## Grand Knight's Report

Worthy Brothers,

My brothers as we start a new year, I would like everyone to step back for a minute and ask yourself why did I join the Knights of Columbus. Did I join because someone kept bothering me. Did I join just to carry a card around and brag that I am a member. I hope everyone can honestly say they joined to help make a difference. That is what the Knights are all about. If we work together each of can be proud that we are making a difference. To do this each of us is going to have to make some sacrifices. We need everyone to do their best to make it to the meetings. If we don't put our heads together and come up with some new fundraising we can't accomplish anything. Our old fundraisers are just breaking even if that. We need new ideas and support from all of our members. We have 3 or 4 members that do 85% of the work. I know that those with families still at home have little spare time but I am begging for you to give the Knights whatever time you can. We can turn this around and start to bring in more money for our charities. We just need to stand together and we can make that difference. God bless each and every one of you.

MARY QUEEN OF THE KNIGHTS  
AND MOTHER OF JESUS PRAY FOR  
US. Love each and every one of y'all and  
see you at our next meeting.

## Deacons Report

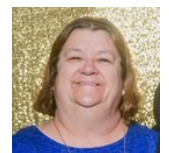

Dear brothers in Christ,

A new parishioner wanted to know when Mass started so he approached his pastor and asked, "When does the service begin?" The pastor looked at him and answered, "When the service ends." The pastor is right. If we view the Mass as a one time event that we attend on Sunday we don't understand what the Mass is all about. It isn't over when the priest gives the dismissal and final blessing. It is a call to serve just as Christ called the apostles to serve.

We can serve others by placing more importance on the needs of our children and our wife or husband than we do on our own needs.. We can help out in a soup kitchen or we can make ourselves available to family or friends who are hurting. There are many ways to serve. The important thing is that we view the Mass as a call to serve God by serving others.

God bless,  
Deacon Stan Grenn

## **Culture of Life** **Prayer for Life** **Life Quotes on the Value of Life 7-10**

7. "The fetus, though enclosed in the womb of its mother, is already a human being and it is a monstrous crime to rob it of the life which it has not yet begun to enjoy. If it seems more horrible to kill a man in his own house than in a field, because a man's house is his place of most secure refuge, it ought surely to be deemed more atrocious to destroy a fetus in the womb before it has come to light." — John Calvin, French Theologian, Pastor, and Reformer
8. "The right to life is the first right mentioned in the Universal Declaration of Human Rights. Every human being, born or pre-born, is entitled to this fundamental right." — Dr. Jerome Lejeune, French pediatrician and geneticist
9. "The life of the unborn is of equal value to the life of the mother, and any law that disregards this is unjust and must be opposed. — Dr. Edmund D. Pellegrino, physician, bioethicist and academic
10. "To be pro-life is to recognize the inherent value of every human being, regardless of their stage of development." — Author Unknown.
