Grand Knight Report:

Our Open House went very well and was attended by 30 people. There were two new transfer members there as well as two new possible members attending with their wives. There were 12 brother Knights and many wives there. The food was from Olive Garden. Everyone had a good time and great fellowship. I think everyone learned a lot about what the Knights do.

As of today, we have met 120% of our goal for this year with 3 or 4 new members waiting to be reared in and to take their degree.

I would like to thank our Council Officers for a job well done this past year and our newly elected Council Officers for the upcoming year.
