**Grand Knight's Report**

Brothers, as we prepare to leave the Easter season let us be thankful for all of our blessings.

We had our elections last meeting, and I know we will all support our new Grand Knight Martin Kpessou and our new Deputy Grand Knight Henny Kroom. Congratulations to you brothers and I am confident you will do remarkable things for our council when begin your term.

Brothers, we have Sunday breakfast coming up on May 3rd and we will start our six weeks of bingo on Saturday May 9th. Our Bingo night is a trial to see if we can do this and be successful. It could be a good moneymaker for the council if we can, but it is going to take all of us to make it a successful event.

Love each and everyone of you and I pray that God is watching over you.

MARY QUEEN OF THE KNIGHTS AND MOTHER OF JESUS PRAY FOR US.
Tom

Deacons Report

In this time of uncertainty, division, and competing messages, we need to try to focus on the main goal for our salvation. That is **listening to The Lord as he speaks to us**. With all of the everyday noise we may need to increase the setting on our hearing aids to hear His message.

When He speaks to us it may be like when Saul was encountered on his way to Damascus. Or it might be like a whisper in the wind. We just need to try and listen to Him.

But after hearing Him, we should then take action to fulfill His request.

So, there are two tasks for us to fulfill. One to hear His message and second to take action to carry out His mission.

**K'Cees Korner**

Culture of Life **Abortion Quotes**

"...Any country that accepts abortion is not teaching its people to love one another, but to use violence to get what they want."-Mother Teresa

But I really like this part of Mother Teresa's speech:

"By abortion, the mother does not learn to love, but kills even her own child to solve her problems. [Abortion is] really a war against the child, and I hate the killing of the innocent child, murder by the mother herself. And if we accept that the mother can kill even her own child, how can we tell other people not to kill one another? ... Any country that accepts abortion is not teaching its people to love one another, but to use violence to get what they want. This is why the greatest destroyer of love and peace is abortion."

JPII: "A nation that kills it's own children is a nation without hope."

Pope Francis: "It's not progressive to resolve problems by eliminating a human life."
