Grand Knight's Message

Steve Scarallo

Dear Brother Knights,

As we enter the month of March, we are reminded of the season of Lent—an opportunity for reflection, renewal, and deepening our faith. It is a time to grow in charity and humility, embracing the teachings of Christ as we prepare for the joy of Easter.

This is also a time to reflect on the work we've done as a council and look forward to the opportunities ahead. Whether it's our upcoming service projects, fundraisers, or spiritual events, each of us plays an essential role in the success of our mission.

I encourage you to engage with one another, support the events we have planned, and share the light of Christ with those around us. We know that together, we can make a meaningful impact in our parish and community, strengthening the bonds of fraternity that define our Order. Please take note of the upcoming events on our monthly calendar and make plans to join us.

Let us also remember that as Knights, we are called to live out our faith daily—not just through our actions, but through our example to others. March is a great time to invite someone new to join us in our mission. Together, we can grow the Order and make an even greater difference.

May this month bring spiritual growth, renewed energy, and deeper bonds of brotherhood. Thank you for your dedication and commitment to the Knights of Columbus.

God bless you and your families.

Fraternally,
Steve Scarallo

Depty Grand Knight's Message

Jim Horan

Brothers,

At our February business meeting our Grand Knight spoke about the Council election that we will be having this year. Steve read what the duties of all the elected officer positions are so that the membership would know what each position entails. Steve asked the members to consider running for an officer position, especially if they have never held a position in the past and would like to get more involved with the Council. Because a position is already filled every Council member in good standing has the opportunity to run for that office. That is why we have an election.

Over the past four years I have served as Deputy Grand Knight, assuming the Grand Knight position when the Grand Knight resigned. I served as Grand Knight for two years and now as Deputy Grand Knight for the past 20 months. I will not be running for this office in this year's election. The duties are assisting the Grand Knight in whatever he asks and filling in for the Grand Knight if he is unable to lead a meeting or Council function.

If you decide to run for a Council office, know that you will not be alone and that we have Council members who have held that position before and are there to assist you with any questions that you might have. Our election is held at the June business meeting. If you wish to run for office please contact our election chair Jim Fitzsimmons.

Vivat Jesus,
Jim

SEMINARIAN DINNER DANCE 2025

On February 8, 2025, Council 14485 held its annual dinner and dance to support its “adopted” seminarian for this year: Thuan Tran. Unfortunately, Thuan was unable to attend this year’s event. However, participants were treated to a special presentation by Fr. Zach Brasseur, whom the Council had supported previously as a seminarian, and who is the son of our Brother, Brad Brasseur and his wife Kathy.

PANCAKE BREAKFAST— February 16, 2025

Council 14485 held a special pancake breakfast for St. Scholastica Parish at no charge to participants. Father Malley and Father Bill offered the Sacrament of the Sick to anyone who requested, and the Parish Nurses were on hand to take blood pressure readings. In all, 202 breakfasts were served. *Photos courtesy of Jim Horan*

I want to thank all of our brother Knights for all of their hard work in making our pancake breakfast such a success. They are a terrific crew. As always, it was a group effort and all went well. I also want to thank one of the wives and Don Lapierre's granddaughter for their help as well.
