

## **The Feast of Our Lady of Guadalupe at Epiphany Cathedral**

The Color Corps of the Knights of Columbus Fourth Degree stood tall and reverent at Epiphany Cathedral during the Feast of Our Lady of Guadalupe. The bilingual Mass celebrated in both Spanish and English, though primarily in Spanish was a beautiful testament to the universality of our faith. Following the liturgy, the faithful processed joyfully to the school courtyard, where a traditional Mexican feast awaited. There was fun, laughter, and fellowship as we shared in the richness of culture and devotion.

The celebration recalled the miraculous appearance of the Blessed Mother to the humble peasant Juan Diego at Tepeyac in Mexico in 1531. Her image imprinted on his tilma became a powerful sign of God's love and Mary's maternal care. For the Mexican people, this vision was more than a miracle it was a message of dignity, hope, and unity. Our Lady of Guadalupe embraced a nation in its struggles and became a symbol of faith that transcends borders and generations.

As we honored Our Lady of Guadalupe, we were reminded that Mary always points us to her Son, Jesus Christ. Just as she comforted Juan Diego and uplifted the Mexican people, she continues to walk with us today, bringing peace, joy, and courage to live our faith boldly. May we, like Juan Diego, answer her call with humility and trust, carrying the message of God's love into our communities with steadfast devotion.
