Mother Seton Palm Coast  
Council # 17480

Join us: **Third Thursday at 6 PM**

4600 Belle Terre Parkway, Palm Coast 32137

# July 2026

**Brother Knights,**

I want to thank everyone for the great show of support in electing me the new Grand Knight. I look forward to a great year, supporting the brothers, our parish and the community. Through the unwavering dedication to our core principles of charity, unity and fraternity, I look forward to increasing the involvement of all knights, and making this a great counsel!

**Under parish solidarity.**

This council stood up and filled many of the needs of our parish by volunteering to help with many of the needs of our community. Events that happen late night and early morning hours knights are showing the dedication of our counsel to our parish. In speaking with our pastor, the knights have become an integral part of our church function and are relied upon, revealing a level of sustained commitment that should bring pride to all knights of our council.

**COR.**

COR has really taken root in the last year and I strongly encourage knights to take advantage of this resource to learn more about our faith and to become and to share with and encourage one another in these trying times.

**Membership.**

As this council closes in on 300 members, we need to keep up the zeal to increase our efforts to bring in new members. Not to hit some magic number but to increase the opportunities of Catholic men to become part of our fellowship and to increase their knowledge of faith, be with other men of faith and to offer their efforts to assist in the needs of our parish and our community of faith. It is good to remember, when we ask men to join us, that the knights are not just of group of men who meet once a month but a community of guys who are there to grow in faith and to serve.

**The coming year,**

This year will have challenges and opportunists. Opportunities like the Free throw competition for kids (which is held here at SEAS), the Soccer competition, Coats for kids, essay contest and others (I am open to suggestions!). I would also like to start a mentorship for new members and a committee of brothers to assist with the meal preparation for our meetings. We are looking a various fundraisers this year and will need every bother to step up and assist.

Every knight has a voice and I will hear you.

I admit to being a little anxious about this position as it has a lot of moving parts but working with you guys the last couple of years, I excited about our opportunities and continues growth as a council!

Vivat Jesus!

Viva Cristo Rey!

Don Stevenson, Grand Knight Council 17480

## District Deputy Message Greg Gully

July 2026

This council has demonstrated what it means to put faith into action. Through your dedication, service, and commitment to the principles of Charity, Unity, and Fraternity, you have earned Double Star Council through the work of the Brothers that step forward every time to support our FIA, membership and fundraising events.

I am also proud to report that District 17 received three of the five top awards presented by the Florida State Council. Which Include Chaplain of the Year for Fr Jose from Mother Seton Council.

That level of success does not happen by accident. It happens because Brother Knights answer the call to serve their parish, their community, and one another.

As impressive as these awards are, they are not the true measure of our success. The real measure is found in the lives we touch, the families we support, the vocations we encourage, and the witness we give to our Catholic faith. Every food drive, every fundraiser, every hour of volunteer service, and every prayer offered in faith helps build the Kingdom of God here on earth.

In the Gospel of Matthew, Jesus tells us, "Let your light shine before others, that they may see your good works and glorify your Father in heaven." Tonight, these awards are evidence that your light is shining brightly.

Thank you for your commitment to the Knights of Columbus, to your parish, and to our Lord. May we continue to grow in faith, serve with humility, and always remember that our greatest reward comes not from trophies or plaques, but from faithfully answering God's call.

Congratulations, Council 17480, GK Joseph Paul and may God continue to bless you, your families, and the Knights of Columbus.

In Christ Vivat Jesus

## Supreme Chaplain's Monthly Challenge

July 2026

**"While everyone was asleep his enemy came and sowed weeds all through the wheat, and then went off. When the crop grew and bore fruit, the weeds appeared as well."** (Gospel for July 19, Mt 13:25-26)

In the midst of his suffering, Job asked, "Why do the wicked keep on living, grow old, become mighty in power?" (Job 21:7). It seems to human eyes an injustice: the good suffer while the evil prosper. But Jesus explains that God "makes his sun rise on the bad and the good, and causes rain to fall on the just and the unjust" (Mt 5:45). He is a patient God, and we must "consider the patience of our Lord as salvation" (2 Pt 3:15a). God is patient with sinners — including us.

**Challenge by Supreme Chaplain Archbishop William E. Lori:**

This month, I challenge you to reach out to a family member or friend and invite them to go to the sacrament of penance.

### Questions for Reflection:

In what way are you like wheat, and in what ways are you like weeds? Are you envious or disturbed by those who lead unholy lives but seem to prosper? Do you find it difficult to love the "weeds" in your life, to pray for and work toward their salvation?

## White River Rafting

Hey Everyone. How are you? This past week, I went rafting during the Summer Camp. At first, everything seemed easy. The water was calm, the boat was steady, and we were all feeling pretty confident.

Rev. Serigo Santos  
Parochial Vicar

Then came the rapids. And let's just say... not everyone stayed in the boat!

As you'll see in the pictures, there came a moment when the raft tipped, people went flying, and suddenly we found ourselves in the water instead of comfortably seated where we thought we would be.

And isn't that a little like our spiritual life?

There are seasons when everything seems under control. We are praying well, attending Mass, staying close to God, and moving forward with confidence.

But then life surprises us. A temptation. A disappointment. A struggle. A sin. A difficult season. And suddenly we feel as if we've fallen out of the boat.

The good news is this: God is not surprised when we fall. He is the One who reaches out His hand, lifts us up, helps us back into the boat, and gives us the grace to begin again.

So if today you feel tired, discouraged, or spiritually soaked from life's rapids, don't be afraid to return to the Lord. Through prayer, through repentance, through the Sacrament of Confession, through His mercy, He is always ready to help us start over.

Because the Christian life is not about never falling. It is about never giving up on getting back up. And thanks be to God, His mercy is always stronger than our mistakes.

Keep paddling, my friends. Jesus is in the adventure with us!

## Happy Birthday Fr Rob June 22nd

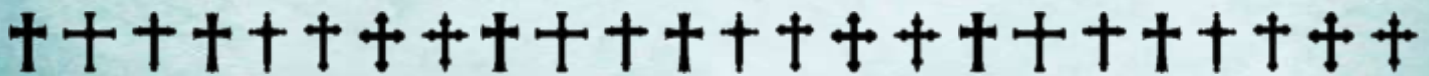

Today we give thanks to God for the life of Fr. Rob Trujillo as he celebrates his birthday!

Birthdays are more than a reminder of the years that have passed. They are an opportunity to thank God for the gift of life, for the countless blessings He has poured out, and for the lives that have been touched through a faithful "yes" to His call.

Fr. Rob, thank you for your generous priesthood, your joyful spirit, your dedication to God's people, and for the many ways you serve our parish family. Your kindness, wisdom, and love for the Lord are a blessing to all of us.

As you celebrate another year of life, may God continue to bless you with good health, abundant joy, renewed strength, and many graces. May the Holy Spirit guide you, may Our Blessed Mother protect you, and may the Lord continue to use you as an instrument of His love and mercy.

Please join me in wishing Fr. Rob a very happy birthday and keeping him in your prayers today. Happy Birthday, Fr. Rob! May God bless you abundantly today and always!

## 19th anniversary of priestly ordination! June 23rd

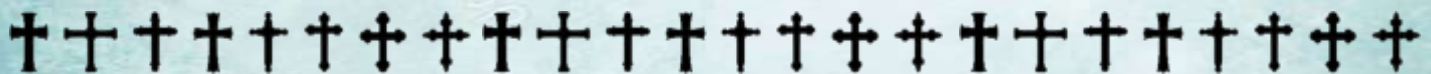

For 19 years, Father Rob has faithfully answered the Lord's call, serving God's people with generosity, compassion, and a joyful heart. Through the celebration of the Holy Mass, the Sacraments, his preaching, his presence, and his friendship, he has touched countless lives and helped many draw closer to Jesus Christ.

Father Rob, thank you for your faithful "yes" to the Lord. Thank you for your dedication to the Church, for your witness of faith, and for the many ways you share God's love with those around you.

May the Lord continue to bless you abundantly, strengthen you in your ministry, fill you with His peace and joy, and grant you many more years of fruitful service in His vineyard.

Please join me in praying for Father Rob today as we celebrate this special milestone in his priesthood.

Happy 19th Anniversary of Ordination, Father Rob! May God bless you always!

## Thank You for warm greetings

I thank you all so very much for your warm birthday greetings. Providentially, today is also the anniversary of an equally grace-filled day in my life. Nineteen years ago, I was ordained a Catholic priest in the Cathedral Basilica of St. Augustine by the late Bishop Victor Galeone.

My priesthood has been both a great gift and a profound mystery. Who could have known that my mother's prayer—that the child she carried in her womb would one day become either a priest or a doctor—would be fulfilled? In a sense, I believe both came true.

One of the common words for priest in Spanish is cura, a word that in verb form means "heals". Through the Sacraments of the Anointing of the Sick and Reconciliation, a priest is privileged to bring Christ's healing to both body and soul. Over these nineteen years, I have anointed and heard the confessions of hundreds upon hundreds of people.

This month is the start of our new Fraternal Year together as Knights — a big congratulations to all new council leadership! This is always a time of new beginnings, when councils can start fresh and reassess where they stand in relation to their goals. This should apply to us individually, too, including personal financial goals. Are you on track to reach them?

**Field Agent

Now is the perfect time to meet with me to review the existing insurance plan you have in place or to help you take the initial steps to create one. I invite you to meet with me every year as your family grows and changes, milestones are reached, and financial needs adjust. As your brother Knight, it's my privilege to carry out Father McGivney's mission by serving your family and helping you gain a clear picture of your financial protection needs, no matter your current situation. If I can be honest, I think this is one the most underappreciated benefits of membership in the Knights of Columbus, and if you've never taken advantage of getting a complimentary financial needs review, I encourage you to make this the year!

With a personalized review using top-tier financial software, I can give you a transparent illustration of your finances with insights on how your current situation aligns to your future objectives. Together, we'll review your current coverage and identify potential protection gaps, ensuring your plan aligns with your goals.

If you're interested in investments that are aligned with Catholic teaching, I can also connect you with Knights of Columbus Asset Advisors, which helps all faith-based investors prepare for retirement, build wealth and beat inflation with additional sources of income. Knights of Columbus, your premier partner for financial services, is for brother Knights, by brother Knights. I'm here to partner with you. Please see me and we'll set up time to work together to financially safeguard your family.

Again, welcome to all our new council leadership! Thank you for serving in this role — I'm excited to work with you to serve our brother Knights and their families.

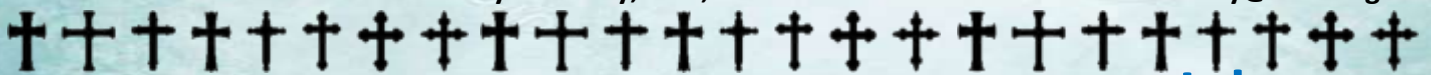

Vivat Jesus!

## Healing a Divided Nation

Amid growing division and mistrust, true patriotism strengthens civic friendship, upholds the dignity of every person, and advances the common good

By Supreme Chaplain Archbishop William E. Lori  
Knightline June 1, 2026

Next month, the United States will celebrate the 250th anniversary of the Declaration of Independence. For many, it will be a moment of patriotic fervor. For everyone, it should be a moment of grace and responsibility.

As Knights of Columbus, we are patriots. We love the lands of our birth, and many of our brother Knights have given their lives in defense of their countries. Patriotism is woven into the fabric of our Order. Indeed, our Fourth Degree is known as the “patriotic degree.”

Yet our patriotism is not blind. In celebrating this 250th anniversary, we give thanks to God for what is noble in America while not forgetting what is painful and flawed. The Declaration of Independence proclaimed that all are created equal and endowed by our Creator with inalienable rights. Two and a half centuries later, we often struggle to live up to that ideal. Many were excluded from those rights for generations — and some still are.

Let us be builders of unity in the broader culture by recognizing legitimate diversity where it exists and respecting the humanity of those with whom we disagree.

Perhaps most painful are our deep divisions. Our political culture is wounded. Public discourse is more vitriolic than ever, and the threat of political violence hangs in the air. Trust of our institutions and leaders is at an all-time low. Often, politics is more about theater than good governance, more about holding power than defending human dignity, and more about winning partisan victories than securing the common good.

As a result, our unity as a nation is endangered. We have lost our ability to discuss our differences with civility and our capacity for civic friendship. Everyone is expected to take sides, identifying as a Democrat or a Republican before identifying as Americans or, indeed, as Catholics. We have lost the capacity to listen, to empathize, to walk together as “one nation under God.”

Patriotism is not oblivious to a nation’s shortcomings. But neither do patriots content themselves with complaining about what’s wrong. True patriotism spurs us to help our country become the best version of itself — to make things better, to repair a broken system and a shattered web of relationships, beginning with the family, and to recover our highest ideals, especially the dignity of the human person at every stage of life, from conception until natural death. What, then, can we do?

As patriotic Knights of Columbus, let us do what we must always do: put into practice the principles of our Order — charity, unity and fraternity.

Charity takes many forms: feeding the hungry, protecting the widow, the orphan and the outcast. It also involves listening to others, discerning what is good, and striving to walk together. This does not mean abandoning truth; it means truth and charity walk together. It also means leaving our comfort zone and encountering those with whom we disagree, not as opponents but as persons made in God’s image.

Unity requires responsibility. We are called to be builders of unity in the Church, for Jesus prayed that his followers would be one. Let us also be builders of unity in the broader culture by recognizing legitimate diversity where it exists and respecting the humanity of those with whom we disagree.

Fraternity and friendship go hand in hand. Because we share a common humanity, we are to reach out to those in need. We also seek a culture of mutuality in which we both give and receive, supporting one another in our lives as believers and citizens.

In Blessed Michael McGivney, we encounter a priest who knew that following Christ is inseparable from building communities where human dignity is protected and hope is sustained. He reminds us that love of country and love of neighbor are not rivals but companions rooted in the Gospel.

## *Tootsie Roll Drive Saturday, June 6<sup>th</sup> at Publix*

The Tootsie Roll Program provides health care, learning, and quality of life opportunities for children, teens, and adults with disabilities. Grants are offered primarily to public and private agencies that are qualified not-for-profit organizations focusing on improving the quality of life and providing healthcare and related services benefiting those with disabilities.

We accomplish this mission by raising funds to support a variety of state-wide programs like Special Olympics, summer camps for all ages, education in residential care facilities, on-the-job training workshops, and more regardless of the nature of an individual's disability.

## Fr. Jose Chaplin of the Year Award

Father Jose received the Chaplain of the year award from Florida State Council. It is the highest award issued by a state. Out of thousands of Chaplains in the order only a single Chaplain from each State earns the honor. Our Chaplain, Fr Jose, so rightly earned this honor.

## Respect Life Mass in Jacksonville

Mass outside the abortion mill in Jacksonville was led by Fr. Rob on Friday, June 26<sup>th</sup>, 2026.

The Respect Life Ministry and Knights of Columbus, Family for Life, headed up by Life Director SK Wayne Friday, came together to ask for forgiveness and mercy for all people involved.

Our mission is to promote and defend the sanctity of human life at every stage. We works throughout our community to foster a culture that recognizes the inherent dignity of every person—from conception to natural death. Through education, advocacy, prayer, and compassionate outreach, we support individuals and families facing difficult circumstances and helps bring the message of life and hope to our parishes and neighborhoods.

**Our mission** is rooted in the belief that every human life is a gift from God.

Respect Life works to:

- Promote respect for human life from conception to natural death
- Provide resources and support for mothers, fathers, and families in need
- Educate the faithful on issues related to the dignity of life
- Encourage prayer, awareness, and action within our Catholic community

The Knights of Columbus have long been committed to protecting life and supporting families. Our council is proud to stand alongside by supporting this initiatives, raising awareness within our parish, and encouraging our members and parishioners to participate in programs that defend and celebrate the gift of life.

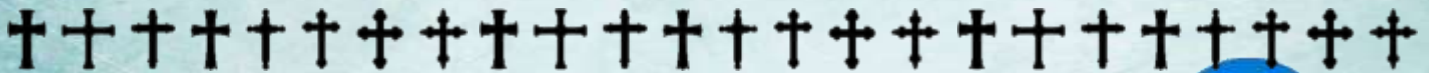

By working together as a faith community, we can help build a culture that values compassion, supports those in need, and upholds the dignity of every human person.
