A MESSAGE FROM THE GRAND KNIGHT

In September we welcomed the Autumnal Equinox, where the sun sits directly over the Equator and day and night are equal; our daylight hours will be growing shorter. It is a time that those of us in Florida will be enjoying a respite from the long hot summer days. It also reminds us that the Holiday season will be on us soon and is a meaningful reminder of the great gifts God has bestowed on us.

As I mentioned last month, Joyce and I celebrated our 60th wedding anniversary in September with many of our family attending the celebration. Coming from New York, Pennsylvania, the Carolinas and Florida and included nine of our grandchildren. Father Joseph was kind enough to bestow a special blessing on us and our family members that were able to stay and attend the 9AM Mass on the 13th.

In October we will enjoy our Oktoberfest Social on the 7th and prepare for Halloween with the Trunk-R-Treat on the 23rd where the Knights will be cooking and serving food. As stated in the bulletin, donations of candy are welcomed and can be left in the donation boxes in the Narthex.

Please watch your e-mail as we have several events coming up in the next few months including, the JMJ Baby Bottle drive, the "CARS AND COFFEE" fund raiser, our scholarship raffle sales and mark your calendars for our December Christmas Social to be held on December 4th.

In closing as always, I would like to thank everyone for their help and support. And ask for your continued prayers for our Church, our Country, our Families and especially for our Military and First Responders who place themselves in harm's way for our freedom and safety.

Vivat Jesus!

"You are just a worthless Catholic. Less than worthless, you are evil." That was a popular attitude throughout the southern states, and many northern areas, during the first half of the 20th century. As competition for work intensified during the Great Depression, anti-Catholic sentiment flourished in industrial areas, most with large immigrant populations. This was also the peak era for the KKK (as anti-Catholic as they were racist), with their influence throughout the Southern States, and pockets in Northern States. More than anything else, widespread anti-Catholic attitude was changed by one man, Archbishop Fulton Sheen. It was during the depression that (then) Father Fulton Sheen took to the airwaves with the "Catholic Hour" radio show. He talked about philosophy, the meaning of suffering and faith to his depression era listeners, and it resonated. Later, in 1952, one of the four national TV networks was looking to fill a time slot opposite the "Frank Sinatra Show" and the ever popular "Texaco Star Theater." (Then) Bishop Fulton Sheen brought his show to TV, introducing him to a national TV audience. To everyone's surprise, he was watched by over 30 million viewers. That is about twice today's nightly news viewership of ABC, NBC and CBS combined, and far more people than the popular competition of his day. Archbishop Sheen popularized the Catholic faith, for which we can all be grateful. On September 24, 2026, Archbishop Fulton J. Sheen was beatified.

PGK Mark O's Corner Offering !

Peace be with you! October means we are full on into Fall... Well, if you ever lived north of the Mason-Dixon for sure. Growing up and until I moved here, the arrival of fall was my favorite time of the year. The cooler temps, the crisp smell of the air, the changing colors of the trees, made it a welcomed time. As kids we began to plan for Halloween, costumes, the Trick-or-Treat route we would take for the Big Haul; and when we got older, going to a masquerade party. My most memorable one I had gone as the Hulk, yes painted green; I was a Hit, but lost the Best Dressed Couple because my girlfriend refused to go as She-Hulk. In her defense, it did take me 2 weeks to get the last of that green hue off. If you will be traveling around during Trick-r-Treat hours, please be on the lookout for those little ghosts and ninja turtles and hobos.

October is a busy month for the council. There's the Oktoberfest Social on the 7th; Columbus Day on the 12th; 4th Degree Mtg. the 14th; Council Meeting the 21st; the parish "Trunk-or-Treat" event on the 23rd; and the Council 5644 Mass Intention at 8:30am on the 28th; Be Well and Stay Well!

### September/October 2026 Field Agent Message

Brothers & families,

I want to start off this month's message with an interesting, but lesser-known story about Father McGivney. We know our Founder cared deeply about the lives of his parishioners and strengthening their sense of community. He was also very practical about what a parish community most often needs: money.

One fall, with St. Mary's in debt to creditors, he led an ingenious combination fundraiser and social event. St. Mary's hall turned into a coffeehouse filled with music, dancing, skits, dessert and, of course, coffee, which was a profitable draw at the time. The party was only supposed to last one night, but the people of New Haven kept coming and drew it out for a week! In the end, Father McGivney was able to pay down a good amount of the debt - and further solidified his reputation as a priest deeply embedded in the life of his parish.

Father McGivney recognized and valued the things that really matter: God. Fellowship. A sense of belonging and the space to reinforce those ties of friendship, mutual support and common faith.

Brothers, September is Life Insurance Awareness Month, but what I'd like to propose is that we think of it as "The Things That Matter" Month. What does your family value? What are the pillars of your family culture? What do you want to preserve for them when you're no longer here?

Life insurance can be a big part of that. Maybe you want to protect the home that shelters your family, that's set the stage for so many memories and is a safe haven for your children to return to. Maybe you want to ensure that your children - or grandchildren - will have access to high-quality education. Or maybe you want to safeguard a family business or a similar legacy that can continue to provide for your loved ones.

We can talk about these options and more, and whether they might best be covered by temporary or permanent policies. Ideally, I want to help you match your insurance coverage not just with your basic needs, but with the things that your family deems most important to preserve. This month, I challenge you to think about what those things are. And if you don't have a plan to protect them, give me a call.

Fraternally & sincerely,
