Greetings, Brother Knights:

October is a month deeply cherished in our Catholic faith as the Month of the Most Holy Rosary. This devotion, given to us by Our Lady, is not merely a series of prayers, but a profound meditation on the life, passion, death, and resurrection of our Lord Jesus Christ. It is a spiritual source of peace, and a pathway to deeper contemplation.

For us, as Fourth Degree Knights, dedicated to the principles of Charity, Unity, Fraternity, and Patriotism, the Rosary serves as a powerful guiding light. It reminds us that our service to God, Church, and country is rooted in a deep and abiding faith. Just as the beads of the Rosary connect us to the mysteries of Christ, our shared prayers strengthen the bonds of our fraternity and fortify our resolve to defend our faith and uphold the values that make our nation great. In a world that often challenges our beliefs, the Rosary provides solace, clarity, and the courage to stand as true men of faith and loyal citizens.

I encourage each of you to embrace this special month by dedicating time to this powerful prayer, individually and with your families. Let us also renew our commitment to the charitable works, fraternal support, and patriotic endeavors that define Assembly 1818. Your active participation is vital as we continue to serve our parishes, our community, and our nation, always striving to exemplify what it means to be a "Patriotic Knight."

May God bless you and your families.

Vivat Jesus!

SK George Barbiero

Many of our Brother Knights have attended Bible Study led by Brother Knight Dean Waldt and his wife Linda at OLOL. It is a wonderful program that runs from October to June. OLOL Director of Faith Formation Elisa Darcey announced that this Bible Study will resume on Tuesday evening, October 7th at 6:00 PM. The program will meet every Tuesday in the Parish Center.

Brother Knights, their spouses and friends are encouraged to participate in this journey of faith. This season, the scripture is the Acts of the Apostles. Here is a message from Brother Knight Dean Waldt.

The popular film series The Chosen is already filming Season 6, portraying the trial and Crucifixion of Jesus. Season 7 is due to be released in 2027, portraying the Resurrection and Ascension of Jesus. But what happens next? Is the real action and the important events over? Absolutely not!

That is where the rest of the story begins. It is a story about houses the shake with the holy wind of God's Spirit, thousands converted in one day, the lame walking, the blind seeing and the dead raised. It is a story about arrest, beating, jailbreak, stoning and beheading at the hands of Jewish tribunals, Roman governors and vigilante mobs. It is a story about dreams, visions, angelic messengers and Greek philosophers. It is story about storms at sea, shipwrecks and confrontations with what many thought to be the greatest power in the world, Imperial Rome.

Through it all, the Gospel is preached; the one, holy, catholic and apostolic Church grows; and the Kingdom of God is established.

Join us as we walk through the incredible story of the Acts of the Apostles each Tuesday evening at 6:00pm in the Parish Center beginning on Tuesday October 7th. Of course, there will be plenty of pie and coffee. Hope to see you there.

CALENDAR 2025-2026 Our Assembly is excited to present a calendar filled with opportunities for fellowship, spiritual growth, and service. We encourage all members to review the upcoming schedule and participate as actively as your time and talents allow. We look forward to seeing you there.

The History of the Fourth Degree & Its Evolution in Florida

The Fourth Degree of the Knights of Columbus, known as the "Patriotic Degree," has a compelling history rooted in the Order's commitment to both faith and country. Its evolution in Florida mirrors this national development, adapting to the unique needs and growth of the Catholic community in the Sunshine State.

Origins of the Fourth Degree

The Knights of Columbus was founded in 1882 by Father Michael J. McGivney in New Haven, Connecticut, primarily as a mutual benefit society for Catholic immigrant families, offering financial security and fostering fraternity. While its initial principles were Charity, Unity, and Fraternity, the late 19th century saw a growing need for Catholics to assert their loyalty and patriotism, particularly in a society where anti-

Catholic sentiment sometimes questioned their allegiance to the United States.

To address this, the Fourth Degree was established on February 22, 1900, with its first exemplification (initiation ceremony) held in New York City. This new degree specifically added Patriotism as a core principle. The aim was to demonstrate that faithful Catholics could, and indeed should, be faithful citizens of their country. Members of the Fourth Degree, known as Sir Knights, were called upon to defend the faith, uphold the principles of democracy, and serve their communities and nation with a visible commitment.

The early evolution of the Fourth Degree saw the formation of "assemblies" – distinct local groups of Sir Knights. These assemblies, governed by a Supreme Master and Vice-Supreme Masters overseeing provinces, began to organize public displays of patriotism, such as parades and honor guards, particularly at civic and religious events. The regalia, including the distinctive chapeau and cape, became a recognizable symbol of their commitment.

Evolution in Florida

The Knights of Columbus established a presence in Florida relatively early in its history, recognizing the burgeoning Catholic population in the state. As councils formed across Florida, so too did the demand for the patriotic Fourth Degree.

While specific dates for the very first Fourth Degree assembly in Florida are not readily available, the growth of the Order in the early 20th century meant that Fourth Degree exemplifications would have followed shortly after the establishment of Third Degree councils. The state's unique position, with a diverse population and a history tied to both American and Latin American Catholic traditions, likely shaped the emphasis of the Fourth Degree's patriotic mission.

Key aspects of the Fourth Degree's evolution and significance in Florida include:

- **Formation of Assemblies:** As the Knights of Columbus grew across Florida, local Fourth Degree assemblies were established in cities and towns, often drawing members from multiple surrounding councils. These assemblies became centers for patriotic activity.
- **Visible Presence and Public Service:** Sir Knights in Florida have consistently maintained a strong public presence. They are frequently seen in their distinctive regalia as honor guards at Masses, particularly for bishops and priests, and at civic events such as Veterans Day parades, Memorial Day ceremonies, and flag-retirement ceremonies. Their visible participation underscores the Order's commitment to both religious devotion and civic responsibility.
- **Support for Veterans and Active Military:** Reflecting the national focus of the Fourth Degree, Florida Sir Knights have a long tradition of supporting veterans, active military personnel, and their families. This includes organizing events, providing assistance, and advocating for their needs. Given Florida's significant military presence and large veteran population, this aspect of their service is particularly pronounced.
- **Pro-Life Advocacy:** In line with the Knights of Columbus's broader commitment to defending human life, Fourth Degree Knights in Florida often play a leading role in pro-life events and advocacy, serving as honor guards and visible supporters at rallies and marches.
- **Defense of Religious Freedom and Civic Values:** The Fourth Degree's principle of patriotism extends to defending religious freedom and promoting Catholic values in the public square. In Florida, this has involved educational campaigns, supporting legislation that aligns with Catholic teaching, and encouraging active, informed citizenship.
- **Charitable Endeavors:** While patriotism is the specific focus of the Fourth Degree, Sir Knights in Florida continue to participate in and support the broader charitable works of the Order, integrating their love of country with acts of service to their community and the Church.

In summary, the Fourth Degree Knights of Columbus in Florida has evolved as a vital expression of Catholic patriotism. From its origins as a national movement to instill civic loyalty among Catholics, it has grown within Florida to become a highly visible and active segment of the Order, dedicated to honoring God and country, supporting veterans, defending life, and serving as a beacon of faithful citizenship within the state's diverse and dynamic landscape.

The Emblem of the Fourth Degree

Sir Knights of the Fourth Degree, deem it an honor and privilege to carry the TRIAD EMBLEM, which features The Dove, The Cross, and The Globe.

Spiritually, the sacred symbols fashioned on the sword and lapel pin, typify the union of the Three Divine Persons in one Godhead *The Most Holy Trinity*.

- The Globe - God the Father, Creator of the Universe.
- The Cross - God the Son, Redeemer of Mankind.
- The Dove - God the Holy Spirit, Sanctifier of Humanity.

The Fourth-Degree sword represents the bearer's reverence for the Eucharist, the Pope, Bishops and Hierarchy of the Church. It serves as a public display of the Knight's willingness to protect his Church and priests.

Bearers of the Triad Emblem, worn on swords and lapels, are committed to conduct themselves honorably as Christian gentleman in their private and public lives and to act patriotically for the good of their nations. This emblem is a reminder to never bring dishonor to *The Most Holy Trinity*. By wearing this emblem proudly, others see the good works of the Sir Knights of the Fourth Degree and how they glorify their Catholic Faith, their Honored Order, and their Beloved Country.
