KNIGHTLY NEWS

OUR LADY OF HOPE COUNCIL 8086

Grand Knight's Report

As we enter the joyful season of Easter, we are reminded that the Resurrection of our Lord is the ultimate sign of hope, renewal, and victory over adversity. Easter calls each of us to live our faith more fully—to be men of charity, unity, and fraternity in both word and action. Just as Christ brings new life, we too are called to renew our commitment to serve our parish, our families, and those most in need.

Our council elections will be held on **9 June 2026**, and I strongly encourage any Brother Knight who feels called to leadership to step forward. If you are interested in serving as an officer, please notify **SK Dave Vaden** dave@davevaden.com as soon as possible. Your leadership is vital to the continued strength and success of Council 8086. Additionally, for those submitting bios for the upcoming Knightly News feature, please ensure they are sent to me **no later than 1 May 2026** at 50chevypickup@gmail.com.

Looking ahead, the **Knights of Columbus Florida State Convention Dinner** will be held in Orlando on **23 May 2026**. If you are interested in attending, please let me know **no later than 16 April** so we can coordinate accordingly. This is always a great opportunity for fellowship and to represent our outstanding council at the state level.

I'm proud to report that our **Casino Night in support of the "KofC Bright Futures" Initiative is officially sold out**—a testament to the hard work and dedication of this council. Well done, gentlemen. At this point, the only remaining opportunity to support this effort is through our **Ford Bronco Car Raffle tickets**, which are still available. As a reminder, *Bright Futures is a Knights of Columbus initiative focused on supporting Catholic education by providing scholarships, resources, and long-term sustainability for Catholic schools*, ensuring that future generations are formed in faith and excellence.

This month, we are also launching a new motivational recognition within our council: the **"Life Happens" memento**. This award will honor Brother Knights who have faced and overcome significant challenges while remaining steadfast in their faith, committed to their families, and grounded in the mission of the Knights of Columbus. We all know that life brings trials—but it is how we respond, with faith and perseverance, that defines us.

Thank you, Brother Knights, for your continued dedication and leadership. Council 8086 continues to set the standard—not only in results, but in faith and brotherhood.

God Bless,

Ernie

Dear Brother Knights,

With great joy, I extend my Easter greetings as we celebrate the Resurrection of our Lord Jesus Christ. After our Lenten journey of prayer, fasting, and reflection, we now rejoice in the victory of life over death, hope over despair, and grace over sin. Christ is risen, and because He lives, we are given new life in Him.

The empty tomb is not just a moment in history—it is a living truth that transforms us today. Christ's victory is our victory. His light overcomes every darkness, and His mercy reaches every heart. Easter reminds us that no burden is too great for God's grace.

As Brother Knights, you witness to this hope through your charity, unity, and service. I encourage you to carry the joy of Easter into your families and our parish, living each day as men of the Resurrection.

Thank you for your faithful service throughout Lent and into this Easter season. Your dedication is a blessing to our parish community.

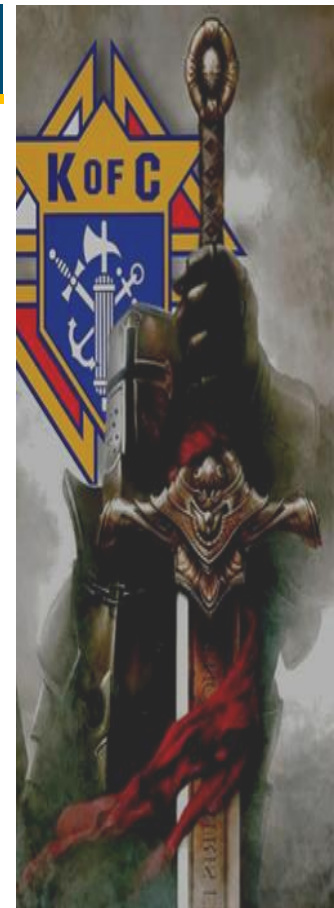

May the peace and joy of the risen Lord remain with you always.

**Sincerely yours in Christ,
Father Matt**

Greetings from Supreme Knight Patrick Kelly and State Deputy Mike Gizewski.

Congratulations again to Council 8086 for an outstanding year. One week from entering the fourth quarter, 8086 has recruited 107 new Knights, by far the best in the state. That's seven-star, 713-percent! Also, it's only 12 men shy of eight-star. Can we pull it off!

Be sure to attend Casino Night on Friday, April 10, at OLOH. It's promising to be a sell-out, benefiting Catholic Schools of the Volusia County Eastern Deanery. Also take a chance on winning the Ford Bronco (or any car of similar value on the Mullinax Ford lot in New Smyrna Beach).

Our next Cor meeting will be on Tuesday, April 28 at Epiphany at 6:30 p.m. Our main topic will be the ninth chapter in the life of our Founder, Blessed Father Michael McGivney. Everyone is invited to join us for an hour of prayer, reflection and fellowship. For the past two years, we've taken the summer off. Should we continue to meet during the summer months? Thanks to Sam Willett for an outstanding job putting together our host presentations.

Our Lady of Hope Assembly 2794 has been honored to host the Florida Fourth Degree District Biennial Meeting, which will be on Saturday, April 18 at the Father O'Leary Parish Center. This will be the first time we have hosted this meeting, coming on the invitation of Florida District Master Rob Urrutia. We already have 38 assemblies and 77 delegates signed up, with Supreme Director Scott O'Connor and State Secretary Ed Sleyzak expected to visit OLOH for the first time.

Faith in Action

Pope Leo XIV Message

In a prerecorded message to the 143rd Knights of Columbus Supreme Convention in Washington, D.C., Pope Leo XIV praised the organization's global work in charity, unity, and faith. He commended the Knights for fostering prayer, formation, and fraternity, and for their service to vulnerable populations—including the unborn, families, the poor, and those affected by war.

Connecting his message to the convention theme, *"Heralds of Hope,"* and the 2025 Jubilee Year of Hope, the Holy Father emphasized that Christian hope is rooted in Jesus Christ and expressed through both word and action. He encouraged Knights to be visible signs of hope in their communities, following the example of their founder, Blessed Michael McGivney, who served immigrants and the poor through faith and fraternal support.

The message was met with a standing ovation. Supreme Knight Patrick Kelly called it "deeply encouraging," reaffirming the Knights' commitment to charity, unity, and fraternity. He also highlighted the Order's humanitarian work, growth, and support for clergy and pro-life efforts.

The convention concluded with a prayer for Pope Leo XIV, asking for his strength, guidance, and long life in leading the Church.

The roll of dice, the ring of casino chips, the voice of an Elvis impersonator and a grand prize car raffle will set the stage for a night of fun with a purpose when Our Lady of Hope (OLOH) Catholic Church hosts its annual Casino Night fundraiser.

After the success of last year's casino night and raffle, which generated close to \$90,000, OLOH is hosting another event from 6:30 to 9:30 p.m. Friday, April 10, at Our Lady of Hope's Parish Center in Port Orange. This year's theme is "Viva Las Vegas."

The proceeds of this year's events, which have a combined goal of \$130,000, will benefit all schools in the Catholic Eastern Deanery of Volusia County by making education affordable for more children, funding improvements at local Catholic schools, and supporting school scholarships, instructional materials and programs.

To help raise these funds, this year's event will include an award-winning Elvis impersonator, Allan Coffin, "The King of Vegas," who will perform several hit Elvis songs and will be available for photo opportunities. Additionally, Larry Mullinax, an OLOH parishioner and owner of Mullinax Ford, has donated a like-new 2024 Bronco that a lucky raffle winner will take home or put its value toward another desired car.

Every year, the event has gotten bigger and better, said Ernie Jackson, the event chairman and the grand knight for Knights of Columbus #8086 in Port Orange.

"We have brought in more revenue for the schools," Jackson said. "We are trying to get an endowment established, and at the same time, give money directly to the schools so they can make an impact now."

The amount of fun attendees have, and the car raffle have been factors in the prior success of the event, said Rev. Matt Mello, a priest at OLOH.

"People enjoy it because it is a good social night out, and it is promoting a great cause," Mello said.

These types of events help support the families and children who wish to attend Volusia County's Catholic Schools, said Leigh Svajko, president of Father Lopez Catholic High School in Daytona Beach.

"Not everyone who wants to attend our schools can afford the full tuition," Svajko said. "Support like this helps us make sure that anyone who wants to come can come. We are expecting this year to be bigger and better than ever. It is a super fun event too."

While the event is a fundraiser, this is one that participants really enjoy coming to, Svajko said.

"The food is good, the casino is fun, and someone wins a Bronco. You can't beat that," Svajko said.

The 2024 Bronco will come with a Ford Warranty and premium package extras, including a Blue-Cruise feature. Raffle tickets cost a \$100 donation, and only 1,000 tickets will be sold.

A \$55 Casino Night Ticket includes \$200 worth of "Casino Money," hors d'oeuvres, drinks, professional gaming tables and Allan Coffin's Elvis impersonations. The drawing for the Ford Bronco will follow at 9:30 p.m.

Tickets are limited due to space constraints. Visit www.ladyofhope.org for tickets or additional information. Tickets can also be purchased at the parish office or through Jackson at 50chevypickup@gmail.com.

KNIGHT OF THE MONTH: Michael Albertson

Having joined the Knights of Columbus in December 2025, Michael Albertson is a relatively new member of Council 8086, yet his impact already reflects the heart of what it means to be a Catholic gentleman. Originally from Glen Cove, Long Island, NY, his life has been marked by both challenges and perseverance. Returning in 2025 to support your family was not only an act of love, but also a step in God’s providential plan to lead him back to faith and community.

Michael’s introduction to Our Lady of Hope Parish began as a search for answers—a journey many of us can relate to. “In that search, I encountered Christ through service, particularly in the food drive ministry. It was there, in serving others, that I discovered a deeper calling, which led me to join the Knights of Columbus. This is a powerful reminder that often we find God when we serve those in need.”

Michael’s words reflect a genuine appreciation for the spirit of OLOH Parish—the “atmosphere and energy” that draws people closer to Christ. This sense of belonging is not accidental; it is built by faithful men like him who show up, serve, and live out their faith in action.

“Being an active member of the Church is essential not only for personal spiritual growth, but for strengthening the Body of Christ as a whole,” noted Michael. Through his involvement, he contributes to a living faith community that supports, uplifts, and evangelizes through both word and deed.

His story is one of renewal, service, and quiet strength. It is a testament to the truth that no matter where life takes us, God is always calling us home—and inviting us to serve.

FAMILY OF THE MONTH: The Legacy of Team WOJ

Everything our late brother SK Jerry Wojciechowski and his widow Maureen did was driven by their strong faith. Known throughout the OLOH parish community as Team WOJ, Jerry and Maureen dedicated themselves to making a difference in the lives of others, especially the sick and homebound.

Our Council and Parish lost Jerry last year. He is greatly missed by everyone who had the pleasure of knowing him. Jerry’s legacy of faithful service continues through Maureen, her son Council 8086 member Tony Konkiel and her brother Dennis Flemming, who are continuing to serve in the ministries that were started by and were special to Jerry. Maureen remains committed to bringing Holy Communion to the Port Orange Hospice Care Center, the Seagrass and Canal View Assisted Living Facilities and five private homes every week.

She continues to serve weekly as a Lector at OLOH, spends an hour in Eucharistic devotion at Adoration at the Church of the Epiphany and volunteers along side Tony and Jerry’s other Brother Knights at the annual Tootsie Roll Drives. This year, Dennis joined Maureen at the Tootsie Roll Drive. Dennis, who recently completed training, will be serving with his sister as a Eucharistic Minister of Holy Communion. Tony has volunteered with Team WOJ at Outreach and at Port Orange Hospital.

Maureen is also following Jerry’s lead for donating blood to help save lives. To date, she has donated 102 gallons at One Blood of Florida.

A retired US Marine Corps Colonel, Maureen had an distinguished 30-year career in the military, followed by a highly successful second career in the field of education. After retiring as a school district superintendent, Maureen went back to the classroom, serving for years as a volunteer. In 2004, she was named Senior Volunteer of the Year for Volusia County Schools. Today, she continues what her and Jerry did everyday—to share their faith with others through good works.

Maureen Wojciechowski and her brother Dennis volunteer at the Tootsie Roll Drive.

Evangelizing our Faith on Two or Three Wheels

Knights on Bikes Florida is a dynamic extension of the Knights of Columbus that brings together Catholic men who share a passion for faith, fraternity, and the open road. These brother Knights use their motorcycles as a visible and powerful tool for evangelization—supporting parish events, leading charity rides, assisting with food distributions, and standing in solidarity at pro-life and community outreach efforts.

Whether escorting a fallen brother to his final resting place, participating in parish celebrations, or simply showing up in force to serve those in need, Knights on Bikes embody a bold, public witness of Catholic faith in action. Their presence naturally draws interest, creating opportunities to share the mission of the Knights of Columbus and invite others into a life of service.

If you're looking for a meaningful way to deepen your faith while building strong friendships, just having fun or making a real impact in your community, Knights on Bikes Florida offers that opportunity. We are always seeking good

Catholic men—especially those who enjoy fellowship, service, and even a love for riding—to join our ranks. You don't need to be an experienced rider; just bring a willing spirit and a desire to serve. Step forward, ride with purpose, and become part of a brotherhood that lives its faith out loud.

Contact SK Dave Vaden the 8086 Council Captain if you are interested at dave@davevaden.com or 540-537-9130.

Join Knights 8086 Round Table @ ERAU

EMBRY-RIDDLE Aeronautical University

We are blessed to be welcoming a growing number of college students into Council 8086. The Emory Riddle students represent the future strength and vitality of our Council and the Knights of Columbus as a whole. Please join me in warmly welcoming and supporting these young men as they become part of our brotherhood.

The continued growth and strength of the Knights of Columbus depends on the active involvement of young men who are willing to step forward in faith, service, and leadership. Their energy, ideas, and commitment ensure that our mission endures for future generations. By inviting young men to join, we are not only building membership—we are shaping the future of the Order and strengthening the Church in our communities.

Through activities such as service projects, faith-based events, and fellowship opportunities, we create an environment that naturally builds camaraderie and brotherhood.

As part of this effort, the Knights of Columbus is offering a series of youth-focused activities, including a special ERAU and Father Lopez High School event featuring scuba diving lessons for just \$25 each Knight. The ERAU Roundtable is also organizing a “Ruck March for Jesus” this coming fall. These events are designed to bring young men together in faith, challenge, and fellowship while building lasting connections.

If you are interested in participating or learning more, please contact Zack Laino at 845-779-6848 or zlia9453@gmail.com.

Knights of Columbus Council 8086 Promotes Vocations Through Faith and Action

In today's world, the call to religious vocations remains as vital as ever. The Knights of Columbus has long stood as a strong supporter of vocations to the priesthood and religious life, recognizing that the future of the Church depends on men and women answering God's call with courage and conviction. Rooted in charity, unity, and fraternity, the Order has consistently encouraged its members to foster a culture where vocations can be heard, nurtured, and supported.

From its earliest days, the Knights of Columbus has promoted vocations through prayer, financial support, and direct engagement with seminarians and religious communities. Programs such as RSVP (Refund Support Vocations Program) provide both moral and financial assistance to seminarians, while councils across the world actively pray for vocations and encourage young people to consider a life of service to the Church. This commitment reflects the understanding that vocations are not simply individual decisions, but a response cultivated within a faithful and supportive community.

Building on this tradition, Knights of Columbus Council 8086 at Our Lady of Hope Parish has taken a proactive role in promoting vocations at the local level. The council has recently launched several vocation-focused initiatives designed to inspire and support those discerning God's call. These efforts include organized prayer campaigns for vocations, funding, increased visibility and discussion of religious life within parish activities, and intentional outreach to young men—especially students and young adults—encouraging them to consider the priesthood or religious life.

In addition, Council 8086 integrates vocation awareness into its broader programming, ensuring that faith formation, fellowship, and service all point toward a deeper relationship with Christ and openness to His call. By engaging families, mentoring young men, and fostering a strong Catholic identity, the council helps create an environment where vocations can flourish naturally.

These initiatives are already bearing fruit by strengthening the spiritual life of the parish and sparking meaningful conversations about vocation and purpose. More importantly, they demonstrate that promoting vocations is not a single program, but a way of life—one that requires commitment, visibility, and faith.

As Council 8086 continues to grow and lead within the Eastern Deanery, its dedication to vocations stands as a model for other councils. Through prayer, example, and action, the Knights of Columbus remain steadfast in their mission to support the Church by encouraging the next generation of priests and religious.

“The harvest is abundant but the laborers are few” (Luke 10:2). Through their continued efforts, the Knights of Columbus are helping answer that call—one vocation at a time.

Grocery Distribution Program Continues to Deliver Hope and Impact at OLOH

At Our Lady of Hope Catholic Church, the Grocery Distribution Program (GDP) continues to stand as a powerful example of faith in action. In just the past month, an incredible 308 families were served in only 58 minutes—an achievement that reflects both the growing need in our community and the remarkable efficiency of this ministry.

Hosted by Knights of Columbus Council 8086, the program thrives through strong leadership, disciplined organization, and a deep commitment to service. Knights work side by side with dedicated OLOH parishioners, forming a seamless team that operates with precision and purpose. What unfolds each distribution day is nothing short of inspiring—volunteers moving in unison, ensuring that every family is welcomed, served, and supported with dignity.

More than just providing food, the GDP embodies the mission of charity at the heart of the Knights of Columbus and the parish community. It is a ministry of compassion, bringing relief, hope, and a sense of belonging to hundreds of families each month. Through unity, faith, and tireless effort, OLOH and Council 8086 continue to make a lasting impact—one family at a time.
