Why is October the Month of the Holy Rosary

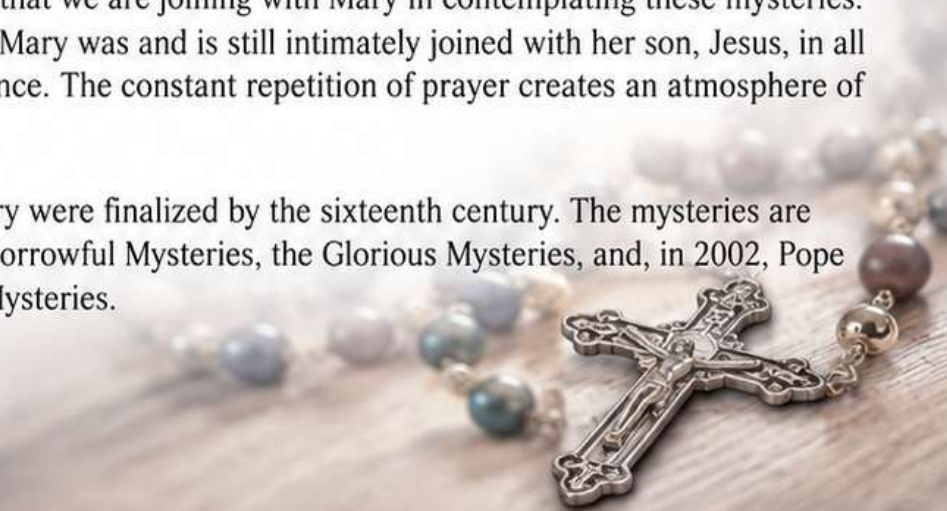

Tips to Pray the Rosary Daily

1. Carry a rosary in your pocket.
2. Say it while you wait (for example at a bus stop).
3. Recite the rosary while doing chores or while you work out.
4. Use images and music. The rosary is a contemplative prayer.
5. If you are upset, pray for the situation that worries you.
6. Pray while you walk and think of the people in your life.
7. Use each mystery to ask for a specific intention.
8. If you can't pray the whole Rosary at once, break it into parts.
9. Say it in moments of sadness or spiritual drought.
10. Fall asleep praying the Rosary.

The month of October each year is dedicated to the Most Holy Rosary. This is primarily due to the fact that the liturgical feast of Our Lady of the Rosary is celebrated annually on October 7. It was instituted to honor the Blessed Virgin Mary in gratitude for the protection that she gives the Church in answer to the praying of the Rosary by the faithful.

The Rosary is appealing and simple. The purpose of the Rosary is to help us meditate on the great mysteries of our salvation. Every time we pray the *Our Father* we are reminded that Jesus' Father is the initiator of salvation. Praying the *Hail Mary* reminds us that we are joining with Mary in contemplating these mysteries. In addition, they help to make us aware that Mary was and is still intimately joined with her son, Jesus, in all the mysteries of earthly and heavenly existence. The constant repetition of prayer creates an atmosphere of contemplation.

The traditional fifteen Mysteries of the Rosary were finalized by the sixteenth century. The mysteries are grouped into sets: the Joyful Mysteries, the Sorrowful Mysteries, the Glorious Mysteries, and, in 2002, Pope John Paul II announced the new Luminous Mysteries.

Brothers,

Nearly half (47%) of adults say they would have trouble paying living expenses within six months of their primary wage earner's death.¹ While no one wants to think about tragedy striking their family, planning ahead about how your family might manage financially can be an important part in caring for those you love.

Your decisions today have a direct impact on your family's financial future. By working with me to consider your life insurance and income replacement needs, you can prepare for the unexpected while also carrying forward a legacy that has been at the heart of the Knights of Columbus since our founding.

When Blessed Michael McGivney founded the Knights of Columbus in 1882, he was witnessing firsthand the precarious situation widows and orphans faced when a father died. He sought to create a way to relieve their burdens and care for those in need. Today, we are proud to continue that tradition of guarding what matters most to our members — their families and their faith.

Income replacement through life insurance can be one part of that protection. As your financial circumstances and family needs change over time, I'm here to help you consider whether your coverage continues to align with your goals and priorities.

That's why every year, we ask for an update on any big life changes — such as whether you've bought a home, had a baby or retired. This annual Financial Protection Survey gives my team important insight into your evolving financial needs so we can provide the personalized, faith-based service you deserve. It also helps us know how well we're fulfilling the Knights of Columbus mission in our roles as licensed professionals.
