KNIGHTLY NEWS

OUR LADY OF HOPE COUNCIL 8086

Grand Knight's Report

Brothers,

Last month, we held our first meeting of the year. We introduced a Power Point Presentation as suggested by KofC Supreme. The slide show succeeded in keeping us on track and significantly reducing our meeting time to 1 hour and 15 min. The goal is to get it to one hour. I am in the process of adding a section on the Knights 8086 website to add our meeting slides.

More Technology — We are in the process of setting up a “Team” license and working out the challenges so we can live stream our meetings. Adam and Jarrod are working on this. The goal is to have this ready for our next meeting. This will enable our members to attend meetings from anywhere in the USA.

Old and New | Meetings: We voted last meeting to change our meeting days to Tuesdays, which will increase our Unity. Thursdays have posed several challenges with setting up and reconfiguring the classroom before and after our meetings since the Parish Hall is being used for Bingo. This has kept brothers, who had to cook pizza, from attending the entire meeting and many others, who had to put away tables, from participating in our social hour after the meeting. Now, everyone can enjoy the evening.

Exemplifications: Years ago, our Council had our Exemplifications during the Council meetings. Now that we will have the main hall on Tuesdays, we can go back to having the Exemplification during our meetings. This will allow our outstanding Exemplification team, chaired by SK Dave Vaden, to have our members watch and our new members share this special event with their new brothers. When we have an Exemplification, we will start the meeting at 7 pm, as usual, and hold an abbreviated meeting. At 7:30 pm, we will start the Exemplification. Then, we can all enjoy some social time together. Wives are invited.

Ideas/Concerns — If you have ideas or initiatives, we ask that you present them at our officers meeting where we can discuss them in length.

Credit Card—Due to security concerns, we are switching our Council debit cards over to credit cards. This will allow us to get a refund if someone hacks into them.

“Men on a Mission.” *We still need volunteers for Hurricane Knights (email SK Jim Baskin) and the Coke 400 (contact SK Roger Packard).*

Please take the time and see the video link from Supreme attached in this newsletter and the story on the impact the Loaves & Fishes Ministry makes on the homeless community.

God and Country!

Dear Brothers in Christ,

A Eucharistic Congress was held recently in Indianapolis, IN. We are reminded of the importance of the Holy Eucharist in our lives. While we have the missions to care for the poor and to take care of one another, our primary focus is spiritual - that of prayer and the sacraments.

The Eucharist should be a priority for us because it is truly the presence of God amongst us. As we adore God and we believe Him present in the Holy Eucharist, why would we not set aside time to adore God in the presence of the Holy Eucharist? Our prayer life, our care for others and our quest for justice flows out of that, as a note to be mindful of the true treasures that we have in our church.

Sincerely Yours in Christ,

Fr. Matt

KNIGHT'S SILVER ROSE PILGRIMAGE

*All invited to Our Lady of Guadalupe Silver Rose Pilgrimage Mass
at Our Lady of Hope and Sacred Heart Churches*

The Our Lady of Guadalupe Silver Rose has been a Knights of Columbus tradition for 58 years. In 1960, groups of Columbian Squires in Mexico, Canada and the United States, decided to honor Our Lady of Guadalupe by carrying a rose across North America from Canada to the Basilica of Our Lady of Guadalupe in Monterrey, Mexico.

Today, eight roses travel along different North American routes that include Canada, the United States and Mexico. Every stop the Silver Rose makes throughout the pilgrimage is an occasion for Knights, parishioners and community members to pray for the respect for life, for the spiritual renewal of each nation, and for the advancement of the message of Our Lady of Guadalupe.

The Silver Rose, which is being transported by Knights on Bikes, will be making two local stops this year. You are invited to help share the love for Our Lady of Guadalupe and honor her at a mass on **Wednesday, Aug 7 at Our Lady of Hope, 8:30 am** and at **Sacred Heart Church, 998 Fr Donlon Drive, New Smyrna Beach, at 8 am, on Friday, Aug 9.**

For more information contact: SK Dennis Flesch at 386-295-4975; dflesch49@bellsouth.net.

Are you disabled - 10% to 100% ? If so, please contact **Wes Wengren, wwengren429@gmail.com**. He can explain how the disability will benefit both you and our Council.

DISTRICT DEPUTY'S REPORT

SK JOHN O'MALLEY

Congratulations to Our Lady of Hope Council 8086 for achieving Star Council for the fifth consecutive year and the ninth time in 10 years!

District 20 was named All-star District for the first time, with Sacred Heart #4934 (2-Star) and Epiphany #12569 also Star Councils. We were 195 percent membership – missing 200 percent by one new member.

We're off to a great start for the new Columbian Year. As of July 23, we have already taken in 14 new members for the District. **All three councils have added members, with 8086 leading the way with nine new members – already at 60 percent of its goal of 15 for the year!** We already have an exemplification and fraternal benefit event, scheduled on August 13. Also, all three councils have paid their state per capita and submitted Forms 185 and 365.

Council 8086 will be hosting a Region 3 Organizational Meeting for Districts 18-19-20 on Saturday, August 17. This is open to Grand Knights, key officers and interested members. It's great to see that outside councils come to us looking to learn the winning formula from one of the top councils in the state annually.

It's going to be an interesting transition to Tuesday meetings. So far, it's working out great!

Keep up the great work!

SK John O'Malley,

District Deputy 20

Celebrating Blessed Fr McGivney's Feast Day

The official Feast Day of Blessed Father Michael McGivney, patron and founder of the Knights of Columbus is celebrated on August 13. This day was selected because it is the day between his birthday— August 12 (1852) and the day he passed away— August 14 (1890).

The feast day has been celebrated since 2021, following Blessed Fr McGivney's beatification on October 31, 2020, at the Cathedral of St Joseph in Hartford, CN.

Blessed Fr. McGivney's Feast Day is an opportunity for Knights to celebrate and reflect on his life, holiness and legacy; and to continue to pray for his canonization. **Since this month's general membership meeting is Aug 13, we will be recognizing his Feast Day at our meeting.**

This is a time you may also want to consider joining the Blessed Fr Michael McGivney Guild, which was established by the Knights to promote the cause for his canonization. Membership is free. *You can find out more about the Blessed Fr. McGivney Guild by contacting SK Sam Tedesco at woodhesamx@att.net or 314-229-2878.*

KNIGHT OF THE MONTH: *BILL PIPER*

SK Bill Piper is one of OLOH's most dedicated volunteers. Several months ago, our Second Year Trustee started a new ministry—the monthly Grocery Disbursement Program (GDP), which provides meat, fresh produce and staples to over 700 needy people every month.

Bill and his wife of 50 years, Mary, work hard to organize the food distributions and recruit volunteers. Bill is also member of Cursillo, the Parish Life Ministry, Social Seniors and the Volusia County Schools Casino Night Fundraising Committee, and serves as the Purser of the Knights Assembly 2794.

A member of OLOH and Council 8086 and a KofC for over 30 years, Bill is a six-time past Grand Knight, Deputy Grand Knight, Faithful Navigator and Faithful Scribe. He also previously served as a Trustee and as a member of the Outreach ministry.

"The church is a community of believers," said Bill, noting that volunteering is important to him because, "We're working together with those who love Christ to spread His and fulfill His love."

FAMILY OF THE MONTH: The Kennedys

Married for 44 years, SK Michael and Guadalupe (Lupe) Kennedy often volunteer together to support of OLOH parish ministries. Early this summer, when Lupe, who serves as CCW President, discovered the Family Renew cottage in Holly Hill required some much-needed TLC to get it ready for its incoming residents, Michael partnered with her to get the work done. They spent weeks cleaning, painting (with the help of several fellow Knights), decorating and rallying other parishioners and ministries to donate new and gently-used furnishings. The result was amazing. Family Renew's director said the warm setting will be the perfect environment for the family to get a new start.

Michael, who is an usher, a past Inside Guard, often supports Lupe's work with OLOH Bingo, Thrift Store and CCW. In addition to serving as OLOH CCW President, Lupe is the Eastern Diocesan Representative, and the Lead supervisor and manager of the church's weekly volunteer money counters. The Kennedys feel volunteering enables them to put the tenants of their faith into action. They said, "By being members of an active group with the same 'goals,' it magnifies the impact of our actions exponentially."

CARMELITE MONASTERY VISIT

Faith in Action

Council 8086 Knights are pictured with Fr Robert John at St Joseph's Monastery on July 27.

A group of Council 8086 Knights spent a morning in prayer at the St. Josephs Carmelite Monastery. Located in Bunnell, the Monastery is home to the Order of Discalced Carmelite Friars. SK Adam Schmidt did an outstanding job organizing our visit! After attending mass said in Latin, we prayed the Rosary at the Monastery's beautiful outdoor Stations of the Cross and participated in the ritual of washing feet. We ended our visit with an outdoor picnic.

If you've never been to the Monastery, all of us who participated highly recommend going. For more information, visit their website: <https://bunnellcarmelites.org/>

PRAYING THE ROSARY FOR SK MIGUEL NIN

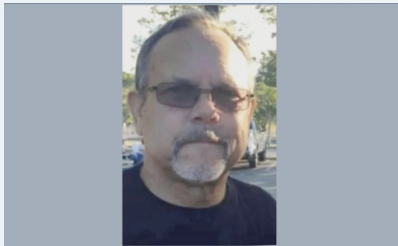

Council 8086 and the Florida State Knights on Bikes came together at Hallifax Hospital July 6 to pray for our Brother, the late SK Miguel Nin, shortly after he suffered a brain aneurysm. Led by SK Mike Godbout, 21 Knights and girlfriend/wives, who came from as far away as Palm Coast and Miami,

prayed the Rosary and the Blessed Fr McGivney Prayer. While we are now struggling with the loss of this kindhearted father of three, we ask that you pray for the repose of his soul and consider making a donation to help his family.

HOW LOAVES & FISHES MINISTRY HELPS THE OPPRESSED

By Ernie Jackson

Daytona's Homeless 'Hilton'

As the sun rises, the temperature is already 78 degrees. It will be over 95 degrees soon. I rollover in my tarped lean-to, which is nestled under a bush so I can't be found. This empty overgrown lot is my home. My restless sleep is over.

I need to get moving to get near the front of the handout line or I will not get what I need. All night I have been bitten by red ants, no-see-ums and mosquitoes, but at least last night I wasn't abused. I know the people from Our Lady of Hope are coming. Yes, they will be here soon. Hopefully they will have some clothes because mine are so dirty. Can't remember the last time I had a bath. I need some antiseptic cream to put on my bug bites and help heal my sores. And, I really need something good to eat and drink. It's been awhile not eating out of a dumpster.

I know the Lady of Hope people will help me. I know I've made some bad choices in life. I am so stressed, tired, scared and oppressed by the life I live. I heard living one year out on the street equals about 10 years of home living. I've been on the street for over four years. I'm trapped in my life and I don't know how to get out. I'm only 40, but know I look around 80.

I thank God that the Loaves & Fishes people are here to make my day and get me to the next. On my way out, I thank all the volunteers by telling them that "God Blesses you." Now, I go back to my lean-to and get out of the blistering sun. I only hope that people of the parish can donate more next month, so I can get a pair of shoes that fit me.

"De Oppresso Liber" - To Liberate the Oppressed

Please help distressed, hungry, oppressed people in our back yard by volunteering or donating to OLOH's Loaves & Fishes. Your generosity will help provide a temporary relief from homeless everyday oppression. Contact Joe McAuley at 386-871-7669 or JOEMCGOLF2@YAHOO.COM

Loaves & Fishes Makes a Difference

Our Lady of Hope Loaves and Fishes volunteers know you don't need to travel to South America or other places on missions to help oppressed people. There are plenty right here in our area. We know it is sometimes painful to deal with people in such despair, but our efforts truly make a difference.

The ministry is making a difference thanks to Knights of Columbus Council 8086 Past Grand Knight, SK Dave Dollieslager, who started it in 2014. He said, "We appreciate the support the OLOH parish people provide in the way of labor, donations and money. We are also thankful that St. Paul's Church allows us to use their parking lot to administer this needed help."

What can I do to help? Volunteers are needed to make sandwiches, hand out items, or help from afar by donating needed items or money. *And of course Pray.*

The most sought after items: Book Bags to carry and secure everything the homeless own. Hygiene items such as TP, underwear, socks, towels, rain coats, sun screen, antibiotic cream to heal sun blisters and bug bites. Hats to block the sun. Shoes and clothing of all sizes, gently used and worn is better than none.

SK Dave Dollieslager surveys the Loaves & Fishes distribution tents before the volunteers start to serve the homeless.

Volunteers prepare food (top) and distribute items to the needy.
