Joe Moran for your spiritual direction and support.

We can also be thankful for the actions of our Knights out there who serve in missions that they have chosen to serve; some visible and others that are not. Thank you all.

Congratulations to Brad Hood, Grand Knight Elect, and our new slate of officers and directors. Please support them as we continue our works of faith and service this coming year. Let's also support each other with kindness and fraternity.

Welcome to the 22 new Knights who joined this past year. We hope that you will become more involved as you become more familiar with our Council meetings and activities.

Welcome to our newest transfer Knights Raul Ortega, Tom Lozynski and Fr. Tim Knepper

Congratulations to:

Joe Widmayer - May Knight of the Month

Terry and Mary Galvin - May Family of the Month

Finally, I want to thank you for your support over the past two years. It has been an honor to serve as your Grand Knight with you working together. We have done much. Below is a list of all we have accomplished this 2022-2023 fraternal year. Knights in Action!

## Navigator's Log

### *Sir Knights, Ladies and Worthy Gentlemen,*

After 2 years as Faithful Navigator I would like to say thank you to all my brother Sir Knights who have helped our Assembly to remain faithful to God – Country - Family - and I encourage you to keep those things first, and in that order, in all your works, now and in the future.

America! God shed His grace on thee! America! Man's Freedom Your Constitution guarantees!

America! Our Children – Your Children – worship and give thanks in Freedom to The One True Triune God for having blessed us with a home in thee!

**Think about it!** How badly does the soul of our country need to repent to God for not keeping His commandments and not spreading the Good News of the Gospel and the existence of HELL! I recently saw a video posted of a young female that looked to be about 17 years of age screaming about overpopulation and the need to start eating our babies – God forbid! I find interesting that we have been pummeled with information about the lie of Global “Over population” for several decades, now to find that the UN Replacement Migration Plan states: *“Population decline is inevitable in the absence of replacement migration. Fertility may rebound in the coming decades, but few believe that it will recover sufficiently in most countries to reach replacement level in the foreseeable future.”* Which later was described as more than 50 years from now. I also find it interesting that Google has forbidden access to the UN sites about UN Replacement Migration that were available just a couple of weeks ago.

If you need any further motivation to pray for Our Country read and pray on the book of the Prophet Hosea, Chapter 4 - “My people perish for lack of knowledge” (remembering that We are Israel) and Psalm 37

May we never forget that enemies foreign and domestic are continually battling for the soul of our Nation, which was set aside as protection against the tyranny of the devil's One World Order that would kill all of humanity – to get at God – if He would let that happen. May we lift high the Cross in Unity and Faithfulness to that Freedom and Brotherhood which Christ Jesus died for.

### Deputy Grand Knight's Message

Hello Family,

Summer Greetings and Goals:

School is out, the weather is getting warmer, and ice cream trucks are once again making the rounds. Summer is here! For many summertime means a relaxed schedule with no classes (and no homework!), shorter workdays, and vacations. It is a joy-filled season and a time to make memories.

However, it can also be a time that many take a vacation from their spiritual life. Often youth groups and other ministries take a break for the summer, but that doesn't mean you should take a break from God. With more time on your hands, summer can be a wonderful time to challenge yourself and grow closer to Christ.

Here are 12 suggestions on how to "soak up the sun" this summer. What would you add to the list?

#### **12 Things Catholics Should Do This Summer**

Let's help hold one another accountable for our actions. Leave a comment letting us know what you plan on doing this summer to grow in your faith. If you're willing to pray for someone else, "like" their comment to show your support!

1

God doesn't take vacations...so don't take a vacation from Him

In your relax time include prayer

2

#SquadGoals

Surround yourself with good people of faith

3

No shoes, no shirt....I'll serve you.

Care for the less fortunate

4

Take a Trip to Some Place Holy

Include a Shrine, Cathedral, or Holy Location to reflect at

5

Join Your Library's Summer Reading Program

Read some spiritual insight

6

Find a Mentor and Be a Mentor

Invest in someone who needs

7

Go Outside and Pray

Feel the presence of God directly from nature

8

Throwback Thursday

Relive your childhood summer activities

9

Power Off

Disconnect from the grid and reflect

10

Memorize the Word

Find a scripture verse of you and incorporate it

11

Let a Worship Song Be Your Jam

Uplift your soul with Christian Music

12

Daily Mass and time spent in Adoration

Don't shy away from the Eucharist.

Vivat Jesus,

John Palazzo Jr.

### Ladies Auxiliary News

Dear Ladies and Knights,

Summer is upon us yet again. The Ladies will have the usual meetings in June and then take the summer off to enjoy travel and family time.

I would like to take this time to thank everyone for putting up with me this past year. It was a rollercoaster time for me but having the Ladies by my side certainly helped see me through.

Our election results are: Andrea Smith President, Cathy Johnson Vice President, Judy Hoenig Treasurer, Loretta Calilli Secretary, and Rita Sapienza Sargent at Arms. We look forward to meeting up again for the August Social meeting with these fine Ladies at the helm.

### Spiritual Notes - Deacon Frank

My dear brothers & sisters in the Lord's service, we gather together and repeat the prayers we have said for so many years. In looking back on what that mean to us and what they mean to our Lord as we recite them, but we need to actually think on what each sentence each word means to and how we can follow it through in our day-to-day work and hours at home! God gives us the ability to use our mind and say yes Lord or just don't answer that call that come so quietly in our thoughts or sleep or in our prayers. I say all this because our Faith is being tested ever so profoundly these days. Last month I told you about what God ever so quietly asked me to do, I heard Him and said yes Lord I will do my best for you for God and Country and my fellow men and woman here on Earth.

My first five years as deacon was a hospital ministry. It was at Old Bridge regional Hospital as I was with St. Thomas's church then. The was a Nun from St. Ambrose Church would share this ministry with me, I would visit 4 days a week and she would do three then we would change I would do three and she would do four. So, it was covered every day of the week.

It was about 10 days before the Easter weekend, I was visting with this gentleman for at least 2 weeks prior as my family and I were going on vacation to Florida and returning for the Easter weekend services and Mass. He was going downhill and the day we were leaving on vacation he slipped into a coma, I knew I would not see nor speak to him again when we returned. It was Holy Thursday and we returned, and I visited the Hospital with Communion and as always, I stopped and printed out the list of Catholics in the Hospital. His name was on the list and after his name was the initials (DES) meaning deceased. I asked the Nurse on Duty if he passed on and she said she was sure he did from all indications. I did my tour and talked to all that wanted a prayer and Holy Communion to the Catholics. Good Friday and Holy Saturday his name was off the list. Easter Sunday after Mass I went to the Hospital and his name was on the list with a room number. I said, to the nurse at the desk what the story here. She did not know. I said well maybe he just needs some prayers I'll stop in after I finish up and say a few prayers for him. As I finished up I stopped in the room listed and to quite a shock he was sitting on the edge of the bed drinking coffee and yes I was ready to say I thought you were dead! But as I calmed down a bit just asked him what happened? He said well I came out of the coma, felt good so they discharged me! (DIS) a typo of one letter D I S not D E S. as I walked out of the Hospital my heart skipped a few beats as I thought of the resurrection on Easter Sunday 2000 years ago. I just experienced it.

It was a few months later I came home from work beat it was a long hard day and I had to drive a few hundred, miles to all of the job sites. I was tired and I said to my wife I think I'll skip the Hospital today I'm really tired. She told me you better go there are people waiting for you, they won't miss me for a day I said, "Yes they will" I said ok a bit hesitant, I went to the hospital and walked to a room there was a gentleman sitting up eating dinner. I introduced myself, How are you doing I'm Deacon Frank from St. Thomas Church he looked up and went to say something, "I have been waiting for you!" he then gasped and passed out I called for the Nurse she came in checked him out she said he's dead! From that day on I always listed to my wife she knew more than me. So, the story here is get involved do a ministry hospital nursing home whatever and you will experience more then you give. I know that's why I share this with you! **"DO IT FOR GOD, DO IT FOR OTHER, DO IT FOR YOURSELF!"**

**"GOD'S LOVE AND BLESSINGS AND MINE ALSO!"** Deacon Frank Falotico, SOSM, Chaplain, 3rd and 4th degree life members. **"I'm for Life"!**

#### ***Graduation & Grilling***

When June rolls around a couple of things come to my mind: grilling and graduations. Now these two things don't seem to have much in common. In fact, some may say they have nothing at all in common. It simply illustrates how amusingly my mind works.

But let me expound a bit on both. Outdoor grilling comes on full force this time of year. For many, June starts that season when the grill is often fired up and all the succulent goodness of charbroiled food is readied for the table. Now let me relate that to graduations: I've been to my fair share of graduation parties and there always seems to be that one person who is the designated grill master. Flipping hamburgers, turning hot dogs, kielbasa, and sausage, and tenderizing vegetables over an open flame for the celebrants. There seems to be a correlation between well cooked food and celebrating!

How's that for a segue? From grilling to graduations! The end of the school year means graduations. Some, from the lowest educational levels...all the way to the highest. At whatever level you, your child, or family members may fall, I offer hearty congratulations! Graduating may mean moving up one more grade level or for some who are at the end of the educational journey, it might mean a step into a new career. Or maybe advancing in an already established career. Graduating has as a natural consequence, a moving on, taking the next step. Carefully preparing for a career, taking stock of talents and newfound knowledge, thinking of the impact your career may have on your family and the greater community; the graduate is ready!

I think of the work I do with my members and their families in the same way: getting you to graduate at the top of your class; well-prepared, knowledgeable, setting a course with impact for your family. Sitting down with me for a consultation starts the preparation. We can take stock of where you are and any recent changes in your situation with our state of the art financial needs analysis program. The end result is to help make sure you and your family are prepared: Prepared for the expected and the unexpected. The expected might be a comfortable retirement with adequate income to do the things you've always wanted to do. Being prepared for the unexpected is important, too: an untimely loss, an extended care event, a disability. Understanding the impact of having a strategy now is the first step in preparation.

I'll be calling soon to set up a time to get together a make sure you're set to graduate at the top of your class!

Vivat Jesus!
