#### **From the Desk of Grand Knight Jim Waggoner**

Worthy Brothers All:

During September, we continued a active pace with our Council!

At our September meeting eight new Knights received their Admissions Degree Exemplification. Please welcome Brothers Arthur Lungi, Joe Fazzi, Adam Sergent, John Humphries, Eric Kapuza, David Roquebert, Mike Laheta and Bob Williams to our Order. Also, we recognized the Hurricane Knights for their selfless diligent work putting up and taking down shutters on 52 Parishioners' homes following Hurricane Dorian.

This past Sunday, Our Lady of Hope held its annual Parish Picnic. The event was extremely well attended with more food than you can imagine. The Knights conducted a soccer and free throw competition for the children of the Parish and many awards were distributed to the District winners of the different age categories in each event by our District Deputy Terry Cassidy. Also, Brother Jim Baskin donated two bikes that were awarded to two lucky participants. Special appreciation goes to Brother John and Chiquita Rogers, Sandy and all of the OLOH staff that worked to make the event a success. Many of your Brother Knights cooked, served meals and cleaned up afterwards. A beautiful day was enjoyed by all!!

This weekend, September 28-29, is Port Orange Family Days at the Community Center Complex. This event is also important to our Council in that we put the hundreds of ducks in the water during Sunday's closing ceremonies with cash prizes awarded to owners of the winning ducks. Past GK and Service Program Director SK Brother Tim Mell spearheads this annual event and through his leadership we yearly raise a significant amount of money that goes a long way toward making our donations to local needy causes a success. Many thanks to Brother Tim and his team for their dedication and hard work on behalf of the Council, Parish and Community.

As you are probably aware, we have the Fall Dance scheduled for October 19. Brother John O'Malley, our Deputy GK, Assembly Faithful Navigator and Color Corps Commander, is in charge of this event. Also, the annual Veterans Dinner and Christmas Party are just around the corner. More regarding those events to follow.

Please mark your calendar for October 10 for our monthly Council meeting at 7 p.m., in Rooms 6&8 of the Parish Center.

Fraternally,  
Jim Waggoner, Grand Knight

## **Chaplain's Message**

Dear Brother Knights,

Every Sunday and Holy Day we pray the Nicene Creed. This creed was begun at the Council of Nicaea in 325AD, and then added to at the Councils of Constantinople (381) and Ephesus (431). Nicaea was called by the Emperor to resolve a conflict in the realm. The Bishops gathered and clarified who Jesus was because the teaching of Arius, the priest of Constantinople, while intellectually easy to understand was denying the full divinity of Christ. The Council used a non-biblical, Greek word to describe Christ as being of one substance or homousious of the Father.

Sadly, this Council didn't end the disputes as to how to understand the humanity and divinity of Jesus in one person. Athanasius and Apollinaris taught that Jesus could have unity with God if He didn't have a human soul. Instead, the Logos or Word replaced his soul. The Council of Constantinople in 381 said that could not be so. Jesus won salvation for us by taking on **all** of our humanity. Therefore if He didn't have a soul, that principle that makes a person unique, how could we really be saved body and soul? The Council declared that Jesus had a human and divine soul but that one did not destroy the other.

In the school of Antioch there was a Patriarch called Nestorius who taught that the union of Jesus' divinity and humanity was more like the unity that husbands and wives have with each other. Yet, you and I know that no matter how united husband and wife are they still retain their separate identities and can work against each other. The Church at Ephesus in 431 AD declared that the union of humanity and divinity in Christ had to be more substantial than a moral union. Instead, it declared that whatever you say about Jesus you should be able to say about God and what you say about God you should be able to say about Christ. That being so, since Mary gave birth to Jesus who is God you can rightly call her "Mother of God."

Chalcedon in 451 AD, using the letter or Tome of Pope Leo, declared, "Thus the properties of each nature and substance were preserved entire, and came together to form one person. Humility was assumed by majesty, weakness by strength, mortality by eternity; and to pay the debt that we incurred, an inviolable nature was united to a nature that can suffer. And so, to fulfill the conditions of our healing, the man Jesus Christ, one and the same mediator between God and man, was able to die in respect of the one, unable to die in respect of the other."

Issues that we have in the Church are different today than those of the 4<sup>th</sup> and 5<sup>th</sup> centuries, but the Holy Spirit has guided our church through rough storms then and I know that He will continue to do so in our time. Jesus guaranteed it.

Peace,

*Fr. Chris*

The new "Hurricane Knights" were called into action twice recently, to prepare 52 households for oncoming Hurricane Dorian (left) and then to clean up damage following the storm (right). Thanks to POC Dr. SK Ernie Jackson for coming up with the idea and coordinating the effort.

If you haven't emailed it, please bring your **Monthly Activity Report** to the Council Meeting, or file it on [Knights8086.com](http://Knights8086.com). List all your volunteer hours for both you and your wife/family. Please send your email to [eapbss77@gmail.com](mailto:eapbss77@gmail.com) or John Hoag so that Tony can run the numbers for us.

### ***Raising Awareness about Life Insurance***

Each September since 2003 has been designated as Life Insurance Awareness Month. Like most awareness-raising campaigns, Life Insurance Awareness Month was created because there is an overwhelming lack of understanding of life insurance, its uses, its benefits, and its variations among the general public. Each year, the Life Insurance Market Research Association (LIMRA) puts out the results from a recent survey, and unfortunately, the numbers they report continue to be discouraging.

A recent survey found that only 59% of Americans own life insurance and about half of those are underinsured. So that means that 70% of the population either has no life insurance or has too little life insurance.

If you fall into this category, please remember that as a member of the Knights of Columbus, you have a full-time, professional agent you can call your own. My primary responsibility is the care and service of your family's life insurance, retirement and long-term care needs. I'll answer your questions because I want your decisions to be informed ones. I want to help.

Another LIMRA statistic said 43 percent of people did not buy life insurance because they worry about "making the wrong decision." Talk with me, your agent, and, afterwards, you'll understand that the only wrong decision was not purchasing sooner to protect your family's future.
