Grand Knight Ralph Esposito Message

July 2024

In recent years, I considered joining the Knights of Columbus. However, my schedule was hectic; running my business of 24 years, doing ridesharing to supplement my income, raising my kids, and aiding in care for both of my in-laws. It had been awhile since attending church in 2021. With the pandemic and my 2 month recovery from major neck surgery; my wife and I were finally able to attend mass in person again. A short time later, a Sunday in October, the Knights of Columbus of SEAS did what was called a “membership drive!” I had decided to take a peek at their table in the vestibule. This was a time that between my first ever surgery, and the condition of our country and world, I turned to God more than ever. Thus there stood a few men, some that I had seen from time to time at the 8 am mass that we attend weekly. I went directly to the man with the ponytail. He was welcoming, informative, energetic, and gave positive vibes. Mike gave me a history of the Knights of Columbus, handed me plenty of booklets to look over, and mentioned some historic figures that were KofC. No pressure in signing up or verbally committing. Among the things he said, were that these men will become close to you. Some may become best friends, or possibly be your pallbearers. I thought to myself, is this implying that I will die soon? I had decided at that time to step up and make a difference, to my family as a role model to my four sons, to my community, and especially, to my church. I filled out a Form 100 at that time. A few weeks later, on November 7th, 2021, I had joined council 17480.

Fast forward to six months later, I was asked by Brothers Mike and Joe if I’d like to become the Deputy Grand Knight. Well, I could have taken this one of two ways. They may have possibly asked every single Knight in our council, and they all refused, spouses included, and then decided to ask the rookie, or maybe they saw something in me that would be a good fit for that position, followed by becoming the Grand Knight. I would like to think it was the latter one. At that time, I was not sure of what a DGK’s duties were. Mike Tennyson, Joe Lupo and Owen Thompson did a great job working with me so that I would be prepared for that role. So on July 1st, 2022, I filled that and the role of Program Director, with honor and pride. Well these two years had flown by. As I sit here today typing this out, I feel that becoming the Grand Knight will involve a major challenge to continue to take over where Worthy Brothers Mike and Owen left off. It is a surreal feeling that in a short period of time, I have been trusted to continue to lead 17480 in the right direction. I thank all of you for giving me this opportunity. With my councils help, and many have offered to assist in any way that I see fit, I am confident that we continue doing a great job for St. Elizabeth Ann Seton Church.

District Deputy Message July 2024 Greg Gully

Brothers, I am honored to be chosen as District Deputy for District 17. I follow two giants in Former District Deputies Kevin Ryan and Paul Gloeckler. I have learned much about being a DD from both of these honorable men. I can honestly say if I am half as effective as these two Worthy Brother Knights then District 17 will be successful. The 2023-2024 fraternal year was extremely successful. Well deserved honors have been bestowed on FDD Kevin Ryan. He qualified for 3rd place in the state of Florida in membership and also for All Star District awards. All 3 Councils in the district have also received numerous awards. St. Mary's attained star council, Mother Seton attained double star council and Notre Dame also attained double star council along with many other awards for each council. The 2024-2025 fraternal year has begun. We welcome new officers and especially Grand Knight Jerry Chabon. I will work, under his leadership, to diligently assist the council to attain and surpass the successes of the last fraternal year. Unified we can achieve this. Calendar year 2024 is also a contentious election year. Politics has no place at council meetings. That being said, Amendment #4 is NOT political. The Knights have been on the front lines of life issues since their inception. Amendment #4 will be discussed and prayerfully defeated. Now more than ever we need EVERY Brother Knight to stand boldly for life. This is our time to do everything in our power to defeat the cult of death. I implore you to make a visit to the abortion mill in Jacksonville to pray for the Moms and Dads that feel like murder is their only option. Stand with signs educating voters on amendment #4. Speak with everyone you know. We must defeat amendment #4 to ensure that this extreme abortion measure is never enshrined in the state constitution. Let's get to work on making 2024-2025 a banner year, because we are called to service and that is what Knights do!

Vivat Jesus! Greg

Fraternal Benefits

I always think of July as being the midpoint of the summer. I hope your summer is going well and you're getting to enjoy it. Summer vacations, kids out of school, lots of outdoor sports, tending flowers and vegetable gardens. Seems like there is so much more to keep up with than during the winter. Maybe that's what makes it seem like summer goes so fast and winter drags on. Summer will be gone before you know it!

For this month a couple of thoughts come to mind. A case that came up recently had to do with the ownership of life insurance policies. If you have policies on dependent children, it's wise to have a contingent owner listed. A parent is most often the owner of the child's policy, but often there is no provision made on the policy should that parent pass away. Having a contingent owner listed in this situation makes for a smooth transition of ownership. That's one of the many things I can help with when I review policies for you.

Fraternal benefits come with being a member of the Order. One of these fraternal benefits is known as the Spouse's Right to Apply. This benefit is spelled out in each of our insurance contracts and provides a widow with the right to apply for any of our products for up to one year after her husband's death so long as he was an insured member at the time of his death. It's another good reason to become an insured member with the Order. It gives that right to your spouse. One of the advantages of meeting with me is to review just these kinds of situations. I hope to put your mind at ease.

There are many more fraternal benefits. When I meet with a member and his spouse, I try to make sure I explain all of them that are pertinent. This is all in addition to our financial needs analysis tool that can help determine needs. I think this analysis and the insurance products we offer are two of the most worthwhile benefits the Order provides. This is a robust and cutting-edge platform that is used throughout the life insurance industry. We used to use a much simpler form called the Family Service Record to help keep track of important household information if the need ever presented itself. Now one of the benefits I provide to you and your family is to go through this financial needs analysis and help determine where you are now and where you want to go. Your financial health is critical to your family's future security. We'll take a look at your dreams, goals and aspirations and help make sure you're on track to make them become a reality. As always, there is never any requirement to purchase any product, but a baseline or periodic check-up is a wise idea.

I appreciate the trust you've placed in me and the opportunity to serve you! Enjoy the summer!

Ever-living God, you give life and desire a future for all your children. Take hold of our nation, state, and community and awaken in every heart awe for the gift of life. Send your Spirit to strengthen us with wisdom and fortitude as we defend mothers and children in Florida from laws that disregard their health and safety.

Mary and Joseph trusted in you and welcomed Jesus into our broken world. God Almighty, we ask their intercession to protect the preborn and their mothers, and to guide all parents in raising their children. MARY QUEEN OF THE KNIGHTS

Intercede to Jesus for those in need of his healing:

Fr Rob's Mother, Joan Thompson (Wife of GK Owen Thompson)

Mike Miller, Doug Laidlaw, Dennis Kow,

Connie Diguilo (wife of Pete) Kevin Ryan, Mike Tennyson,

Almighty and Eternal God, You are the everlasting health of those who believe in You. Hear us for Your sick servant for whom we implore the aid of Your tender mercy, that being restored to bodily health, he (she) may give thanks to You in Your Church. Through Christ our Lord.

SUPREME CHAPLAIN'S MONTHLY CHALLENGE

JULY 2024

When Jesus raised his eyes and saw that a large crowd was coming to him, he said to Philip, "Where can we buy enough food for them to eat?" (Gospel for July 28, Jn 6:5)

Jesus can do anything, but he often expects his disciples to participate in his work. Notice that although Jesus performs the miracle, it is the disciples who find the boy with the loaves and fishes, distribute the food and collect the leftovers. We must reject the error of quietism — the idea that activity has little to no place in our spiritual life — and recognize that we have an active role to play in Christ's sacred mission.

Challenge by Supreme Chaplain Archbishop William E. Lori:

This month, I challenge you to support one effort to serve the poor and those most in need in your community.

Questions for Reflection:

Do you recognize that Christ has work for you to do in this life? When you see suffering around you, is your first response to consider what Christ might be asking you to do? How can you grow in your awareness of the tasks Christ is asking you to undertake?

Invite One Back Initiative

Make Your Flock Whole

It's a familiar story: the family you used to see at Mass every week slowly stopped showing up when "life got busy." Or maybe there's an elderly parishioner you haven't seen since the COVID-19 pandemic a few years ago. Noticeable or not, we all have holes in our pews.

A 2014 PEW study found that 13% of all U.S. adults are former Catholics—and that was ten years ago! That means for every convert to the faith, there are at least 6.5 fallen-away Catholics. COVID-19 amplified this problem. A 2022 CARA study showed a 7% decline in Sunday Mass attendance compared with pre-COVID data. This significant portion of Catholics lost connection with their local parish during the shutdowns, and just never came back.

It's time to bring them home.

In this Year of Parish Revival, we are inviting clergy and parish leaders to pursue each lapsed member of their flock. Just like the Good Shepherd, we will call each of the lost sheep home as a part of the Invite One Back initiative. This campaign begins now in anticipation of the upcoming Year of Mission, when the wider Church will be sent out to win new souls for Christ. Returning fallen-away members to the fold will set the groundwork for this new missionary chapter.

The goal of this initiative is to guide people to intimate encounters with Jesus Christ and lead souls to salvation, allowing them to experience God's love, mercy, and goodness. To do that, we all need to invite back everyone who has left in a way that makes sure they feel seen and desired as an individual member of your parish family. Whom are you called to invite home?

Why Invite One Back?

Let's take a look at some important research presented in the CARA Study and where things stand since COVID-19:

- ◆ Before the COVID-19 pandemic, 24% of adult Catholics attended Mass at least once a week. That number has fallen to 17% post-pandemic. This represents a roughly 30% decline in Mass attendance.
- ◆ <1% of adult Catholics are homebound, shut-in, sick, or simply unable to come to Mass.
- ◆ 5% of adult Catholics are still watching Mass online or on television, in addition to the <1% of Catholics who are unable to come to Mass.
- ◆ If we assume that those 5% attended Mass at least once a week pre-pandemic, this would imply that 2% of adult Catholics have **completely** fallen away since COVID-19.
- ◆ 75% of those watching Mass online due to the COVID-19 pandemic state that they believe in the Real Presence of Christ in the Eucharist.

KNIGHTS OF COLUMBUS: MEN ON A MISSION

Charity, unity, fraternity and patriotism. These are the four pillars that guide brother Knights as they put their faith into action in service to God, their families and their communities.
