## Grand Knight's Report.....

I hope each of you had a very Happy Thanksgiving.

I know I am grateful to be involved in such a caring and giving Council. By now you should have worked off all the dinner and left overs, it is time to review what we did in November and get ready for another busy month in December.

My gratitude goes out to those of us who volunteered at the many events this month. We started the month with the SVdP food drive on November 2nd & 3rd. On the 3rd we also had 2 booths at the Incarnation Fall Festival.

Our food booth was very busy and thanks to Angela Molineaux lending us her prize wheel and prizes, there was a constant presence at our information booth.

December is going to be another busy month, starting off with the Solve Maternity Homes collection on the 1st. Then the following week at our Christmas Party.

I look forward to seeing all of you often this Month!

**Vivat Jesus!**

### FAMILY

#### FAMILY ACTIVITIES

Hope you all had an enjoyable Thanksgiving.

We have so much to be thankful for, God is good to us everyday.

As we prepare for Advent let us try to put the hustle and bustle of the season behind us as we focus on the real reason for the season - the birth of Christ and all the joy that brings.

Well we had a whooping 53 players at Trivia and once again we had a fun evening. We even had a team win that has never won before, so you can see everyone has a chance. We gave away a \$20. Gift card to thank the players for their loyalty every month. Not only is our team great but so are our players. No Trivia in December so that everyone can enjoy the season.

God bless you and a Merry Christmas to all.

One more thing the answer to " why did the pilgrims pants keep falling down? Because he wore his "belt buckle" on his hat!! (Ugh!)

**Deacon John,  
Trivia Coordinator**

The Incarnation Council was a sponsor of the event that was attended by about 125 people from across Sarasota and Manatee Counties. Ms. Lacson educated attendees on the abortion pill reversal process and the hotline maintained by Heartbeat International to help women locate a doctor who is qualified to administer the reversal pill. ## VOTE "NO" ON 2024 FLORIDA CONSTITUTIONAL AMENDMENT #4

**Congratulations to the Voters of Florida** for discerning the deception, ambiguities and limitations in Amendment 4 and their implications in defeating this amendment which would have effectively unregulated abortion in the state of Florida and had terrible health and safety consequences on Florida women.

The defeat of Amendment 4 was clearly due to a tremendous grassroots effort that despite the \$120 million spent by the amendment proponents against \$5 to 10 million spent by the "Vote No on 4" PAC supported by the Florida Conference of Catholic Bishops and its allies in defeating the amendment.

The Incarnation Council played a significant role in increasing awareness in the Sarasota and Manatee County area of Amendment 4 and its implications. The 320 yard signs that the Incarnation Council distributed across both counties beginning in late August were posted in significant quantities in Manatee and

northern Sarasota Counties long before such signs were available from any other source. The forty 4 ft by 4 ft "Vote No on 4" signs were installed by mid-September at Churches and other locations along highly traveled roads in these Counties and thus seen by hundreds of thousands of people every day, multiple times.

These efforts when combined with pulpit announcements, sermons, prayer cards, rack cards and organized group presentation and discussions of the topic along with the excellent political ads that "Vote No on 4" PAC and their allies could display on TV about the harm that Amendment 4 would cause, if approved, organically successfully spread the messages that defeated the amendment.

However, we should not be fooled into thinking that the proponents of Amendment 4 are not determined to achieve their objective to deregulate abortion in Florida. We must be vigilant and build upon this success in defeating them and continue to find ways to educate the people of Florida, including young people under voting age, as to the risks associated their actions that could lead to a pregnancy, and the dangers of "quick and easy solutions" that can have terrible consequences.

Thanks to Jeanne Berdeaux, the Diocese of Venice Respect Life Director, for valiantly leading the Diocese efforts despite ongoing family medical issues. Appreciation is due to the Incarnation Knights funding of the sign creation and distribution, and to the many Amendment 4 coordinators in churches and those who helped them maintain the signs (despite the need to take them down and put

them back up multiple times due to hurricanes).

Amendment 4 would have never been defeated if it were not for the Florida Council of Catholic Bishops and their steadfast financial support and inspiration and guidance to parishes, clergy and laity all over the state of Florida. Their example and the efforts of Florida Catholics to reach out to brothers and sisters of other religions to take up this cause drove this success. The relationships developed in this process should be built upon in continuing to promote a Respect for Life.

## 2024 POINSETTIA SALE FOR SOLVE MATERNITY HOMES

Hurricane Helene devastated the poinsettia growing areas in Florida causing Solve to decide that a poinsettia sale was not possible in 2024.

Given the Incarnation tradition of having a poinsettia sale that parishioners have depended upon, Brother Art consulted with local florists and other potential sources, but an alternative source of poinsettias could not be found. Instead, the Council will conduct a collection for Solve after Masses on November 30th and December 1st.

Brother Steve graduated from the US Naval Academy while Cathy was an ROTC-scholar and later a Navy Aviator. One daughter is on active duty now as a Navy Aviator and another will graduate from Annapolis next year. Cathy's father was a helicopter pilot in Vietnam. Thus, three generations in their family have served as US aviators.

**BALTIMORE ORIOLES SPRING TRAINING  
SEASON IS FAST APPROACHING**

The 2024 World Series may have just ended last month, but preparations are underway for the Baltimore Orioles 2025 Spring Training Season. The Orioles will play a 15-game schedule at Ed Smith Stadium. The season begins on Saturday, February 22nd and ends on Friday, March 21st. The schedule includes three games against the Pittsburgh Pirates; two games with the Atlanta Braves, Detroit Tigers, Minnesota Twins and Toronto Blue Jays; and single games with the Boston Red Sox, New York Yankees, Philadelphia Phillies and Tampa

Bay Rays. There will be 10 afternoon games starting 1:05 pm and 5 night games starting at 6:05 pm.

For the 14th consecutive year, the St. Thomas More and Incarnation Councils will be working a concession stand together. Charlie Culkin will continue as the Team Director. The Councils will operate the Outdoor Patio Grill, where they have worked the past four years. As of now, the menu will be hamburgers, cheeseburgers, hot dogs and sausage peppers & onions; peanuts, popcorn and chips; and bottled soda and water, Gatorade and draft beer.

Like last year, it will take 12 volunteers to operate the concession stand – an average of six volunteers from each Council per game. And like last year, volunteers must make a two-game commitment. Last year, a number of volunteers stepped forward to work multiple jobs. To provide more staffing flexibility, it would be beneficial if a few more volunteers step forward to learn multiple jobs, such as working as a grill assistant or a cashier. There are Brothers who can train you.

In a few days, you will be receiving an email with the "2025 Spring Training Baseball Sign-Up Sheet. You will be asked to indicate what position you would like to work. There is no guarantee that you will work the same position every game. My first scheduling priority is ensuring that I have required volunteers to cover all the positions for every game. For newcomers, you will receive a Baltimore Orioles tee shirt and a Council ball cap.

If you have any questions, please email (cinandchas@verizon.net) or call me (941-504-5490).

Let's have a great 2025 Spring Training Baseball Season!! See you at the Ball Park!

## ONE MEMBER, PER COUNCIL, PER MONTH

Membership growth is essential to the success of the Knights of Columbus. With the addition of each new member, the Order can better serve the Church, local communities and particularly those in need. But it isn't just the Order that benefits from a new member. Each new Knight benefits also.

Since its beginnings, the organization has promoted the principles of charity, unity, fraternity and patriotism. Knights contribute to the welfare of their parishes and communities, and seek to help the needy through financial and volunteer support.

In addition to the fellowship and faith development that Knights enjoy through their affiliation, the Knights offer a top-rated and competitively priced insurance program for the security of member families.

Please do your part as a member of Incarnation Council #15332 to recruit a new Knight.
