#### OUR LADY QUEEN OF THE APOSTLES

### Grand Knight's Monthly Message

Dear Brother Knights,

With the start of a new fraternal year, we begin with a call to prayer. We ask the Holy Spirit to fill us all with that first principle of Charity. One way in which we would hope to do that is by renewing a commitment to the Adoration of the Most Blessed Sacrament. Brothers, the Adoration Chapel is open to us every Monday, Wednesday, and Friday at OLQA from 8:30am until 4:00pm. Dedicating time to the Real Presence of Christ in the Eucharist will be central to our '22-'23 fraternal year. Our support of the USCCB's three-year Eucharistic Revival can be a time of great grace for our council and our parish.

In this way, I ask for the grace of the Holy Spirit to help me take on the challenges of Grand Knights past, who have led our council so well. As we move forward, let our charitable efforts give witness to others that we are Christians. I pray that those of you who have lent your time and talent to those worthy brothers, do so for our council this year as well and that those who have been on the fence for a while, consider joining our efforts in support of our parish and community.

Lately at Mass, we have been hearing the song during the Eucharist, *Ubi caritas est vera, Deus ibi est*. Perhaps like some of you, Latin isn't your first language :-)) and so you may wonder what this lovely verse means. To hear Google tell it, it translates to, "Where true charity is, God is there". So through our faith and works, let us reflect the light of Christ in our charity that we perform; at home, in our workplace, in our community and within our parish.

We look forward to seeing you all at meetings (4<sup>th</sup> Monday of every month, beginning at 7:00pm with praying the Blessed Rosary), church functions and Knights activities in the coming months!

Vivat Jesus,  
Ken Ida  
Grand Knight

Brother Knights,

Have any of you looked at our website recently? ( NOTE: The address is on the bottom of EVERY page in the newsletter ). I have made a few design changes on it and will continue to do a MAJOR design change in the coming month or 2.

Please note there is now a tab labeled Members Only. You will need a login and password to access that area.

The information contained in that area is for Council members only, so do not print any of it and give it to anyone.

It will have the current and previous month's minutes, the current month's Treasurer and Financial Secretary reports and the names, email addresses and telephone numbers for the officers. The login is [REDACTED] and the password is [REDACTED]

Also, I need pictures from our events so I can add them to the website. My picture taking is not the greatest in the world, so I need your help! When you go to one of our events ( **LIKE THE SPECIAL OLYMPICS** ), please take pictures and email them to me.

Thank you,

Bob Cataldo – Newsletter Editor and Web Master

# Deputy Grand Knight's Monthly Message

Dear Brother Knights,

As we begin this fraternal year, we bask in the glow of a great victory, nearly fifty years in the making. The Supreme Court has reversed the horrendous decision made in Roe v. Wade, a decision that cost 62 million American children their lives. In eliminating what was a judicially constructed constitutional right to an abortion, the Court has returned the matter to the 50 state legislators and the people to decide this issue.

Left wing, pro-abortion violence has erupted in numerous cities across the country. Pro-life woman's healthcare centers and churches are being attacked, desecrated and burned. We should expect nothing less than an increase in such violence and destruction throughout the summer and up to the fall elections. The battle lines have been drawn. The war that will be fought will be on moral grounds, and it will be for the soul of America.

We begin this war with many disadvantages. Belief in God is at an all time low of 81%, down 7% in the last 15 years. That nearly 20% of the population does not even believe there is a God is shocking to me. However, a look deeper into the data reveals where the true problem lies. The group with the highest disbelief in God is the young.

The young are a product today of a school system that indoctrinates its victims with left wing secular propaganda, passed off as education. They have driven God from the curriculum and from the public square. This has resulted in a loss of morality and belief in natural law. Today, anything goes, whatever you feel like being you can be. You can be a man today and a woman tomorrow. We can no longer speak our mind or even pray without losing our jobs.

The time has come to take back our country, take back our educational system and restore God to the center of our society. This war will be difficult and long lasting. But, in an end that I may never live to see, I believe we will be victorious. We have God on our side.

Join us, come to our meetings, get involved, and save your children and grandchildren from a world without God.

May God be with you all,

John Ryan

## July 2022

Brother Knights,

The month of July is here with us. For many of us, this means, we are beginning the second-third of the vacation time {June-July-August}. It is good and healthy {both spiritually and physically} to relax from our hectic activities. Remember the incidence where Jesus wanted his disciples to rest for some time after a successful mission. {Mk. 6:7-13,31}.

At the same time it is also good to remember that strictly there is no vacation from spiritual matters because if we do so, we will be inviting the evil one to bring problems in our spiritual lives.

Brother Knights, besides July being in the middle of vacation time, it is also the beginning of our Knights of Columbus fraternal year {2022-2023}. It is a time to thank the outgoing leadership of our Council 12376 for the good services and to welcome the new leadership. As we cooperated and supported the outgoing leadership for the success of our council, let us also do the same and even more for our new leadership so that success may also be more.

It is good to remember that when we cooperate and support the leadership of our council in different programs, the council will flourish and grow more and more. When the council grows in quality and quantity {numbers}, our parish will also grow more and more. Remember our parish mission statement: Strengthened by faith, living in hope and serving with love. Brother Knights strengthened by our faith, let us participate actively in our council activities, our council will grow and the end result the kingdom of God will continue to grow among us and in our communities.

Fr. Laurent Assenga  
Chaplain

## Monthly Prayer

HOLY MOTHER of Czestochowa, Thou art full of grace, goodness and mercy. I consecrate to Thee all my thoughts, words and actions---my soul and body. I beseech Thy blessings and especially prayers for my salvation.

Today, I consecrate myself to Thee, Good Mother, totally ----with body and soul amid joy and sufferings to obtain for myself and others Thy blessings on this earth and eternal life in Heaven. Amen.

Papal recognition of the miraculous image was made by Pope Clement XI in 1717. The crown given to the image was used in the first official coronation of the painting, which was stolen in 1909. Pope Pius X replaced it with a gold one encrusted with jewels.
