Message From FN John McCartney, Assembly 3296

Dear Sir Knights,

I have been successful in bringing together our Assembly Officers on a short notice. We met as a group on Friday 07/15/2022 where we spoke of how we could reestablish our Assembly to the old days it was some time ago. Many suggestions were brought up and discussed. It was decided that we could only be successful in our efforts, if more came to help finalize our efforts.

I would like to invite all our members to joint us at our next meeting on July 27th at 6:30 pm, in the church hall to make our meetings fun and successful. Refreshments will be served after the meeting.

Lets make our Assembly an organization we can all be proud of again.

We are in desperate need of color corp members. The assembly will help you in acquiring a uniform and all needed items if you will volunteer your services for this worthwhile cause.

Greetings to my fellow Sir Knights of Assembly 3296. My name is Cliff Miller. It is my honor and privilege to have been appointed your Color Corps Commander. I am looking forward to serving you and the Lord in this capacity. I have met with several of you over the past year at funerals. I have been the CCC of A1777 since Master John O'Toole vacated the position. God had other plans for my wife, Bonnie-Jane and myself and, after 22 years of retirement in Ocala, we moved to The Villages to be closer to three of our children who have relocated here. I am delighted to be here Please consider buying the uniform and joining us in our ceremonial duties. God bless

Appropriate attire—this was brought up in our church bulletin this past Sunday, however, not enough was said on the subject

I Feel if you are going to open your mouth about "appropriate attire" come right out and say it, don't beat around the bush.

When I was a District Deputy all officers were required to wear a coat and tie, anything else was not showing proper respect for the position held in the Knight of Columbus. Let people know what you want of them and you will in most cases get it, if not they need to be let go, find someone else.

Good luck, Chet Sedke, FDD, PGK, PFN
