Grand Knight's Message

Worthy Knights,

It's September and the summer months are behind us except for the heat!

Students are back in school. With this we have already hosted one FIT Spaghetti Night and the Soccer Challenge is slated to begin. One Tootsie Roll drive has been completed. The Assembly is planning the Fall Family Picnic and will take place on Sunday, October 16th. This is sure be a great event as is it was last year. We need your help and participation for all these events and activities to be successful.

Thanks to Frank Altro and his team for the great Hawaiian Night event.

We have begun collecting funds the ASAP (Aid and Support After Pregnancy) Program.

We are in the process of starting a Baptismal Cross Presentation program. A baptismal cross (specific for baby boy or girl) will be presented to the family at the baptism of their child by a Knight. Funds have been approved for the crosses. This will be coordinated in conjunction with Deacon Joe Moran.

Congratulations to: Norm Kuehn- August Knight of the Month
Frank & Rita Sapienza Family - August Family of the Month

Congratulation and welcome new Knight Harry Weaver.
Welcome new transfer Knight William Martin.

Congratulations to Joe Widmayer who completed his Fourth Degree in Exemplification (in person).

Deputy Grand Knight's Message

Hello worthy Brothers,

Benefits of Participation

1. Provides you with a sense of purpose

You may be able to find your purpose through volunteering and becoming part of something greater than yourself. For instance, if you're retired, unexpectedly unemployed or have lost a loved one, helping others can give your life new meaning and keep you mentally stimulated.

2. Provides a sense of community

Volunteering can help you feel connected to those you are helping in the community. This experience may make you want to get involved with other aspects of your community, such as local politics or advocating for programs you believe are important.

3. Helps you meet new friends

Volunteering is a great way to meet new friends as well as strengthen existing connections with friends, family or coworkers. As a volunteer, you'll typically interact with people from diverse backgrounds, which allows you to learn other perspectives.

When you choose an organization or cause to volunteer for, consider the people you're volunteering alongside did as well. Sharing a common interest will help you build closer relationships with those around you.

4. Increases your social skills

Volunteering gives you a chance to talk to new people and sharpen your social skills. By spending a lot of time working with others and using social skills, like active listening and relationship management, you'll have the opportunity to develop your future personal and business relationships.

5. Improves Self-esteem

Volunteering may boost your self-esteem and self-confidence. When you do something you feel is worthwhile and valuable for your community, it gives you a sense of accomplishment that may help you feel more fulfilled about your life and any future goals.

District Deputy Message

Worthy Sirs,

The third month of our fraternal year is among us. Membership is progressing slowly. This time last year we had 16 new members in the district. To date we have 9, with one council not bringing in any. If you can't get your candidates to an " in-person" exemplification, the State offers a virtual exemplification every Thursday evening at 7 PM on the State website.

No later than Sept. 15, all required council members should be Safe Environment compliant. Also, September is the month to start planning and holding your parish soccer challenge. District Soccer Challenge is scheduled for Saturday, October 8 at Melbourne Central Catholic High School. Registration is at 9AM with challenge starting at 9:30 AM.

Lastly, I have sent out a request for all district council members to spend 1 minute praying the Prayer for Canonization of Blessed Michael McGivney for the healing of Jacob Grillo and the Grillo family at 3 PM on Sunday, Sept. 4.

Pro-Life Corner

At the August Social Meeting, our guest speaker was Joanne Kennedy from Essential Pregnancy Center located in the Bayside Lakes area of Palm Bay. She talked about what Essential Pregnancy Center does and the services offered. She also answered questions from the audience.

Essential Pregnancy Center was the place we gifted the last Ultrasound Machine. At the meeting I had the pleasure of handing her a donation check for \$250.00.

Coming up on October 2nd will be the annual National Life Chain. I'm hoping for a large turnout. Roe has been defeated but Abortions are still happening and they happen here in Florida.

Ladies Auxiliary News

Dear Ladies and Knights,

First, I would like to thank everyone for their prayers these past few days while my husband had heart bypass surgery. He is doing well and on the road to recovery.

The Ladies are back in action and looking forward to a great year. We're seeing more and more Ladies coming out to our meetings and activities. We are planning to hold our Card Party once again this year on October 15th. We hope to see you there for a fun afternoon.

Our Genesis House Baby shower will be held at our morning meeting on October 11th. Please save your change to fill a baby bottle and plan to bring a small gift. And our next morning meeting on September 13th will be a Pizza party. Come join us for some fun.

And as always gentlemen, please let your wife or significant other know we'd love to have them join our Auxiliary. The only requirements we have are that they are Catholic and over the age of 18.

Spiritual Notes - Deacon Frank

What are we called by God to do? We are Parents and Grandparents! God has given the responsibility to guide and protect our children, to bring them up knowing that God has given you the responsibility to teach them right from wrong, to believe as generations before us had believed in Christ in God in the Holy Spirit. Teachers in schools are required to teach the things that are of life, what is needed to become useful to become self-sufficient in reading, writing, arithmetic. Wood shop, cooking and a few assorted things needed in life. It is not their job to teach religion, as this is a churches responsibility as it is with the parents at home. If we are afraid to teach them what God has left for our parents and their parents and theirs then we somehow have not placed the strength of Faith in them. It is like the devil on one shoulder and the angel on the other, who then will win? Are you afraid they will not speak to you if you try to guide them? Are they that far out in left field (The far left!) That the devil has gotten his way and filtered into their mind which way he is leading them. Maybe I'm too strong in words maybe I'm too far right in my thoughts but don't you think you have gotten to where you are in life by following that path in life that is a bit hard to follow? The right way may be the hardest but remember, Gods way is always the right way! Tell these children that feel they are adult enough to do it their way, that it may not be the right way! of course you may be afraid that they will never talk to you again how did Jesus feel with some of his words? There will be a day when they will say "Mom, Pop, Grandmom, Grandpop was right", when there is no commitment, it becomes easy come and easy go! If you think that over half marriages turn into divorce, what do you think no marriage just living together would become as a percentage? There is no commitment so whenever someone else comes along that strikes the sex glands with a Wow check that out? No ring no commitment turns out to be a here today...gone tomorrow situation. Someone will be hurt very deeply and emotions will go crazy. Off to see mom and pop, "I don't know what happened we were happy one day and the next I get slammed, with a goodbye." What happened here? There is a reason someone does not want to make a commitment could it be you're here now until someone else comes along I would like better. Someone will get that used feeling, I wasted so many years of my life for nothing! No commitment no future! I have seen it before in my 42 years a clergyman, just sitting and talking to people in this situation. **REMEMBER GOD IS THE PILOT AND YOUR JUST ALONG FOR THE RIDE! FOLLOW HIS DIRECTIONS! GOD'S LOVE AND BLESSINGS BE YOURS.**

The Insurance Guy

Blessed Michael McGivney & Protecting Families

Every September a non-profit organization known as Life Happens coordinates the Life Insurance Awareness Month campaign. This campaign is dedicated to informing people about how important life insurance is to protect their families. Life insurance is a cornerstone of a family's future financial security.

Blessed Michael McGivney certainly knew how important life insurance was to a family. But many members don't understand how involved Fr. McGivney was in developing the Order's insurance program. According to Christopher Kauffman, the author of the centennial history of the Order, Faith and Fraternalism, *The History of the Knights of Columbus 1882-1982*, one of Fr. McGivney's two main reasons for founding the Order was "the need to protect families during sickness and death." (pg. 17) Kauffman goes on to say that Fr. McGivney "spent his energy in promoting the insurance feature." (pg. 35) Originally, when the Order was founded, there was no such thing as an "associate member." Everyone was insured; that was one of those two primary reasons for joining.

While the Order is now well known for its charitable works and strong advocacy for the most vulnerable, strengthening men in their faith and protecting them and their families with life insurance were twin catalysts in forming the Order. While young Catholic men still seek to strengthen their faith, we know families still need protection from untimely death. This mission remains just as important today .

In an attempt to make every member and every eligible Catholic man aware of how important life insurance is, the Order has made a substantial investment. The Order has provided me with a high-tech, state of the art financial needs analysis platform that can help us determine where you stand today. It can help me formulate a strategy for you and your family and offer meaningful insurance and financial solutions...a strategy specific to your family and your situation.

The analysis can be done in the comfort of your home or virtually. What can life insurance provide? Peace of mind and security.

Vivat Jesus!
