Grand Knight's Message

Brother Knights,

October was an extremely busy month for our Council with numerous events to staff and participate in. The gun show rental and Family Beach Day were large successful venues that required a lot of volunteer hours and planning. Thank you for your efforts made with all these events.

November 8th is Election Day. Be sure to take responsibility as a citizen to get out and vote. There is a lot on the line as our Catholic Christian values being challenged in our society. Vote with your faith!

We are also reminded to give thanks for what God has given us this Thanksgiving Day. I hope you all have a blessed holiday.

We saw the loss of three Knights this past month: Mike Brown, Paul Gallant and Tom Lipton and we pray for them and their families. We are reminded of the phrase spoken at our Exemplification: "*Tempus fugit, memento mori*". Time flies, remember death. We too are reminded that we are on a journey and need to live our lives in God's light.

Congratulations to:

Navigator's Log

Our Father, Hallowed be Thy Name.

Thy Kingdom Come!

"To Jesus Christ Our Sovereign King Who is the world's salvation all praise and homage do we bring in praise and adoration!"

The United States Conference of Catholic Bishops uses these opening lines for its description of this universal prayer of the Church:

"The Rosary is a Scripture-based prayer. It begins with the Apostles' Creed, which summarizes the great mysteries of the Catholic faith. The Our Father, which introduces each mystery, is from the Gospels. The first part of the Hail Mary is the angel's words announcing Christ's birth and Elizabeth's greeting to Mary."

Is not the Our Father the pleading of the hearts of fallen Man for the return of God's Kingdom into our heart, so that His Holy Will may reach fulfillment on Earth? As the Church Militant, this Battle Cry – Thy Kingdom come! - is the essence of the battle against the powers of darkness.

As written by the author Brent, in the internet blog – RosaryMeds: "The Rosary is not a piece of jewelry. It is not a magician's talisman (or charm). To think that we aren't fighting a war against Satan shows just how well of an adversary Satan is. It's been said that the Devil's greatest weapon is making people believe he doesn't exist. Those who pray the Rosary know that Satan exists and there are evil forces at work in our world; They are utilizing everything they can muster to protect themselves and others. And while people don't like to think about wars, violence, and evil, they aren't things we can just wish away."

According to St. Josemaria Escriva "The holy Rosary is a powerful weapon. Use it with confidence and you'll be amazed at the results." – According to St. Padre Pio "The Rosary is The Weapon! According to St. Pope John Paul II the rosary is the answer in the face of the chastisements mentioned in the 3rd Secret of Fatima

The Devil is afraid of Mary because she is the Theotokos, or God-bearer, who brought our savior into the world. To be clear: the rosary is a weapon. It is a weapon that dispels the powers of darkness.

So I encourage all of you and your families to take out your weapons and prepare to defend yourselves by immersing yourselves in the meditations of God's love for His people in the Most Holy Rosary of the Blessed Virgin Mary. Pray the Rosary often so that

when calamity strikes, and it will, you will be comfortable and comforted under the mantle of Our Lady of the Rosary.

Vivat Jesus – Christus Rex!

Into the breach – “Be Not Afraid!”

Deputy Grand Knight's Message

Dear Brothers,

As we close October, know that October is the month that the Catholic Church dedicates to the Holy Rosary. A devotion which our Lady loves most and asked us to pray frequently.

"Today as in other times the Rosary must be a powerful weapon to enable us to win in our interior struggle and to help all souls. Exalt holy Mary with your tongue: God asks you for reparation, and for praise from your lips. May you always want to know how to spread peace and happiness throughout the world, through this beautiful devotion to our Lady, and through your watchful love." (St. Josemaria, "Holy Rosary," Preface and Note)."

Our Lady asked us to pray the Holy Rosary for the CONVERSION OF SINNERS and IN REPARATION FOR THE SINS OF THE WORLD on many occasions, and this we would gladly do.

Vivat Jesus,

District Deputy Message

Worthy Brother Knights,

We are in my favorite season of the year. The season of “Family Togetherness”. First is end of October with Pumpkin Patches, Hayrides, Trunk or Treat and or Trick or Treating. Parents gather up their younguns and buy pumpkins to carve or decorate.

Next in “Family Season” is Thanksgiving. Families and friends gather together to give “Thanks” to God for all their blessings and have large dinners to share.

A little bit after that we have the Christmas period. Buying trees, decorating them, Christmas tree lighting ceremonies, and Christ’s Mass celebrating the birth of Jesus, opening presents and watching the young ones faces as they unwrap wished for gifts

Family Season brings peoples together to share the unique events that take place this time of year.

To look forward to:

Oct.28 - Fraternal Benefits Night, State Soccer Challenge on Nov. 5, followed by Veterans Day on Nov. 11 with a parade downtown Melbourne. Last is Nov. 16 for our DD/GK meeting.

I hope you all enjoy “Family Season” and do all the wonderful things families do this time of year. God Bless your families!!

Ladies Auxiliary News

Dear Ladies and Knights,

Time to put on a big pot of chili because November is here!! Lots of us are looking forward to the Holidays again but more than a few could use prayers to get through trying times to come. Together we are better.

Our Annual Genesis House Baby Shower was a success with 25 ladies in attendance. We were able to offer the House a lot of gifts and a nice amount of cash. They are truly a charity worth supporting. We also held a Card Party again this year and it turned out very nice despite some conflicting issues that kept quite a few Ladies left out. Hopefully next year will be better. Those in attendance had a really nice time. Thanks Cathy Pordon and Loretta Calilli for all your hard work to put it together and to everyone who helped.

Our next big event will be our Annual Fashion Show on January 21st 2023. We'll be needing volunteers from the Knights again for this one to help serve and to escort our beautiful models. Please keep us in mind and save the date if you can.

We're looking forward to the rest of our year and all the events we'll be planning.

Spiritual Notes - Deacon Frank

“Now a guideline with contentment is a great gain, for we brought nothing into this World and it is certain we carry nothing out” (1 Timothy 6:6-7) Living in contentment, God is not going to give us things, If we have not earned the contentment first! Contentment means our happiness does not depend on circumstances. We eliminate the cause of contentment: we tend to compare: we compare everything in this country, lawns, cars, husbands, wives, clothes the education of our children. When we compare, we are going to become distant. We have to learn to stop comparing ourselves to others. “I know how to abased, and I know how to abound. Everywhere and in all things, I have learned both to

be full and to be hungry. Both to abound and to suffer needs. Being content does not come naturally, It is something we have to learn. God promises to meet all our needs! We did not bring anything with us into this world and will not carry anything out. We are the managers of what God allows us to have while we are here! When we understand that we are the managers of the Blessings God gives us in our lives. We need to be content and focus on those Blessings Rather than copying ourselves as to others. If we look at what can be done and what others have done and left behind for us. Then and only then we shall understand Gods reason for allowing us to be born with nothing and leaving with nothing. The entire picture is what others have done for us and we never think about! Inventions that no longer benefit the inventor, but benefit us now, Think, a few are light bulbs, radios, TV. electric, fire, for heat! Running water bathrooms in the house! and what we also take for granted, our churches, the statues, the art, books, schools, roads, cars, planes, art in the museums and so much more I could never type it on paper.Great Churches that took hundreds of years to finish and maintain. God has a hand us all that we have done and what we do. To have the ability to do things through the genes that flowed through families, a carpenter, a singer, a doctor, an artist, sculptor, teacher, dancer, and so much more. With the unknowing ability to pass it on. All of a sudden, the child can play a musical instrument ever so beautifully and the feeling that one can do it with no problem! Becomes a gift from God. Have you ever thought of what you would like to leave behind? A copy of your family history? So maybe future generations can read and see what the past generations did and looked like? God has a hand in all that we do or have done. Have you ever thought of what you would like to leave behind? Something maybe that others will enjoy. I often think of the singing tower here in Florida, the man loved America and what it gave to him, so he left a beautiful pink marble edifice with bells that sing songs to all who visit. All in Thanksgiving! We are all called by God to do something or be someone, all we need to do is search our souls and stop to listen to what God is telling us. In Baptism one of the rite used is called, “Ephphetha” to be open But if you were not open to God then then you have missed what God has called you to do! Sit back close your eyes and concentrate into the world of Faith! Cut out the daily humdrum noise! Then ask God what is it He wants you to do and how to do it! Then tell God that you will do your very best and If you need help or assistance you will ask Him for it! Prayers and the Rosary will be the path to follow to ask for help!

Senior Deacon Frank Falotico, SOSM St. Josephs Parish, Life member of the Knights Of Columbus 3rd and 4th degree. Servant of the Lord our God for 42 plus years. “Ask and you shall receive, Knock and the door shall be opened! Seek and you will find “..... Receive the Light of Christ!

Long Term Care – 10 Facts

Top 10 Facts to Know About Long-Term Care Planning

November is National Long-Term Care Awareness Month, an event recognized by Congress and a number of States. To mark the occasion, here are 10 interesting facts shared by the American Association for Long-Term Care Insurance.

- # 1 - Americans are living longer, in large part due to advances in medical care and public health. Life expectancy in the US for those reaching 65 was 20 years on average in 2019.
- # 2 - By 2030, one in five residents in the US will be age 65 or older.
- # 3 – The number of people in need of long term support services (LTSS) in the United States is already at 14 million and expected to grow to 27 million by 2050.
- # 4 – Average out-of-pocket costs are \$140,000 for those individuals who utilize paid long term support services (LTSS). Roughly 17 percent will spend over \$100,000 on LTSS. Almost 9 percent will spend over \$250,000 on LTSS.
- # 5 – By 2040, the total prevalence of Alzheimer’s disease and related dementias in the US is expected to approximately double from 7.2 million to nearly 13 million, with 8.5 million women and 4.5 million men expected to develop dementia.
- # 6 – For those requiring high levels of LTSS, individuals and families pay 55 percent of long-term care costs out of pocket.
- # 7 – Currently, the majority of older single-person households are female. Women comprised 74 percent of solo households age 80 and over.
- # 8 – Some 7.5 million Americans have some form of long term care insurance. Two-thirds of all new individual long term care insurance claims pay for care needed by women.
- # 9 – The long-term care insurance industry paid out \$11 billion in benefits to some 310,000 individuals with insurance protection in 2019. The number will increase each year as the

current number of policyholders grow older and, as a result, are more likely to begin their claim.

10 – 69.5 percent of new claims start after the policyholder reached age 80. If you live a long life, you are very likely to need long term care. You'll be very glad you have a policy to pay benefits.
