Grand Knight's Report.....

Grand Knight's Report.....

First off, we are very happy to Welcome Joseph Dowell as a Knight! He has been an active part of our Council for so long it's a great pleasure to call him Brother Joseph now!

I appreciate all the new officers that have stepped up to guide the Council this year, we have a solid foundation in place for the future.

I do note that we still need someone to take over as the Community Director. This is a Vital part of our reaching Star Council and needs someone to steward the work Dale Haas has put into setting it up.

He has the outline in place, now it just takes someone to keep the pieces moving. Please note the Director does not Chair every event and does not need to Chair any of them. Most of the events already have Chairmen in place.

Since Dale has done all of the heavy lifting so to speak in setting up this program, no experience is required. Any questions you have now or after taking the position can be directed to Dale or myself.

I ask that you please seriously consider taking on the critical position!

I hope Everyone has a great 4th of July and enjoy time with your families!

I look forward to seeing many of you on July the 9th at our Membership Meeting.

Vivat Jesus!

VOTE “NO” ON 2024 FLORIDA CONSTITUTIONAL AMENDMENT #4

Brother Art is continuing to work with the Diocese of Venice Respect Life Directors and other pro-life leaders in Southwest Florida to plan a Sarasota County program to educate the public that Constitutional Amendment 4 regarding abortion on the November 2024 Ballot in Florida is NOT WHAT IT SEEEMS, AND IS TOO EXTREME! Note: Many critically important terms in the Amendment ballot summary are undefined and as a result an abortion would be allowed in all three trimesters and essentially without any regulation.

The Incarnation Council has decided to set aside \$5,000 for possible use in helping to educate Incarnation parishioners and others on the Amendment and its implications. The Incarnation Council received a candidate agreement from Florida Voters Against Extremism (FVAE) that would enable the Council to use FVAE artwork to make yard signs and other educational materials created by FVAE. This could be very useful between now and November in the event that other channels for getting such materials is not available. THANKS to Brother Dan Marias for working with the Florida KofC Insurance

Art is also continuing to work with retired Pastor Rod Myers who chairs the SMPC “Pastors for Life” group and co-chairs the SMPC “Champions for Life” group on how SMPC and these groups can organize events and distribute materials to educate the many local churches that support SMPC as well as other pastors, ministers and lay people in other

church of multi-denominations on Amendment 4, its deception and the implications in terms of an increase in the number of abortions, as well as its adverse impact on the health and wellbeing of women.

On June 20th, Brother Art attended a Manatee County meeting of church and community leaders to discuss Amendment 4 and efforts to educate voters in Manatee County on Amendment 4.

Message from Council Advocate

Brothers,

The Knights of Columbus has a rich tradition of brotherhood and respect for each other as exemplified through its protocol at meetings and ceremonials.

The beginning of KofC Fiscal Year is an excellent opportunity to remind all Knights of this protocol. As Council Advocate once again for 2024-25, below is the text on Meeting Protocol from KofC Document 11620 – “Protocol, Meetings and Ceremonials” (pages 5 and 6) for your reference and consideration.

At the July Membership meeting, I will review the key points of:

- *proper method for addressing the chair (Grand Knight) at meetings,*
- *need to direct all comments at meetings to and through the chair,*
- *dress code at meetings, and*
- *need for undivided attention during meetings*

Vivat Jesus!

Art Reilly

Council Advocate

Excerpted from KofC Document 11620 “Protocol, Meetings and Ceremonials”

<https://www.kofc.org/en/resources/for-members/11620-protocol-meetings-and-ceremonials.pdf>

Protocol

By definition, protocol is a system of rules that explain the correct conduct and procedures to be followed in formal situations. We can add further that it covers anything that is proper and in good taste.

While it's impossible to cite every rule governing all situations, by applying formal courtesy you will never go wrong in those situations not covered in this booklet.

We should always display proper consideration for the office represented by the person. In no way should we let dislike for a person influence our respect for the office he holds.

Council and Assembly Meeting

The grand knight and faithful navigator must conduct their meetings in accordance with the Charter, Constitution and Laws of the Knights of Columbus, supplemented by your council's or assembly's by-laws and according to parliamentary procedure. The standard reference on the subject of procedure is Robert's Rules of Order. For guidelines on the order of business and how to conduct a council/assembly meeting, please reference the section on Meetings and/or The Method of Conducting Assembly Meetings (#10325). Presiding officers should control all meetings so that they follow the set agenda by limiting any sidebar discussion.

When a member wishes to speak, he does so by rising from his seat, addressing the chair by saying “Worthy Grand Knight” or “Worthy Faithful Navigator” and rendering the salute. (Representing the tree of the Cross, the member makes a vertical motion, with his arm and vertically opened hand, from top to bottom). The presiding officer recognizes the speaker by announcing his name and rendering the salute in return. (Representing the arms of the Cross, the presiding officer makes a horizontal motion, with his arm and horizontally open hand, from left to right).

The presiding officer should, at all times, refer to and address the officers by their proper title. He is thus setting a good example for all members to follow.

Activities and Special Events

CONTINUED.....

All members who are not officers should be recognized by name as “Brother” or “Sir Knight” All questions or comments must be directed to the chair (the presiding officer), for example: “Worthy Grand Knight or Worthy Faithful Navigator may I ask the previous speaker to explain. . . .”

The presiding officer always speaks in the third person such as “The chair rules that” or “Your Grand Knight or Faithful Navigator reports that”

Members should speak of the chair in the third person: “Worthy Grand Knight or Worthy Faithful Navigator will the chair please explain the effect of the pending motion?”

Dignitaries at Meetings

When priests, state officers, vice supreme masters, district masters, district deputies, general agents, field agents or special guests are present at a meeting they should be treated as dignitaries accorded due recognition for the office or position they hold. They should always be seated in a place of honor.

If a dignitary should arrive while a meeting is in progress; the presiding officer raps the gavel three times for all to stand and instructs the warden to escort the guest to the station of the presiding officer. The presiding officer then offers a seat of honor to the guest.

With the exception of a priest, a dignitary present at his home council or assembly, need not be specifically recognized unless he has been invited to attend in his official capacity or requests to be so recognized. This will allow the officer to engage in the regular business of his home council or assembly without involving the position he holds.

When a general agent or field agent is present at a meeting, he should be treated as a guest. He should be seated and introduced with the dignitaries.

Guests and Non-Members at Meetings

Members of the Order with a current membership card are allowed admittance into council meetings or assembly meetings in accordance with their degree. Online and Affiliate members with a current membership card are allowed admittance into all council meetings. Visiting members from other councils/assemblies should be greeted by the presiding officer and acknowledged during the meeting.

Only those meeting attendees who are members of the host council/assembly may vote on council/assembly matters. The presiding officer can call on guests, during discussion, if they have information germane to the motion; but the guests should not take an active part in voting on council/assembly business.

While the contents of a council/assembly meeting are not secret, attendance is typically for members only. However, meetings can occasionally be open to non-member guests, including wives. The occasional open meeting can build strong ties with family members and other ministries. Grand Knights should always obtain approval from the membership before extending invitations to guests. Open meetings with guests should be the exception, and not the rule. Having non-members at too many meetings will hinder the membership's ability to speak freely and have the healthy conversations that support initiatives and create fraternal bonds.

Dress for Meetings

The presiding officer, in keeping with the dignity of his office, should be neatly and properly dressed. He should request that other officers do likewise to set the proper dress code for the membership to follow.

HAPPY 4TH OF JULY

ONE MEMBER, PER COUNCIL, PER MONTH

Membership growth is essential to the success of the Knights of Columbus. With the addition of each new member, the Order can better serve the Church, local communities and particularly those in need. But it isn't just the Order that benefits from a new member. Each new Knight benefits also.

Since its beginnings, the organization has promoted the principles of charity, unity, fraternity and patriotism. Knights contribute to the welfare of their parishes and communities, and seek to help the needy through financial and volunteer support.

In addition to the fellowship and faith development that Knights enjoy through their affiliation, the Knights offer a top-rated and competitively priced insurance program for the security of member families.

Please do your part as a member of Incarnation Council #15332 to recruit a new Knight.
