Grand Knights Message

May 2024

Dear Brother Knights,

Happy Spring! It is a blessed time of the year. Flowers are blooming, birds singing, what a time! What a time to celebrate as Knights, who have done so much this year! I could not be more proud of the officers and all the members who took the time to help with so many events! We are doing well above average this year! We have already reached our membership quota with 17 new members and have earned the much sought after McGivney award!! Now, we are about to close in on the Founders award! We are one step from a star council, but we cannot stop now. We must hold set events as arranged by the State Council. We have 2 more months to do that. Details will follow regarding what we need. What a turnaround! Thank you!

While the present fraternal year draws to a close, we are looking forward to the new fraternal year beginning on July 1. Officer nominations are in, but not yet closed, so nominations from the floor can still be made. Most of the officer positions do not require a great deal of work, short of attendance at meetings. More effort and time commitment is needed to support the various activities that we undertake. So, give it a try.

The elections will be held at the June 11th Meeting

Nominations were made at last's month meeting. These are the nominated officers. Please keep in mind, these are only nominations! Anyone can be nominated to run for any office.

And speaking of activities, we are planning to continue what was done in the past and start new efforts. Our field agent is holding a Fraternal Benefits short presentation that we can listen to while we eat our dinner after the May 14 meeting. We can then get credit for that Founders award I spoke of earlier in this message. We need a minimum of 14 attendees. There is no obligation, but the financial products offered by the Knights of Columbus are varied and world-class, beyond the life insurance typically associated with Knights. As our membership ages and many of us cannot be as active as we might like, new members are essential to the growth and longevity of the Council. We have a special catered meal so do not miss out.

**Yours in Christ,
Vinny Burdo, Grand Knight**

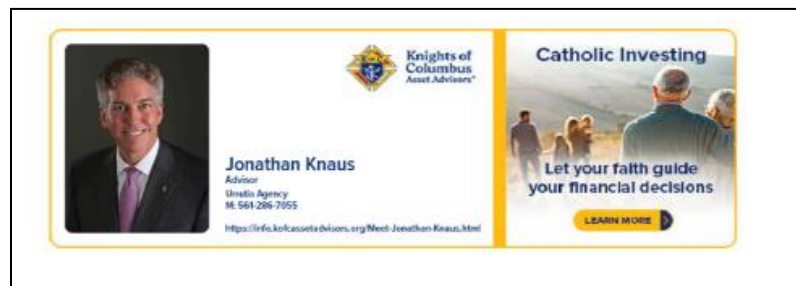

May Council Message

Spring is here, at least by the calendar, and it will soon be summer. Perhaps you're planning your summer vacation. Maybe you've not only planned it, but you've already booked your hotel, VRBO®, or Airbnb®. Maybe you've gone as far as to purchase plane tickets...or maybe your vacation spot will be within driving distance. You're already thinking of the clothes you'll have to pack and those new pieces that you'll have to buy. You've got a little extra cash saved to buy some special souvenirs. You are researching the area and finding the interesting historical sites to visit. Seeing where the fun spots are...checking out the local places to dine. How do you want to plan your week away?

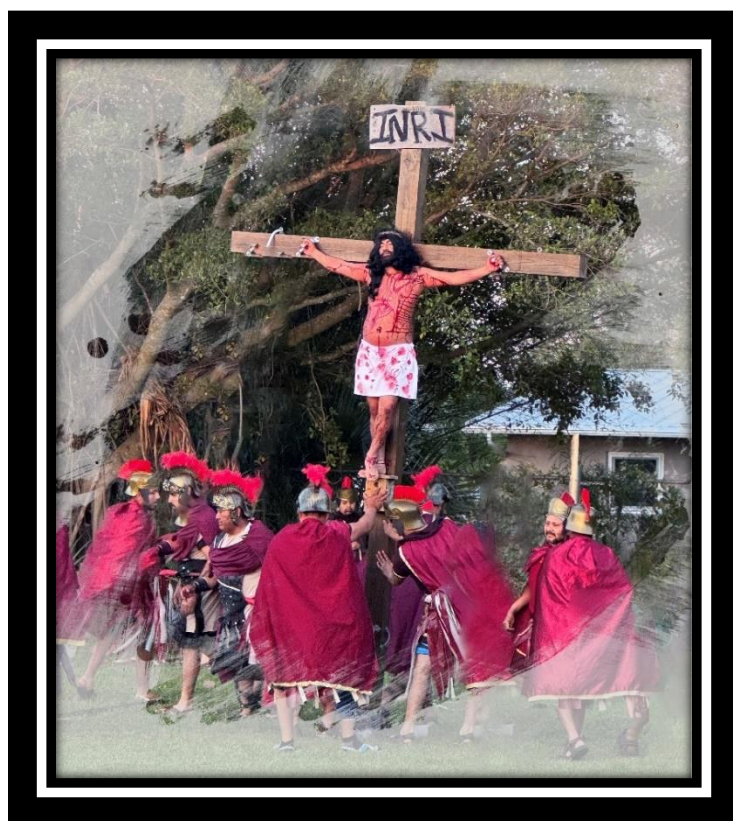

I'll admit it, I enjoy doing that research, especially when I'm driving. I like looking at maps and seeing what sights there are to see, the historical venues, the local restaurants. I like looking online (and maybe even getting some old-fashioned travel brochures) to check out my travel destination. If I'm driving, I like to pick a route. Not necessarily the fastest on my GPS though. The fastest route often bypasses the interesting sites. (Think historical Route 66 and all the interesting places along that road!) When I'm all done and I've got everything laid out, I have a certain sense of accomplishment. I know I'm going to have a good time because I've looked at many options and picked the ones that mean the most to me.

I think of working with you, my brother Knights, in much the same way. When I sit down with you and your spouse we start with a financial needs analysis. We "drop a pin" on your map to show where you are now. We enter a destination of where you want to go. What do you want to see for your family if the unforeseen happens? That might be a situation where one of our products, life insurance, long-term care insurance, disability income insurance, or a retirement annuity, may be needed. Think of that product as the vehicle that gets you or your family farther along to a better place on your financial road map. Much like a vacation, we'll make stops along the way, take a look "under the hood," and make sure the strategy is still "running on all cylinders." There are many options to discuss, even within the different lines of products available, to help you get to where you want to go.

Do you have a strategy? May I have the privilege of helping you and your family develop one or fine tune the one you have? I'll be calling soon to set up a time to get together to discuss your financial road map.

St. Joseph Passion of Christ

Members of St. Joseph's San Jose Council with assistance from St. Joseph's parishioners reenacted the Passion of Christ on Good Friday. The event encompasses the profound events surrounding Jesus Christ's arrest, trial, and suffering. It culminates in His execution by crucifixion. In a succinct sentence, the Passion of Christ is unconditional love on display in living color: "God is love." (1 John 4:8)

Holy Redeemer Family Picnic

The sun shone brightly as families gathered on the church grounds for Holy Redeemer's annual family picnic. Laughter echoed, and the aroma of grilled burgers and hotdogs filled the air. Games were set up for the Children, Food stations abounded: Many Brothers were present in support of this event. Fr. Marty gave the blessing and then the fun began.

SEMINARIANS SUPPORT

Brothers,

As you all know the Catholic Church is facing a shortage of priests worldwide. Fewer and fewer young men and women are accepting the call to religious life. Recognizing this disturbing trend, our Council initiated a program to support Seminarians while they were pursuing Priesthood. Our Seminarian Support program has for many years supported four seminarians monthly with a \$50 stipend, helping them meet their financial needs. This year two of those seminarians will enter the priesthood on May 4, 2024, Mr. Rev. Joshua Martin, a Saint Joseph parishioner, and Mr. Rev Jean Serge Dube. On May 5th Fr. Joshua Martin will celebrate his first mass in his home parish, St. Josephs. Please pray for them and all priests.

Diocese of Palm Beach - May 4, 2024

Mr. Rev. Jean Serge Dubé

Mr. Rev. Joshua Martin (St. Joseph parishioner)

PLEASE JOIN US IN PRAYING FOR OUR NEWLY ORDAINED PRIESTS!

O Jesus, our great High Priest, hear our humble prayers on behalf of your priests.

Give them a deep faith, a bright and firm hope, and a burning love which will ever increase in the course of their priestly lives.

In their loneliness, comfort them; in their sorrows, strengthen them; in their frustrations, point out to them that it is through suffering that the soul is purified. Show them that they are needed by the Church, they are needed by souls, they are needed for the work of redemption.

O loving Blessed Virgin Mary, Mother of Priests, take to your heart your sons who are close to you because of their priestly ordinations, and because of the power which they have received to carry on the work of Christ in a world which needs them so much. Be their comfort, be their joy, be their strength, and especially help them to live and to defend the ideals of consecrated celibacy.

Amen.

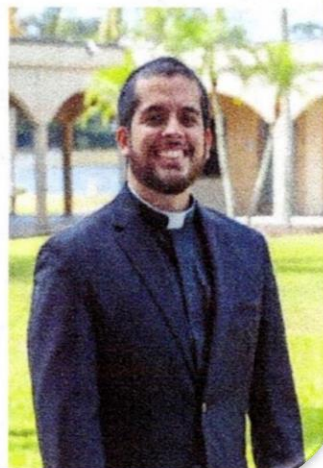

God Bless You on your Ordination

Bingo Update

Welcome back to Bingo! The new machine works well as can be attested by 69 players we had for our first week back. The use of the flat screen TV is a bonus, as it pairs well with the machine to provide high resolution displays that can be seen across our smaller venue (for the time being). The games are the same and is a bit less cumbersome for the caller to call. Still working on getting the audio system to operate pristinely, seems to be a challenge to get good quality transmitters.

We welcome Greg Makozy, who has volunteered to be the fourth cashier. We also welcome back Artie Burke, who has volunteered to take Team D cooking activities. With the additions, we must also bid a warm farewell to John Kelly, who assisted with Thursday Bingo at the hall, and has also helped on the floor and as a ticket salesman since our move to Holy Redeemer. He will always have an invite back in case he freezes up in New Hampshire.

If you look at the bingo schedule in the shield, you will find some holes we would like to fill. With over 300 members, I am quite sure we can fill a lot of the open holes. Remember, if it weren't for Bingo, our charities would not be funded by the Knights of Columbus, meaning someone may be going without. Over 90 percent of our charitable budget comes from Bingo, including the 500 to 700 meals we provide to shut-ins and less fortunate people on Thanksgiving.

If you can help, even once a month, it allows us to release people who volunteer WEEK AFTER WEEK. Please let me know. Again, other than the caller and main cashier, there is very little training that needs be done – like 5 minutes per station. And if you wanted to learn to call or cashier, we can always have standby's. Please help us keep alive the first pillar of the Knights of Columbus – Charity.

God Bless.

Florida Bishops Oppose Extreme Abortion Amendment Vote No on Amendment 4

Florida Amendment 4, which will appear on Florida's November 2024 ballot, is an extreme proposal that legalizes full-term abortion with no protections for the preborn child, including when the child is capable of feeling pain. This proposed amendment to our state constitution would prohibit all restrictions on abortion before viability and create a broad exception that any healthcare provider could exploit to allow abortion up to birth.

Furthermore, the amendment would effectively overturn or seriously jeopardize common-sense state laws that have regulated abortion for years. These include basic health and safety requirements for clinics where abortions are performed, requiring a physician to perform abortions, informed consent requirements, laws limiting public funding of abortion, and parental consent requirements before a minor's abortion.¹ These risks demonstrate the extreme nature of the amendment.

We urge all Floridians of goodwill to stand against the legalization of late-term abortion and oppose the abortion amendment. In doing so, we will not only protect the weakest, most innocent, and defenseless of human life among us but also countless women throughout the state from the harms of abortion.

Human life is sacred. The dignity of the human person is the foundation of a moral vision of society. Direct attacks on innocent persons are never morally acceptable, at any stage or in any condition. In our state, human life is repeatedly being destroyed by abortion. Over 84,000 vulnerable and voiceless children were aborted in Florida in 2023.

This matter concerning the respect for human dignity and the fundamental value of human life is of grave importance to both our Church and our state. The threat of abortion remains our pre-eminent public policy priority. Therefore, we support a coordinated campaign to mobilize against the proposed amendment. To this end, we offer this prayer to defeat Amendment 4:

Ever-living God, you give life and desire a future for all your children. Take hold of our nation, state and community and awaken in every heart awe for the gift of life. Send your Spirit to strengthen us with wisdom and fortitude as we defend mothers and children in Florida from laws that disregard their health and safety.

Mary and Joseph trusted in you and welcomed Jesus into our broken world. God Almighty, we ask their intercession to protect the preborn and their mothers, and to guide all parents in raising their children. May they help us build a civilization of love by upholding the sacredness of life and accompanying pregnant women in need.

We ask this through Christ, our Lord. Amen.

Our Lady, Mother of the Family, pray for us! St. Joseph, Protector of the Unborn, pray for us!

¹ Florida law distinguishes between parental *consent* prior to a minor's abortion (Ch. 390.01114(5)), which would be invalidated by Amendment 4, and parental *notice* of a minor's abortion (Ch. 390.01114(4)), which would be retained.

Culture of Life

DAILY PRAYER TO END ABORTION

Lord God, I thank you today for the gift of my life, and for the lives of all my brothers and sisters. I know there is nothing that destroys more life than abortion, yet I rejoice that you have conquered death, by the Resurrection of Your Son. I am ready to do my part in ending abortion. Today I commit myself never to be silent, never to be passive, and never to be forgetful of the unborn. I commit myself to be active in the Treasure Coast pro-life movement, and never to stop defending life until all my brothers and sisters are protected, and our nation once again becomes a nation with liberty and justice not just for some, but for all.

Through Christ Our Lord, Amen.
