## Grand Knight's Report

Worthy Brothers,

The month of November marks the beginning of our busy holiday season. This is the month in which we honor our departed brother knights with our annual Memorial Mass on Friday November 4<sup>th</sup> in our council hall. Please help us demonstrate our respect for those knights who contributed so much to the success of our council by attending the Memorial Mass. Let us all keep them in our prayers. Our dinner will immediately following the celebration of the Mass.

November also marks the celebration of Veterans Day on November 11<sup>th</sup>. We celebrate those who made the commitment and the sacrifice to serve in our nation's armed forces. We count veterans from every branch of service among the members of our council.

Many of the holidays we celebrate in our country today were brought to North America by our European, African and Asian ancestors. Thanksgiving originated in North America and is a uniquely American-Canadian holiday. With the Thanksgiving holiday almost upon us it is important to remember and give thanks for all the blessings that God has bestowed upon us, our families and our friends. Lastly, we will celebrate our last Family Dinner Evening for this year on November 15<sup>th</sup>. Come and enjoy dinner and fellowship with your friends.

Vivat Jesus,  
Tim Wright

## Deacons Report

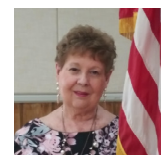

Brothers in Christ,

Rev. William Sloane Coffin Jr. a nationally well-known civil rights activist said that Descartes was mistaken when he said, "Cognito ergo sum" (I think therefore I am)". Instead, he should have said: "Amo ergo sum" (I love therefore I am). If we tried to capture the message of Christ in one word, it would be "Love" – love of God and love of our neighbor.

We were created out of love and to love. We can't love everyone the same as we love our family and those close to us. But we can treat everyone with respect and acceptance even though they may not look like us or speak a different language than us or dress different than us. We need to remind ourselves that despite all these differences we are all created in the image and likeness of our creator.

God bless,  
Deacon Stan Grenn

## Culture of LIFE November 2022

**Hi, my name is Katie Yarborough (parents are CTK Parishioners), a junior at the University of Florida. I am Chair of Respect Life Ministry at Catholic Gators and president of Students for Life, a pro-life club on the UF campus. We pray rosaries in front the local abortion clinic and hold pro-life events for the students of Catholic Gators. Last year, we sponsored 35 students to Washington, D.C. for the March for Life.**

**This year, I am organizing a combined trip of Students for Life and Catholic Gators to the March for Life in D.C. These young college students are looking to stand up for life in a visible and bold way. This opportunity to march has the potential to change lives and will have a tremendous impact on each student while making a powerful statement to the rest of the nation that we are committed to protecting life from the moment of conception until natural death.**

**At this time, we are fundraising to help cut the cost for college students to attend so that it will not be a financial burden. At the moment, we expect the cost of the trip to be about \$400 per student, and there are about 50 students interested in going.**

**Please sponsor UF students to attend the March for Life in Washington, DC, January 19-20, 2023 by visiting the Knights of Columbus Council 4727 website who are collecting monies for us. Go to my page at <https://council4727.com/march-for-life>**
