# November 2025

Brother Knights,

I want to extend my deepest gratitude for your phenomenal work and dedication during October. Your commitment to our principles was on full display, making the month a resounding success.

We had a fantastic series of events, including the successful **Frankie Valli Tribute**, which brought our community together for a fun evening. I also commend everyone who made the **Soccer Challenge** a memorable experience for our youth. A special thanks is due to the hands that helped with the massive task of the **Parish Rummage Sale breakdown**, ensuring a quick and clean finish. Your participation in the **SEAS Golden Jubilee procession** showed our profound respect and support for our parish family. Furthermore, the efforts put into the **Grey Card and Membership Drive** and the organization of the **Protecting Places of Worship Courses** demonstrate your dedication to growth, security, and faith in our community.

More than just a list of events, October was a living example of **brotherhood**. Whether you volunteered for serving food, setting up goals, lifting boxes, welcoming new members, or safeguarding our sacred spaces, you acted with **unity** and **fraternity**. This strong bond is the engine that drives our charity. It's what allows us to be **Heralds of Hope** in our parish and beyond. Let's carry this momentum and spirit of togetherness into the winter months.

As we step into the month of November, we are called to reflect deeply on our core mission, particularly as the universal Church celebrates the **Jubilee Year 2025** with the theme of "**Pilgrims of Hope**." This theme resonates powerfully with the Knights of Columbus' overarching call to be "**Heralds of Hope**." A jubilee is a time of spiritual renewal, pilgrimage, and forgiveness, urging us to look to Christ, the source of our hope, and to become tangible signs of that hope for our families, parishes, and communities. To be a herald means to proclaim, to announce good news. As Knights, our good news is not just in our words but in our tireless actions—our charity, our defense of the vulnerable, and our commitment to strengthening Catholic men. We are called to stand fast in our faith and broadcast the message that hope does not disappoint, especially in a world that can often feel overwhelmed by confusion and suffering.

Regards,

Joseph W. Paul

When we gather, in the heart of our parish, to worship and to be renewed. But the call of the Gospel doesn't end when we leave these doors. It is a constant invitation to live our faith out loud—to take what is in our hearts and put it into action.

This is the spiritual mission of the Knights of Columbus.

Our founder, Blessed Michael McGivney, knew that Catholic men face many challenges. He didn't just tell us to pray—he created a brotherhood, a fraternity, to support us on our journey to become better men, better husbands, better fathers, and stronger Catholics.

Knights of Columbus membership is not just a title; it is a vow to a life of Faith in Action. It means actively living out our core principles:

First is Charity: We are the strong right arm of the Church, serving our neighbor and the less fortunate, whether it's through a food drive, a commitment to the sanctity of life, or simply lending a hand where it is needed most. We believe that faith without works is dead.

Second is Fraternity and Unity: We are not meant to walk this journey alone. We commit to a Christ-centered brotherhood—a community of men who support each other in prayer, formation, and virtue. It is in this bond that we find the strength to resist the challenges of the world and to lead our families closer to Christ.

If you are a Catholic man, 18 or older, and you feel that call in your heart—the desire to deepen your faith, to lead your family, and to serve your Church—then we are looking for you. We are looking for men ready to commit to this intentional Catholic life, a life where every act of service is an act of prayer.

Join us, and together, we will continue to be a visible sign of God's love in our parish and community.

Vivat Jesus! God bless you all

## SUPREME CHAPLAIN'S MONTHLY CHALLENGE

## NOVEMBER 2025

**"You will be hated by all because of my name, but not a hair on your head will be destroyed. By your perseverance you will secure your lives."** (Gospel for Nov. 16, Lk 21:17-19)

Jesus promised his faithful disciples many things — that he will always be with us, that we will receive if we ask, and that he would give us rest. He also promised that we would be hated and that we would be persecuted for the sake of his name. We must persevere and remain faithful despite the hardships we suffer for our faith. May we always put into action St. Paul's admonition: "Rejoice in hope, endure in affliction, persevere in prayer" (Rom 12:12).

### Challenge by Supreme Chaplain Archbishop William E. Lori:

This month, I challenge you to learn more about the lives of the saints by selecting one or more martyrs to read about and then reflecting on how you can imitate his or her perseverance and hope.

### Questions for Reflection:

Have you ever struggled with hope when life has brought challenges? Have you ever experienced bigotry, rejection, hostility or hatred on account of your Catholic faith? What are some concrete ways you can seek to grow in perseverance to face life's difficulties?

This time of year, we give thanks for the many blessings in our lives. I'm thankful to call each of you my brother Knight, and I give thanks to God for all he has helped us do in our community this year.

Like many of you, I became a Knight out of love for my family. I wanted to join other Catholic men in becoming a better man, husband and father. I wanted to be a better protector of my family.

Knights of Columbus is your capable partner in this pursuit. In addition to helping form members in faith, we also offer a variety of insurance products to help you protect your family financially.

One way to protect your family is to start thinking about your family's future and how an extended care event could make a large impact. Do you know somebody that has experienced an extended care event – if so, how did that impact their family's situation?

I want to take this opportunity to help you prepare for the possibility that you or your spouse may one day need extended care. November is Long-Term Care Awareness Month.

With that in mind, I would like to share a valuable resource available to you and your family and would encourage you to check this out.

What Care Costs gives you access to view the costs of Skilled Nursing Homes, Home Health Aides and Assisted Living Facilities in your area and across the country. This service is available free of charge to all our members regardless of whether or not you hold an insurance policy with Knights of Columbus.

Visit [www.whatcarecosts.com/KnightsOfColumbus](http://www.whatcarecosts.com/KnightsOfColumbus) and enter sponsor code "KofC" to get started. We want to help families focus on their time with their loved ones – not the financial cost of caring for them.

Now is the time to prepare for your family's future needs. As your Knights of Columbus agent, I can help you review your financial goals and ensure you have an extended care plan in place. Come talk to me to set up an appointment.

Vivat Jesus!

My Brother Knights,

I'm pleased to share some great news — the state has officially reached 20% of our membership goal! This is a strong milestone and a testament to the dedication and hard work of our membership team with support of you worthy brothers. Please join me in congratulating Danny McIntyre and the entire team for their outstanding efforts in getting us this far.

But we're not done yet. In fact, we're just getting started. We're within striking distance of 25%, and with a strong final push, we can hit that mark by the end of the month.

Now is the time to dig deep, stay motivated, and keep up the momentum. Let's continue reaching out, inviting Catholic men to join our brotherhood, and showing them the strength, purpose and faith of the Knights of Columbus to open the doors of spiritual growth and brotherhood to all men.

Let's finish the month strong!

Community (Youth)

Once a man was asked,  
"What did you gain by  
regularly praying to God?"

The man replied, "Nothing... but let  
me tell you what I lost: anger, ego,  
greed, depression, insecurity, and fear  
of death." Sometimes, the answer to  
our prayers is not gaining but losing,  
which ultimately is the gain.

We are in need of volunteers to provide a deterrent presence at the SEAS property during school hours.

The Mother Seton KofC Council and the Men's Club have donated a retired police department interceptor vehicle for this purpose.

Principal Barbara Kavanagh has requested we have men on site during school hours. M-F 7:30am-2:30pm. You will be asked to move the vehicle to the area that kids are outside the school building. Example: Soccer Field, Veranda, Basketball Court and Parish Hall.

The car is NOT to leave the SEAS property. See Liz for keys and give a copy of your driver's license. This is a big ask but if you think of the safety of our kids, it will make this all worthwhile.

We have Monday and Tuesday covered by Joe Lupo and Greg Gully. We need volunteers to W-T-F. Volunteers can split the days in half, so someone will cover the morning and someone else covers the afternoon.

Respond to this email with the day and time you can volunteer.
