Grand Knights Message

July 2024

Brother Knights.

I am humbled and honored to have been chosen to be Grand Knight again. I cannot think of a better council I would like to lead. Also, I want to congratulate the newly elected officers of the Martin Council who will take office July 1st, 2024. I want to thank our outgoing officers for their service, our current officers for taking on new roles and of course the 2 new members that are taking officer positions for the first time!! Lou D'Ambrosio for the Recorder position and Connor Mortell for taking on the Inside Guard position. Thank you both for stepping up.

All the hard work we put into the council this past year has paid off. We have earned the coveted STAR COUNCIL award!! This is difficult to do as it takes time, dedication and perseverance. I am so proud of each and every one of you. Remember, it takes the whole council to get this done!

We will be holding the Installation of officers event on Tuesday, July 9, 2024, at 7PM. There will be a dinner following. Officers are asked to wear a jacket, slacks and tie. All members and families are invited. We only ask that all officers and members contact me with your RSVP so I can give the number to the caterer. (561-685-2930) (grandknight6241@outlook.com)

As we celebrate the 4th of July this month remember what it stands for. Remember the principles that were hard fought for and the sacrifices that were made to be able to live in a country where we all have the freedom to disagree. Remember that it was built on people from different cultures and beliefs, and we all have a place, and we all belong. Remember, America is home to all races, religions and ethnicities of people who believe in freedom. Have a safe and blessed 4th of July. REMEMBER AMERICA!

Vivat Jesus!

July 2024 Message

Brothers,

Summer is a time of transition for many people. You may know someone who recently graduated high school or college and is now heading into the workforce. Or you may know a couple who is getting married this summer. These are all joyous occasions that we can celebrate.

At the same time, certain stress can come with any life transition. For a graduate, entering the workforce can take some adjustment. And marrying is certainly one of the biggest life adjustments people can experience. Before long, they may be welcoming children or looking to finance a house.

Any transition in your life is a good time to think about your financial situation and your loved ones who depend on you.

Though life insurance may be the last thing on a young adult's mind, it may be the perfect life stage to start preparing financially for the future.

The younger you are, the more affordable permanent life insurance can be, and the simpler the underwriting process is. At a younger age, you're less likely to have health or medical problems that could make coverage more expensive.

This summer, no matter where you are in your journey through life -- whether you're undergoing a life transition, or you simply feel that now is the time to think about your financial future -- I encourage you to make an appointment with me. I will be happy to discuss your options with you.

Vivat Jesus!

Corpus Christi Processions

Holy Redeemer and St. Joseph

Corpus Christi Procession is an invitation to honor and adore Christ in the Blessed Sacrament

During St. Joseph's Corpus Christi Procession, Fr. Paul pauses with the Blessed Sacrament in front of the sand sculpture honoring Corpus Christi.

Corpus Christi Procession at Holy Redeemer was led by Decon Frank with Fr. Marty carrying the Chalice with the Blessed Sacrament. In attendance were many brother Knights.

Fr. McGivney Assembly 1764 Flag Day June 14th.

**Brothers Eric Wolf, Mark
Cestaro and Dave Merklin**

On Flag Day, June 14th, the Knights of Columbus Fr. McGivney Assembly 1764 stood tall, their faces resolute, as they unfurled the vibrant fabric of freedom. Each corner of the street bore witness to their unwavering patriotism, the *stars and stripes* billowing in the warm breeze. Brother Dave Merklin organized this patriotic event and wanted to thank the brave souls who showed up to pay respects for our great flag. Also like to thank Linda and Eric Wolf and their son for joining in. We also had a lady from Peace Church on Cove Rd and Frank had a special assistant who held his flag when needed. Also, Kevin Murray who offered to help if needed. Loved to hear the sound of horns beeping as people drove by. Thanks again to all those that participated Can't forget Artie who was caring for his wife upon her release from the hospital or Ron Robinson.

Bingo Update

Bingo for summer is going to be sort of fluid. While we currently have Bingo scheduled for all Sundays, the hall at Holy Redeemer is slated to be repaired. Once construction begins, Bingo may have to be put on hold until it is safe to do so (sort of like repairs complete and accepted by Dioceses and Building Inspector). It is for the Safety of our players and staff that the hall be closed until conditions are validated to be safe.

We are entering the slow time of the year for Bingo, as most of our winter visitors have left for the summer. This provides us a unique opportunity to train in a less stressful environment. With more volunteers, we can afford to give some regulars some well-deserved time off. Folks like Don Sheetz, Jim Pritchard, Ed Ciancone, John Praksac, Walt Adley, Mark Cestaro, and Dave Merkin. If it weren't for these folks, our Bingo would not be successful, and the loss of Bingo would impact essentially EVERY charity we support.

The first phase of our Bingo equipment upgrade has been completed with the purchase and installation of the audio system. There are plans to renovate the inside of the church hall, and how the renovations may change where the monitors are put. This may include mounting these monitors on walls. More to come as we get information, but first is ceiling restoration.

If you look at the bingo schedule in the shield, you will find some holes we would like to fill, as well as folks doing double duty. With over 300 members, I am quite sure we can fill a lot of the open holes. Remember, if it weren't for Bingo, our charities would not be funded by the Knights of Columbus, meaning someone may be going without. Over 90 percent of our charitable budget comes from Bingo, including the 500 to 700 meals we provide to shut-ins and less fortunate people on Thanksgiving.

If you can help, even once a month, it allows us to release people who volunteer WEEK AFTER WEEK. Please let me know. Again, other than the caller and main cashier, there is very little training that needs be done – like 5 minutes per station. If you are there, and there is only one cook in the kitchen, please lend a hand to him after bingo starts. Grill must be cooled and cleaned, supplies stored, and floor cleaned. And if you wanted to learn to call or cashier, we can always have standby's. Please help us keep alive the first pillar of the Knights of Columbus – Charity.

God Bless.

Joe Hessling – 772-486-0533 (call or text)

Council Donations

Presentation ceremony at Holy Redeemer.

Presentation of our capital campaign donation to Holy Redeemer catholic church, took place after mass Sunday June 23rd Council members were assembled at the foot of the alter with Rev. Martin Dunne III (Pastor) for the presentation.

"Many thanks to the Knights of Columbus for their generosity in many ways, including their donation of \$100,000 to our capital campaign. This is one of the finest groups which one can participate in!"

FLORIDA CONFERENCE OF CATHOLIC BISHOPS

Florida Bishops Oppose Extreme Abortion Amendment Vote No on Amendment 4

Florida Amendment 4, which will appear on Florida's November 2024 ballot, is an extreme proposal that legalizes full-term abortion with no protections for the preborn child, including when the child is capable of feeling pain. This proposed amendment to our state constitution would prohibit all restrictions on abortion before viability and create a broad exception that any healthcare provider could exploit to allow abortion up to birth.

Furthermore, the amendment would effectively overturn or seriously jeopardize common-sense state laws that have regulated abortion for years. These include basic health and safety requirements for clinics where abortions are performed, requiring a physician to perform abortions, informed consent requirements, laws limiting public funding of abortion, and parental consent requirements before a minor's abortion.ⁱ These risks demonstrate the extreme nature of the amendment.

We urge all Floridians of goodwill to stand against the legalization of late-term abortion and oppose the abortion amendment. In doing so, we will not only protect the weakest, most innocent, and defenseless of human life among us but also countless women throughout the state from the harms of abortion.

Human life is sacred. The dignity of the human person is the foundation of a moral vision of society. Direct attacks on innocent persons are never morally acceptable, at any stage or in any condition. In our state, human life is repeatedly being destroyed by abortion. Over 84,000 vulnerable and voiceless children were aborted in Florida in 2023.

This matter concerning the respect for human dignity and the fundamental value of human life is of grave importance to both our Church and our state. The threat of abortion remains our pre-eminent public policy priority. Therefore, we support a coordinated campaign to mobilize against the proposed amendment. To this end, we offer this prayer to defeat Amendment 4:

Ever-living God, you give life and desire a future for all your children. Take hold of our nation, state and community and awaken in every heart awe for the gift of life. Send your Spirit to strengthen us with wisdom and fortitude as we defend mothers and children in Florida from laws that disregard their health and safety.

Mary and Joseph trusted in you and welcomed Jesus into our broken world. God Almighty, we ask their intercession to protect the preborn and their mothers, and to guide all parents in raising their children. May they help us build a civilization of love by upholding the sacredness of life and accompanying pregnant women in need.

We ask this through Christ, our Lord. Amen.

Our Lady, Mother of the Family, pray for us! St. Joseph, Protector of the Unborn, pray for us!

ⁱ Florida law distinguishes between parental *consent* prior to a minor's abortion (Ch. 390.01114(5)), which would be invalidated by Amendment 4, and parental *notice* of a minor's abortion (Ch. 390.01114(4)), which would be retained.

FLORIDA'S PRO-ABORTION AMENDMENT EXPLAINED

Why Floridians Should Vote NO on Amendment 4

Titled "Amendment to Limit Government Interference with Abortion," Amendment 4 would enshrine **UNREGULATED ABORTION** in our state constitution, making Florida one of the **MOST PRO-ABORTION** states in the nation. The amendment language is **MISLEADING**, and its proposed outcomes are **DANGEROUS**.

WHAT IT SAYS

BALLOT SUMMARY

No law shall prohibit, penalize, delay, or restrict abortion

before viability

or when necessary to protect the patient's health,

as determined by the patient's healthcare provider.

This amendment does not change the Legislature's constitutional authority to require notification to a parent or guardian before a minor has an abortion.

WHAT IT DOES

PUTS WOMEN AT RISK

Amendment 4 would jeopardize existing laws and prohibit new ones that voters on both sides of the abortion issue support, including health and safety laws that protect women.

ALLOWS SECOND AND THIRD TRIMESTER ABORTIONS

Though not defined in the amendment, "viability" is defined in Florida law as the stage of development when the life of a fetus is sustainable outside the womb (Ch. 390.011(15)), generally accepted to be 22-24 weeks of pregnancy, or about 6 months.

CREATES A BROAD "HEALTH" LOOPHOLE

"Patient's health" is not defined in the amendment, allowing post-viability, extremely late-term abortions for treatable, temporary health concerns. Emotional health would justify an abortion when a child could survive outside the womb.

WEAKENS MEDICAL DOCTOR REQUIREMENT

"Healthcare providers" – not just physicians – could determine if an abortion is "necessary" to protect the mother's "health." Even some employees of abortion clinics, such as nurses and counselors, could approve late-term abortions.

ELIMINATES PARENTAL CONSENT

While preserving parental *notification* in our state constitution (Article X, Section 22), the amendment would invalidate the current law that requires parental *consent* for a minor to have an abortion (Ch. 390.0114(5)), making abortion the only medical decision for which parents have no say.

Culture of Life

DAILY PRAYER TO END ABORTION

Lord God, I thank you today for the gift of my life, and for the lives of all my brothers and sisters. I know there is nothing that destroys more life than abortion, yet I rejoice that you have conquered death, by the Resurrection of Your Son. I am ready to do my part in ending abortion. Today I commit myself never to be silent, never to be passive, and never to be forgetful of the unborn. I commit myself to be active in the Treasure Coast pro-life movement, and never to stop defending life until all my brothers and sisters are protected, and our nation once again becomes a nation with liberty and justice not just for some, but for all.

Through Christ Our Lord, Amen.
