## Grand Knight's Report

Brother Knights,

My hat is off to my fellow brothers who worked hard to make 2025 such a success for 8086! To give you an idea of how much our Council accomplished in support of OLOH, Fr Matt, our local community and KofC objectives, here is a quick Year in Review of our good works:

- We are now saying the Rosary before our meetings, assisting OLOH to better serve our Hispanic parishioners, and continuing Cor and building our Faith.
- We hosted 10 Grocery Distribution food drops and have fed over 2,700 local families. Additionally, we provided MREs, blankets and money to the homeless. And, we support the monthly OLOH Loaves and Fishes program that help homeless and others in need of food, clothing, and hygiene items.
- Provided \$15,000 funding and manpower to upgrade the OLOH technology in the Parish Center and \$5,000 financial support to OLOH Catholic youth.
- Continued to build houses and provide financial support to the Habitat for Humanity Program, people with disabilities, Coats for Kids and Special Olympics. Our "Life" Program" donated funds of over \$30,000 to provide anti-abortion initiatives and to care for children after birth. And, through the Car Raffle and Casino Night, we helped to grow our Catholic Church by providing over \$90,000 to our local Catholic Schools.
- We also had fun at October Masquerade Ball, Veterans Dinner, Church Picnic and our Christmas Party...And we still found time and manpower to do almost all the activities designated by the Supreme KofC "Faith in Action."

If we want to continue doing and giving at these levels, we need to continue to bring in new members, especially younger men who are the future of the Knights and our Church. Just like the pro-football teams gain new blood each year to stay at the top of the game, we need to recruit new members.

Here are membership stats: current headcount is 354, 240 members over age 60. In 2025, we dropped 18 to the affiliate council (didn't pay dues for two years), and 19 brother died. Total loss was 37. Which is about the same for the last three years.

If our Council wants to be vibrant for the next five years, we must all be recruiters! **It is our duty to recruit members - to evangelize our Catholic faith.**

**God Bless!**

**Ernie**

Best wishes for a happy and holy New Year!

Congratulations to Council 8086 for meeting and surpassing the hefty membership requirement for Four-Star Council! We needed 60 members to achieve that level and **were up to 71 as of December** (460-percent). **That's only four away from Five-Star, with 15 new members alone in the month of December.**

If you recently receive an envelope from Florida KofC Charities with motto, "Florida Knights support Vocations," please consider returning it with a small donation. There will also be a similar envelope including the popular KofC Helping Life mailing labels in January.

Including the Special Olympics mailing in November, **the three programs make up the "Triple Crown."** Last year, only ONE of the 260 councils in Florida earned the Triple Crown. Our individual small gifts add up and will significantly impact the tremendous work of **Special Olympics, educate seminarians and saving (and enhancing) lives.**

Our next **Cor meeting will be on Tuesday, Jan. 27, at Epiphany, at 6:30 p.m.** Our main topic will be the next chapter in the life of our Founder, Blessed Father Michael McGivney, everyone is invited to join us for an hour of prayer, reflection and fellowship.

Our next **Fourth Degree Exemplification will be at St. Mark the Evangelist in Tampa on Saturday, Jan. 31.** Just announced is a very special outdoor ceremony at the giant cross at the National Shrine of Our Lady of La Leche in St. Augustine. Please attend the Assembly meeting at 7 p.m. on Thursday, Dec. 22 at OLOH or see Faithful Navigator Andy Duzyk for details. **The Fourth-Degree state biennial meeting will be Saturday, April 18 at Our Lady of Hope – the first time we have hosted this meeting.**

## First VA Benefit Session: Jan 13— After Council Meeting

**Our area has many military veterans who need help receiving benefits.** Council 8086 Grand Knight Ernie Jackson has coordinated with the local VA Services to start a new program to help all veteran Knights and those most in need —local homeless vets — apply for disability housing, life support or medical benefits.

Scott Olson, Volusia County Veterans Director, has agreed to help this worthy cause. The vision is for the VA to send a representative to meet with vets at a location that is easily accessible for those who are homeless and or lack transportation.

Council 8086 has appointed SK Jake Mays as our POC to help coordinate dates, times and locations. ***The first session is being held at OLOH so that all vets in our Church have the opportunity to participate. It will be held after our Council Meeting on January 13, 2026 in one of the classrooms. Vets should bring your DD214 and ID.***

The Assembly has requested to take over the program after Jan 13. Locations will be publicized. And you vets can continue to contact Jake. He will set you up with your time to get help. Email Jake at [jakemays007@gmail.com](mailto:jakemays007@gmail.com).

## KNIGHT OF THE MONTH: Gianni Teta

**Gianni Teta joined the Knights in August of 2025.** He was born and raised in Queens, New York, and relocated to Daytona Beach in 2023. His motivation for moving was to obtain a higher quality of life, more financial opportunity, and to have more freedom.

Upon settling here, he immediately searched for a new church. OLOH was his first choice, and he says he hasn't looked back since.

**Even though Gianni works full time, he is actively involved in Council 8086 programs, notably Habitat for Humanity & the monthly Food Distribution.**

Gianni feels it's important to be an active member of our church because as Christians, he believes it is simply what we are called to do. "Our Lord and Savior Jesus Christ calls us to help the needy, feed the poor, and to clothe the naked; and that is exactly what our church is already doing," he said, noting that "*I've quickly realized how much these acts of selflessness not only change the lives of others, but feed our own soul.*"

## FAMILY OF THE MONTH: Angel Tree Chair - Joan Stewart

**Christmas was brighter this year for over 300 local children thanks the OLOH Angel Tree Ministry and the generosity of our parishioners.**

The Angel Ministry was started 5 years ago by parishioner Joan Stewart.

God's work starts every year for Joan and the other ministry volunteers about three months before Christmas. They get the names of **parishioners and neighbors who need help providing Christmas gifts for their children.** This also includes families who utilize the OLOH Pantry.

Using the wish lists provided by the parents, Joan and a small group of volunteers make an angel for each child with their name, age and gender; and place the angels on the special tree that is set up in the church Narthex. **Then, the magic of Christmas happens. Our parishioners select an angel and fulfill that child's Christmas wish.**

After all of the donated toys and other items are returned to the church, volunteers sort the items and place the gifts in a bag for the families to pick up for Christmas. **This year, 342 children from 132 families benefitted from the OLOH Angel Tree!**

In addition to the Angel Tree Ministry, Joan is actively involved in several other parish ministries. She lectors at weekend and daily masses, volunteers at Bingo and writes articles for the monthly OLOH magazine. She is also a **member of the Offertory Team, Crusillo and Barbara's Hope.** Additionally, she previously served as secretary and spirituality commissioner for the OLOH Council of Catholic Women.

Joan feels it's important for her to "show up beyond weekly mass." *When Joan joined OLOH, she became committed to its growth. She says, "This gives me a sense of purpose and fulfillment, which benefits me spiritually and gives me meaning as I age."*

## Knight Special Olympian—SK Jarrett Helm

This are some excerpts from Jarrett Helm's talk to all the Florida State KofC Officers in December 2025.

Jarett has competed in Basketball, Power Lifting, Relay, Pentathlon, shot put, high jump, cycling where he has won many medals.

As the Grand Knight, I admire Jarett for his courage in athletics but most of all for the GREAT man that he has become.

*It is special notice of recognition that the PARENTS of Special Olympic Athletes as they are the “real heroes” because they believe in their children, got things started and they do what they do out of sheer love.*

*My name is Jarrett Helm. I am a fourth degree Knight. So was my grandfather. I am a member of Counsel 8086, a Sir Knight of Assembly 2794, where I am VERY proud to serve as a member of our Color Guard.*

*I get to meet new friends on my own teams, but I have made great friends ALL over the state! We stay in touch and it is like we just saw each other when we compete again the next year. We cheer each other on; we help each other up when we fall. We celebrate each other's wins and are there for each other when we may not win, but we were BRAVE in our attempt!*

*I started in Special Olympics in Alabama in 2016. I was 27 years old and never knew I could be an Athlete. It is one of the most amazing journeys in my life, so far. I have not been invited to compete at Nationals yet – but I hope to someday.*

*Last year, I was on the field at the State Games as a member of the Color Guard, to help raise the flag over the Opening Ceremonies. I was not just an Olympic Gold medal athlete – I was a Knight that day!*

*When I am not competing, I am working part time helping a fellow Knight in my paid job, working at a local condo as a Maintenance Helper. My wages help support my love of sports that I compete in – and my passion for FISHING!*

*I love to fish. I fish on the beach, on the river, and sometimes, I go out fishing in a boat and pull in some REALLY big fish!*

*A fellow Knight encouraged me to join the local fishing club and compete with him. It has been a blast! And just two months ago, the Club elected me to be the WEIGH MASTER for the Club!*

*And what about Knights of Columbus in my life? My faith has always been my center. The Knights of Columbus offers me an opportunity to be with men of faith, who are good men.*

*They provide me with a strong faith-focused group of true friends, whose mission is to do good for others. And they do. Especially for Special Olympics.*

*I live the Motto: “Let me Win, but if I cannot win, let me be BRAVE in the attempt.” I know we can make this happen, fellow Knights!*

Dear brothers and sisters, since the Word was made flesh, humanity now speaks, crying out with God's own desire to encounter us. The Word has pitched his fragile tent among us. How, then, can we not think of the tents in Gaza, exposed for weeks to rain, wind and cold; and of those of so many other refugees and displaced persons on every continent; or of the makeshift shelters of thousands of homeless people in our own cities? Fragile is the flesh of defenseless populations, tried by so many wars, ongoing or concluded, leaving behind rubble and open wounds. Fragile are the minds and lives of young people forced to take up arms, who on the front lines feel the senselessness of what is asked of them and the falsehoods that fill the pompous speeches of those who send them to their deaths.

When the fragility of others penetrates our hearts, when their pain shatters our rigid certainties, then peace has already begun. The peace of God is born from a new-born's cry that is welcomed, from weeping that is heard. It is born amidst ruins that call out for new forms of solidarity. It is born from dreams and visions that, like prophecies, reverse the course of history. Yes, all this exists, because Jesus is the *Logos*, the Meaning, from which everything has taken shape. "All things were made through him, and without him was not anything made that was made" (*Jn 1:3*). This mystery speaks to us from the nativity scenes we have built; it opens our eyes to a world in which the Word still resonates, "many times and in many ways" (*cf. Heb 1:1*), and still calls us to conversion.

To be sure, the Gospel does not hide the resistance of darkness to the light. It describes the path of the Word of God as a rugged road, strewn with obstacles. To this day, authentic messengers of peace follow the Word along this path, which ultimately reaches hearts – restless hearts that often desire the very thing they resist. In this way, Christmas gives fresh impetus to a missionary Church, urging her onto the paths that the Word of God has traced for her. We do not serve a domineering Word – too many of those already resound everywhere – but a presence that inspires goodness, knows its efficacy and does not claim a monopoly over it.

This is the way of mission: a path toward others. In God, every word is an addressed word; it is an invitation to conversation, a word never closed in on itself. This is the renewal that the Second Vatican Council promoted, which will bear fruit only if we walk together with the whole of humanity, never separating ourselves from it. The opposite is worldliness: to have oneself at the center. The movement of the Incarnation is a dynamics of conversation. There will be peace when our monologues are interrupted and, enriched by listening, we fall to our knees before the humanity of the other. In this, the Virgin Mary is the Mother of the Church, the Star of Evangelization, the Queen of Peace. In her, we understand that nothing is born from the display of force, and everything is reborn from the silent power of life welcomed.
