Grand Knights Message

June 2024

Brother Knights, Families and Friends-

We are now one month away from the end of our Columbian Year! This month will be the election of officers for the next term. The nominations are still open. If you are interested and would like to run for a position or would like information, please contact me directly or Warden Don Sheetz. (Grand Knight is still available? Our council needs good leadership to continue our charitable works which change and save lives. Our calendar is slowing down now but has not stopped. We have some events to finish and will push forward at this month's meeting to get them organized.

There is plenty to keep all of us distracted during this busy time, and I ask all to pray for one another. Pray that God keeps us on the right path. Pray that we have the courage to live a life for God. Pray that God will reveal his plan for our nation. Pray that we have the ability to stand up for what is right and not be swayed. Pray that we can lovingly teach about our faith and draw others to a deeper understanding. Find that 15 minutes in the day and pray the rosary.

This month at mass, I will suggest something really simple — sit in a different place. People are usually creatures of habit. Sitting in the same place (even the same pew). Try moving around — from one side of the center aisle to the other, near the center aisle or the outside, close, and far away. You will be amazed at how different the church looks — seeing things you knew existed but had not seen in a while. You will meet new people and see familiar faces from a different angle. You might find yourself more engaged in Mass with the changing viewpoint. Give it a try!!!

Finally, if you are a Catholic man and have come to our website because you think you might be interested in the Knights, I encourage you to look us over. www.kofc6241.org Incidentally, we are seeking someone to be the “webmaster” and take care of this web page.

We are always interested in men who might be seeking a fraternal and service organization through which they can be of service to our Church, our parishes, our community and where they can enjoy the companionship of like-minded fellows. And while the Knights are a male only organization, we hold our families in the highest regard and virtually all of our events and celebrations are open to our families and friends.

Have a great summer. God Bless you all!

Vinny Burdo, Grand Knight

June 2024 Council Message

Brothers,

This month is Father's Day. Every year at this time, I think of my father and all the father figures I've had in my life – spiritual fathers like the great priests who have helped shape me into who I am. My membership in the Knights of Columbus has given me incredible examples of men who have dedicated their lives to the service of others and in their example, made me a better man.

Being a Knight truly is to live a life of service. To give of oneself.

When I think about the many ways our Order contributes to our parishes and to our communities, I'm reminded of what St. Paul tells us about giving: "Each must do as already determined, without sadness or compulsion, for God loves a cheerful giver" (2 Cor 9:7).

"A cheerful giver" — that perfectly describes what it means to be a Knight.

As a Knights of Columbus field agent, I see in my daily life how Knights give of themselves with joy. When a brother Knight chooses to protect his family through Knights of Columbus insurance, he does so out of love. He wants to make sure his loved ones are taken care of when he's gone.

And I remind him that he's not only protecting his family. He's furthering the charitable mission of our Order.

That's what sets Knights of Columbus apart. Members who've purchased a Knights of Columbus insurance product or invested with Knights of Columbus Asset Advisors are doing business with an organization that aligns with their Catholic faith.

Through the business activities and the contributions of state and local councils, Knights of Columbus was able to donate more than \$185 million to charity last year alone. That doesn't even include the nearly \$21 million distributed through Knights of Columbus Charitable Fund via grants by donor clients.¹ To be a Knight is to be part of a culture of giving – and in terms of business, it's a culture that turns insurance premiums into charitable impact.

Whether it's supporting new mothers in need, delivering Coats for Kids, bringing relief after natural disasters, or supporting seminarians, the number of people who depend on our help is countless. And the extent of our reach would not be possible without our insurance program.

As the Fraternal Year comes to a close, I want to congratulate you all for the many successes you've achieved as a council. When we come together under our principles of charity, unity, and fraternity, we truly make a great impact.

Thank you, and I wish all of the fathers here many blessings this Father's Day.

Vivat Jesus !

Fr. Joshua Martin's Joyful First Mass at St. Joseph's Church

The congregation gathered in prayer, witnessing this significant moment. Fr. Martin, vested in sacred vestments, stood before the altar, his heart full of gratitude. After the final blessing, Fr. Martin turned to face the assembly. His voice resonated with emotion as he expressed heartfelt thanks.

"I can't believe I'm a priest," he confessed, his smile radiant.

Following the Mass, a warm luncheon awaited Fr. Martin. Many parishioners and fellow Knights of Columbus joined in the celebration. Their well wishes and support surrounded him, affirming his vocation.

Bingo Update

Bingo for summer is going to be sort of fluid. While we currently have Bingo scheduled for all Sundays, the hall at Holy Redeemer is slated to be repaired. Once construction begins, Bingo may have to be put on hold until it is safe to do so (sort of like repairs complete and accepted by Dioceses and Building Inspector). It is for the Safety of our players and staff that the hall be closed until conditions are validated to be safe.

We are entering the slow time of the year for Bingo, as most of our winter visitors have left for the summer. This provides us a unique opportunity to train in a less stressful environment. With more volunteers, we can afford to give some regulars some well deserved time off. Folks like Don Sheetz, Jim Pritchard, Ed Ciancone, John Praksac, Walt Adley, Mark Cestaro, and Dave Merkin. If it weren't for these folks, our Bingo would not be successful, and the loss of Bingo would impact essentially EVERY charity we support.

The first phase of our Bingo equipment upgrade has been completed with the purchase and installation of the audio system. There are plans to renovate the inside of the church hall, and how the renovations may change where the monitors are put. This may include mounting these on monitors on walls. More to come as we get information, but first is ceiling restoration.

If you look at the bingo schedule in the shield, you will find some holes we would like to fill, as well as folks doing double duty. With over 300 members, I am quite sure we can fill a lot of the open holes. Remember, if it weren't for Bingo, our charities would not be funded by the Knights of Columbus, meaning someone may be going without. Over 90 percent of our charitable budget comes from Bingo, including the 500 to 700 meals we provide to shut-ins and less fortunate people on Thanksgiving.

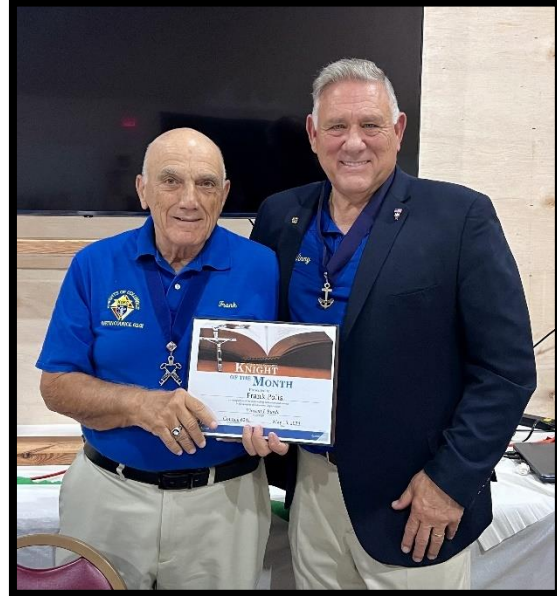

If you can help, even once a month, it allows us to release people who volunteer WEEK AFTER WEEK. Please let me know. Again, other than the caller and main cashier, there is very little training that needs be done – like 5 minutes per station. If you are there, and there is only one cook in the kitchen, please lend a hand to him after bingo starts. Grill must be cooled and cleaned, supplies stored, and floor cleaned. And if you wanted to learn to call or cashier, we can always have standby's. Please help us keep alive the first pillar of the Knights of Columbus – Charity.

God Bless.

FLORIDA CONFERENCE OF CATHOLIC BISHOPS

Florida Bishops Oppose Extreme Abortion Amendment Vote No on Amendment 4

Florida Amendment 4, which will appear on Florida's November 2024 ballot, is an extreme proposal that legalizes full-term abortion with no protections for the preborn child, including when the child is capable of feeling pain. This proposed amendment to our state constitution would prohibit all restrictions on abortion before viability and create a broad exception that any healthcare provider could exploit to allow abortion up to birth.

Furthermore, the amendment would effectively overturn or seriously jeopardize common-sense state laws that have regulated abortion for years. These include basic health and safety requirements for clinics where abortions are performed, requiring a physician to perform abortions, informed consent requirements, laws limiting public funding of abortion, and parental consent requirements before a minor's abortion.¹ These risks demonstrate the extreme nature of the amendment.

We urge all Floridians of goodwill to stand against the legalization of late-term abortion and oppose the abortion amendment. In doing so, we will not only protect the weakest, most innocent, and defenseless of human life among us but also countless women throughout the state from the harms of abortion.

Human life is sacred. The dignity of the human person is the foundation of a moral vision of society. Direct attacks on innocent persons are never morally acceptable, at any stage or in any condition. In our state, human life is repeatedly being destroyed by abortion. Over 84,000 vulnerable and voiceless children were aborted in Florida in 2023.

This matter concerning the respect for human dignity and the fundamental value of human life is of grave importance to both our Church and our state. The threat of abortion remains our pre-eminent public policy priority. Therefore, we support a coordinated campaign to mobilize against the proposed amendment. To this end, we offer this prayer to defeat Amendment 4:

Ever-living God, you give life and desire a future for all your children. Take hold of our nation, state and community and awaken in every heart awe for the gift of life. Send your Spirit to strengthen us with wisdom and fortitude as we defend mothers and children in Florida from laws that disregard their health and safety.

Mary and Joseph trusted in you and welcomed Jesus into our broken world. God Almighty, we ask their intercession to protect the preborn and their mothers, and to guide all parents in raising their children. May they help us build a civilization of love by upholding the sacredness of life and accompanying pregnant women in need.

We ask this through Christ, our Lord. Amen.

Our Lady, Mother of the Family, pray for us! St. Joseph, Protector of the Unborn, pray for us!

¹ Florida law distinguishes between parental *consent* prior to a minor's abortion (Ch. 390.01114(5)), which would be invalidated by Amendment 4, and parental *notice* of a minor's abortion (Ch. 390.01114(4)), which would be retained.

DAILY PRAYER TO END ABORTION

Lord God, I thank you today for the gift of my life, and for the lives of all my brothers and sisters. I know there is nothing that destroys more life than abortion, yet I rejoice that you have conquered death, by the Resurrection of Your Son. I am ready to do my part in ending abortion. Today I commit myself never to be silent, never to be passive, and never to be forgetful of the unborn. I commit myself to be active in the Treasure Coast pro-life movement, and never to stop defending life until all my brothers and sisters are protected, and our nation once again becomes a nation with liberty and justice not just for some, but for all.

Through Christ Our Lord, Amen.
