ASSEMBLY 3195

FLORIDA DISTRICT • DESOTO PROVINCE
DIOCESE OF SAINT PETERSBURG

RELIGIOUSLY DEVOTED, PATRIOTICALLY PROUD

Worthy Sir Knights,

Well, it took some resubmittals and a few calls, but we finally got everything corrected with Supreme and Charlie and I finally have full access! We got a couple of other little things to get flipped over but the assembly is up and running.

We've had a bunch of transfers in, so the assembly's roster is increasing. We do have some vacant officer positions so if you are interested, please let me know. I will be looking to taking nominations from the floor on November 11 (our next assembly meeting). If you know of any Sir Knight that hasn't been active lately or is looking for a change, I ask that you give them a call and invite them to a meeting.

If you have any ideas on programs or events you would like to get started, bring your ideas. I would love to start making the Honor Flights arrivals or at the Bay Pines, seems like it's been a long time since 3195 has done anything. I will be sending out emails on who has the uniform so that we can start participating in call outs. I've decided that it's time for me to order one. One of the most important duties I've done as a knight is stand watch for several departed brothers.

November is usually the month when councils and assemblies commemorate our brothers that have passed during the last year. Daniel M. Moslek Jr. PGK, PFN, is the only Sir Knight that I know of that passed last year, November 6th. He was a constant fixture not only in Fr Lopez but a charter member of Mary, Queen of the Priests. He was a dear friend and kept me sane during some rough times when I was Grand Knight. He lived the principle of the Order, and I know that I'm a better man for knowing him. I know all of us have a similar story and let's remember those brothers in our prayers always but definitely this month.

The January Exemplification will be in at St Mark the Evangelist in Tampa, cost is \$90. If you know of any brother that may be interested in joining the 4th Degree, this would be the perfect opportunity since it's so close. I'll have form 4s available and we can get them registered, just let me know where to drop them off.

I'm looking forward to the following year. I'm hoping that we will be able to get 3195 active and engaged with our councils and community. I will be adding events to our calendar as we get them so if you have any dates, please email them to me.

VIVAT JESUS!
