MARY AS THE PINNACLE OF SACRIFICE -

Michelangelo's famous *Pieta* this ideal sacrifice in the visual form might well be regarded as the female equivalent of the crucifix. The sculptor carved this masterpiece which now occupies a place of honor in St Peter's Basilica in Rome, from a single block of marble when he was twenty-three years of age. It represents Mary, our eternal Mother, contemplating in peace and humility the broken body of her crucified son. What is the meaning of this unforgettable work? It is the good mother offering up her child to be broken by the terrible world. Is it not just as painful for a mother to give up her child to the world as it is to offer herself to fate and destiny? Is there any love greater than the love willing to offer a child in sacrifice to what is truly the highest offering? This is of course true for father as it is for mother. It reflects the unbreakable bond between parent and God in navigating the secular world.

This bond offers the opportunity for each of us as parents or grandparents to participate in God's plan for our family. This means that the single most important task we have before us is to teach our children and grandchildren to pray — in union with the Church and Mary.

This is the essence of our spiritual mission as Knights of Columbus. More than just attending to our children's physical needs, our role is to be the provider of spiritual guidance to prepare them for their personal sacrifice in the secular world. So, how can we do this? To be authentic teachers of prayer and to reflect the love of God the Father, we need to spend time in personal prayer every day.

We should also pray with our families, leading them in prayer. This means, most importantly, bringing them to Mass every Sunday, as well as teaching them the ancient and beautiful prayers of the Church.

Praying together before meals and celebrating feast days and liturgical seasons can foster awareness of God's presence. A family rosary — or even just a decade, depending on the circumstances — can bring Mary's peaceful intercession to your family, and it will equip your children and grandchildren with a powerful tool of prayer as they face their own personal challenges.

Prayer is more than an exercise; it's a living relationship with our Lord. Leading your family in spontaneous prayers from the heart — prayers of petition and thanksgiving — can be especially powerful. If your children hear you pray in this way, it becomes natural for them to do so as well — and prayer becomes a personal encounter with God.

With Mary as our example, how could it not be that the willingness to sacrifice even what is most dear to that which is even better serves as the antithesis of the resentment that embitters and corrupts in the secular world. The greater the demands that are upon us; the more our wives and children depend on us and the greater need we have for prayer. This is our mission as Knights.

May the Blessed Virgin Mary, who pondered all these things in her heart (Lk 2:19), intercede for us as we strive to keep our families ever more united with her Son, Jesus Christ.

Vivat Jesus!

STONEYBROOK SOCIAL & CHECK PRESENTATION -

On the 30th of March our social was held at the Stoneybrook CC. During the social we disbursed the money raised during January and February from our Citizens with Disabilities (Tootsie Roll) Campaign.

Thanks to the organization skills of Steve and Carol McElroy and the leadership of Scott Deahna and Cory Devito and the many volunteers who spent hours in front of 4 Publix stores and at the STM weekend, we were able to present checks in the amount of \$8,500 each to Connie Taft of St. Mary's Academy and Sean Donovan of Oak Park School.

Connie Taft was overwhelmed and overcome with gratitude after receiving a check in the amount of \$8,500 from Brother Corey Devito.

Pictured above, she is addressing the members and their wives to thank everyone for their hard work and outstanding success during the Tootsie Roll Campaign this year.

During her appreciation speech, she announced that she will be joining our STM parish and her significant other, Nelson, will be transferring into our Council 7826 as soon as possible.

Welcome Connie & Nelson!

FR. NICK - STM CHECK PRESENTATION -

As part of the festivities, the Grand Knight presented Fr. Nick with a check for \$ 2,000 for the STM CFA. Fr. Nick is seen expressing his appreciation for the contribution and the service and dedication of the Knights at STM for all the work and support of our parish.

Worthy Charlie Culkin also took the opportunity to thank those members and their wives who worked the Oriole Spring Training games. This was the 14th year of both STM and Incarnation Councils working together to support the charitable work of both councils. According to Worthy Charlie, we made more money in tips than in commissions and it was the - BEST YEAR EVER! Thanks to Dr. Steve, Theresa and Worth Charlie Culkin!

THE DEATH OF POPE FRANCIS -

Our beloved Pope Francis passed away early on Easter Monday at the age of 88. He will be remembered as an exceptional leader of the Catholic Church with his outspoken views on social justice, the role of women in the church, and his life of service, humility, mercy, and a profound love for all of creation. Rest in Peace!

Another legacy of Pope Francis is the beginning of a comprehensive restoration of the Baldacchino (canopy) over the high altar in St. Peter's Basilica. That is being funded by the Knights of Columbus. This project, the first since 1758, is being undertaken by the Fabbrica di San Pietro. The Knights are also supporting the restoration of Bernini's bronze statues surrounding the Chair of St. Peter.

St. Peter's Basilica Restoration -

Baldacchino Restoration:

The Baldacchino, a 10-story bronze, marble, and gilded wood structure, was commissioned by Pope Urban VIII and completed in 1633. It's a masterpiece by Gian Lorenzo Bernini and stands over the tomb of St. Peter. The Knights of Columbus are funding the restoration in preparation for the 2025 Jubilee Year of Hope.

Restoration Significance:

This restoration is seen as more than just preserving art; it's a reflection of God's love and the Church's foundation upon St. Peter. The Knights of Columbus are contributing to the preservation of these important sites within the basilica.

Our Supreme Knight, Patrick Kelly said, "The Baldacchino brings together two realities, the reality that God comes to dwell with us, and the reality that we are called to raise our hearts and our minds to him in prayer and in gratitude."

RIGHT TO LIFE MINISTRY -

Defenders of Life,

The Summer is upon us! Many of us head to cooler climates and thankfully a few dedicated prayer stalwarts remain to help cover our monthly 40 Days For Life 365 Commitment on the 4th Thursday of every month for one hour from 9-1. Our most dedicated leader is Neil Corrado throughout the entire year and as we pray for Neil's swift and complete healing, we can go to Planned Parenthood and continue to peacefully for the Mom's, Babies and Families.

Our May date is Thursday, May 22nd. Please call or email Brian (908-451-7454 / bjharkins1@gmail.com) to let me know if you can make it. Brian will also be gone for the summer but will join you spiritually.

Thanks to you what at times may feel like unsung efforts, bells routinely ring out at Community Pregnancy Clinics in Sarasota, Florida, to inform 40 Days for Life participants on the sidewalk that their prayers helped save a baby!

And those bells are ringing a lot, as the pregnancy center reports that 97% of expectant mothers who walk through its doors choose life. Community Pregnancy Clinics can't reveal the names or details of the saved moms and babies...but the bells send a powerful message to prayer warriors: their prayers are being answered.

2025 SPRING TRAINING BASEBALL THANK YOU COOKOUT -

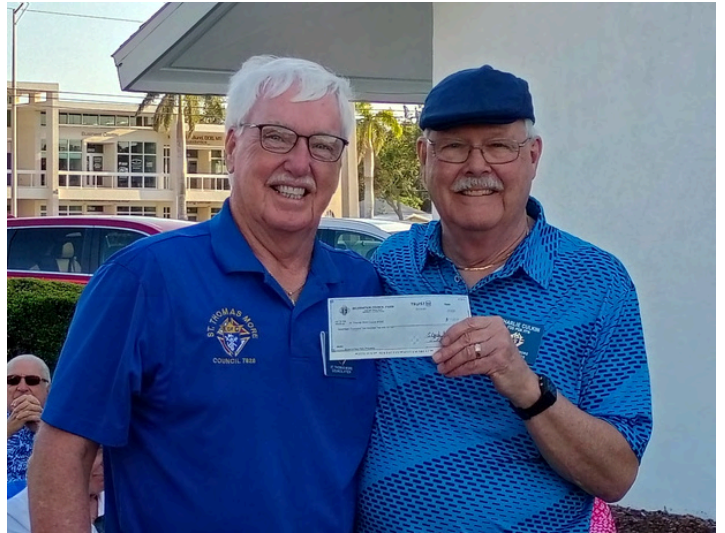

For the 14th consecutive year, St. Thomas More Council 7826 and Incarnation Council 15332 operated a concession stand at Ed Smith Stadium during the 2025 Spring Training Baseball Season. For the 15-game schedule, the gross profit for the STM and Incarnation stand was close to \$38,000.

The success of the 2025 Spring Training Season was due to the volunteers. To celebrate all their hard work, Incarnation Council hosted a “Thank You Cookout” on Thursday May 1st at Incarnation Parish outside the Finegan Center. The menu was hamburgers, hot dogs, potato salad, baked beans, with cold beer and wine. Thank you to all the volunteers for making this the best year ever!

What made this cookout special was those in attendance. This year all current and past volunteers were invited to attend the cookout. Several former Council volunteers were present: Dan Bulinski, Joe Sommer, Hank Peppard and several others.

It was a perfect evening! After the meal, the Spring Training Baseball Director Charlie Culkin presented Grand Knight, Ralph Neller, with the check for **\$17,202** which is our Council’s share of the Spring Training revenue after expenses.

At the conclusion of the check presentations, Dr. Steve and Charlie recognized those volunteers who made extraordinary contributions during this season as well as those from past seasons with a special **THANK YOU!**

See You at the Ball Park Next Season!!

NEWS FROM OUR FRATERNAL FINANCIAL ADVISOR

Brothers, summer is a time of transition for many people. You may know someone who recently graduated high school or college and is now heading into the workforce. Or you may know a couple who is getting married this summer.

These are all joyous occasions that we can celebrate. At the same time, certain stress can come with any life transition.

For a graduate, entering the workforce can take some adjustment. And marrying is certainly one of the biggest life adjustments people can experience. Before long, they may be welcoming children or looking to finance a house. Any transition in your life is a good time to think about your financial situation and your loved ones who depend on you.

Though life insurance may be the last thing on a young adult's mind, it may be the perfect life stage to start preparing financially for the future.

On that note, for my brother Knights on the younger side, I have two pieces of good news. And I encourage all my brothers here to consider how this may apply to yourself or your adult children, grandchildren, and other family members.

First, the younger you are, the more affordable permanent life insurance can be, and the simpler the underwriting process is. At a younger age, you're less likely to have health or medical problems that could make coverage more expensive.

The second piece of good news is that you have options. Maybe you're not yet sure you want permanent life insurance. In this case, you might choose a term insurance policy, which is an affordable option for temporary needs.

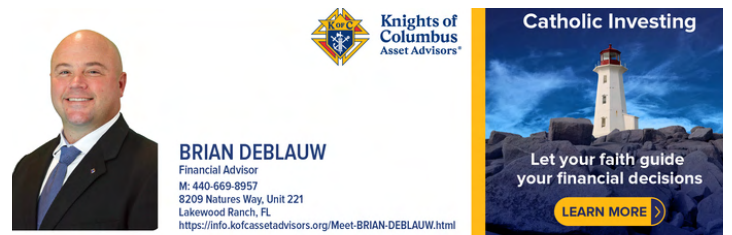

If you should decide later that you'd prefer permanent coverage, you may have the option to convert your term insurance.

In today's day and age when so many of us may feel pressure to spend above our means, I have been heartened to talk to young people who are quite financially literate and eager to set up a responsible financial strategy for their future. Many of them grew up seeing economic problems in the world, and they want to make sure they build a strong financial foundation for themselves.

This summer, no matter where you are in your journey through life -- whether you're undergoing a life transition, or you simply feel that now is the time to think about your financial future -- I encourage you to make an appointment with me. I will be happy to discuss your options with you.

Vivat Jesus!
