KC Meeting with the Mayor of Palm Coast

Brother Knights

On Thursday, July 25th members of the Knights of Columbus met up with the Mayor of Palm Coast, David Alfin, to discuss issues relating to the Knights of Columbus and St Elizabeth Ann Seton Church.

Some of our topics of concerns included:

- Getting help with financial assistance for the Outreach food pantry.
- Financial assistances with helping people with rent and utility payments.
- The Stars of Hope Program - a possible \$5,000 city purchase of stars.
- Assistance with the Fall Festival paperwork and City permits.
- The Vote No on amendment 4.
- A trip to Brazil to setup a KC Council and the City Portuguese connection.

Thank you to all the brothers who attended this very productive meeting with the Mayor and hopefully the fruits of your labor will help advance these issues that relate to the council and our Church.

Vivat Jesus

District Deputy Message Greg Gully

August 2024

2024-2025 fraternal year has begun. As your servant leader I will work diligently to assist your council to attain the goals that have been set by your officers. Unified we can achieve this.

I have met with your council officers and am thrilled to report that your council is on the path to great success this fraternal year. Officers have been installed and work has begun on 2024-2025 fraternal year. Please stay or get involved with your council events. New brothers please choose an event that you have a passion for. Remember the oath we took to Charity, Unity and Fraternity.

Invite Brothers to attend a meeting. Reach out to them and personally invite them. They may need a ride or have some other reason they have not been active. It may just take an invitation to get them back. Be a mentor to our new brothers. Get them involved in council functions.

You will see this message and hear the following up until the election. As it is of utmost importance. 2024 is a contentious election year. Politics has no place at council meetings. That being said Amendment #4 is NOT political. The Knights have been on the front lines of life issues since their inception. Amendment #4 will be discussed and prayerfully defeated. Now more than ever we need EVERY Brother Knight to stand boldly for life. This is the time to do everything in our power to defeat the cult of death. I implore you to make a visit to the abortion mill in Jacksonville to pray for the moms and dads that feel like murder is their only option. Stand with signs educating voters on amendment #4. Speak with everyone you know. We must defeat amendment #4.

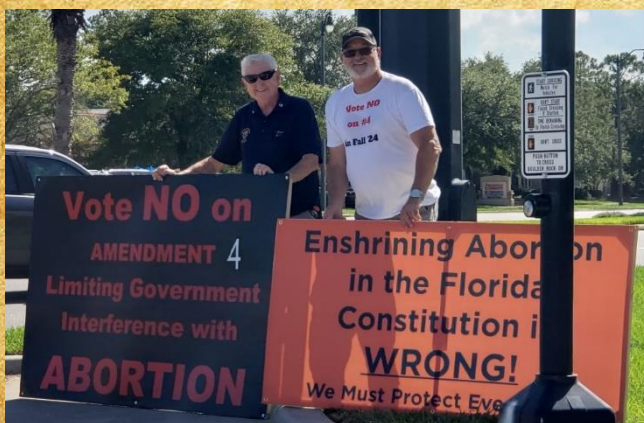

Remember we were called to be Knights and are truly blessed to be Knights. Offer Catholic men the gift of becoming a Knight.

Vivat Jesus

"Shop Local"

I was watching television the other day and saw an advertisement with the theme "Shop Local." The ad touted the many benefits of putting your dollars to work with businesses that are owned and operated by those folks who live and work right in your community. In addition to supporting the local neighborhood and community, the ad pointed to the personal service and the unique products one can find locally. Big box stores are great, they are convenient and provide goods at competitive prices. But many products are uniform; you can get the same thing at many other places. Their service is sometimes wanting; I can remember wandering in a big box retailer looking for help. However, when I shop at some of my favorite local spots, I always get a genuine greeting, personal help and the feeling that they really appreciate me being there and supporting them.

Field Agent Message

Larry Kennedy

All this got me thinking about our local councils. The Order is doing great things in countries far and wide. We have big ideas, big plans...and they are important and have tremendous impact on making our world better. But on a local level you members are the face of the Knights of Columbus. When our local Catholic community thinks of the Knights of Columbus, I'm sure it is you members who come to mind. Our Catholic community sees all the good works you do locally. They see you volunteering to help at parish events, supporting your pastor in his needs. Local folks see you handing out coats for kids, holding fundraisers to help local families, taking the lead at sacramental events, visiting the homebound. For the Catholics in the council and in the parish—you, my Brother Knights...you, are the Knights of Columbus. You represent all that is good in our Order. When you lead with faith, protect your family, serve others and defend your values, you are a witness inspired by our founding principles.

Our recent Supreme Convention highlighted many of the accomplishments from the previous fraternal year. I think we can all be justly proud of the difference the Knights of Columbus makes in our community, our state, and our country. Thank you for all you do! I want to congratulate you on your contribution to the Order's success and especially for the impact you in this council have had on the local Catholic community!

Vivat Jesus!

SUPREME CHAPLAIN'S MONTHLY CHALLENGE

AUGUST 2024

"Do not work for food that perishes but for the food that endures for eternal life, which the Son of Man will give you. For on him the Father, God, has set his seal." (Gospel for Aug. 4, Jn 6:27)

Before the Fall, God put Adam to work tending the garden. Good men work hard to provide for their families, including their material wants and needs. These temporal necessities, however, must never become our highest priority. Our first obligation is to seek the path to eternal life — for ourselves and for our loved ones. Jesus, the Bread of Life, is the food that will endure.

Challenge by Supreme Chaplain Archbishop William E. Lori:

Our Founder, Father McGivney, worked tirelessly to serve God and man. I challenge you to pray the novena to Blessed Michael McGivney this month, during which his feast day takes place (August 13).

Questions for Reflection:

Does your goal of attaining heaven for yourself and your loved ones come first in your life? Do your efforts focus excessively on temporal needs and pleasures? What more can you do to ensure that your primary mission is to prepare yourself and your family members to enter the kingdom of heaven?
